**MENTIONED**

**ACTION TAKEN**

On 12/11/12 at 1540 hrs I arrived on scene at the Clackamas Town Center Mall at 12100 SE 82<sup>nd</sup> Ave on a report of an active shooter in the mall. I took up a position on the south side entrance to the Macy's store as outer perimeter security while other multiple agency units searched the interior of the mall for the shooter.

I moved locations to cover the west exit of Macy's and the south exit of the mall in a location across from the Mac Store. I stood at this position with Sgt. Naccarato and assisted civilians exiting the mall. I continued to cover this area of the mall until relieved at 1950 hrs. I stood by at the command post until members of the CRAFT team were assembled. I entered the crime scene at 2110 hrs and signed the crime scene log. We met with Detective Cate and he walked us through the scene pointing out evidence that had been marked.

It was determined that Portland Police Bureau Criminalists would complete the scene diagram using their equipment and that CRAFT would stand down. I cleared the crime scene at 2215 hrs and was signed out of the log. I cleared the mall at 2221 hrs and went off duty. Nothing further.

### ACTION TAKEN

On 12/11/12 at about 1529 hrs, I was dispatched to an active shooter at Clackamas Town Center located at 12000 SE 82<sup>nd</sup> Av, Happy Valley. There were reports of numerous victim's and a man armed with a rifle actively shooting inside the mall.

While responding to the scene we received reports that the suspect was wearing black, a white hockey mask, and armed with a rifle.

Deputy Morris arrived on scene and indicated a good staging point would be on the northeast corner of the mall by JC Penney near the rear corridor entrances. When I arrived I saw a cell already formed and entering JC Penney. Sgt. Christensen, Deputy Morris, Detective Wade and an OSP Trooper formed the second cell. As we were preparing to enter the mall through the rear corridor, a man fleeing the mall approached us. He told us a man with a white mask and a rifle had just pointed the gun at him in the rear corridor we were about to enter. He said the suspect then ran down the stairs. I relayed the information to the other units and our cell entered corridor 13. We followed the corridor to where it entered into the mall on the upper level near Macy's Home Store. I was the first through the door and saw an AR-15 style magazine lying on the mall floor in front of Macy's Home Store. We were not getting any threat indicators from inside the mall.

I could hear another cell on the lower level of the mall near JC Penney's moving west. We had been told the suspect had been seen entering Macy's Home Store, which was confirmed by a witness in a business next to Macy's Home Store. A cell entered the lower level and our cell linked up with Deputy Nikolai and his cell. We then moved through Macy's Home Store looked for the suspect.

While we were clearing the store I heard another cell broadcast that there were two deceased victims near Macy's. A short time later we heard a cell over the radio broadcast that they had located the suspect deceased in a rear corridor from a self-inflicted gunshot wound.

Our cell finished clearing Macy's Home Store and then began to clear all stores starting on the east end of the upper mall. We cleared out employees and customers as escorted them outside to safety. We then linked up with other cells inside the mall and cleared the upper level store by store. Deputy Shelly was on the lower lower level with more cells doing the same. When I reached Macy's I saw a body on the floor outside of the Macy's entrance covered with a tarp. I also saw an empty AR-15 style magazine near the information kiosk and numerous empty shell casing on the floor. We avoided disturbing any of the evidence as we moved through. I

then noticed several broken panes of glass and another deceased victim west of Macy's. We were then met by cells moving from the west to the east on the upper level. We cleared the upper level Macy's store.

I exited the mall and took up a position securing the Macy's Home Store doors on the north side of the mall until I was relieved. I checked in with Command prior to clearing.

## NARRATIVE

On 12-11-12 at approximately 15:29 hrs. CCOM broadcast there was an active shooter at the Clackamas Town Center, 12100 S.E. 82<sup>nd</sup>. Ave., Happy Valley, OR. I went enroute from the Oak Grove Substation. Upon arrival I teamed up with CCSO Randy Krebs and West Linn Police Chief Timeus. We entered the CTC at the 1<sup>st</sup> floor entrance near the east side of REI to search for the reported shooter. Once inside we moved towards the west and began searching the main inside area until we reached the AT&T store on the north side of the mall on the 1<sup>st</sup> floor. We then searched some corridors on the north side of the mall. Nothing was found.

We continued searching and joined up with other law enforcement. Eventually I ended up on the south side of the mall near the exit leading towards California Pizza Kitchen. I assisted in evacuating citizens from the mall. There were several citizens evacuated.

The amount of citizens coming out of the mall started to slow, so I took up a position outside of the entrance doors near California Pizza Kitchen. I maintained a security position and directed exiting citizens towards the southwest parking area of the CTC.

I was requested to return inside the CTC. Once inside I assisted with further evacuations of citizens that had hidden themselves inside stores.

I did not contact any citizens that had witnessed the shooting.

The evacuations slowed, so I returned to where Command had been established. At this point I assisted in minor logistical tasks at the CP until after 04:00 hrs. on 12-12-12.

I cleared.

I arrived from the south and entered the mall parking lot on the SW corner, near the 8400 block of SE 82<sup>nd</sup> Ave. I proceeded into the parking lot and parked near the upper level entrance of Macy's main store.

I exited my patrol vehicle and as I proceeded towards the Macy's entrance I was flagged down by a number of people, telling me they saw the shooter. I asked them to proceed to the safety of their cars. An older gentleman told me he saw the shooter as he proceeded towards the Macy's entrance. I asked him to describe the suspect and he told me he was a younger white male wearing dark clothing and what appeared to be body armor. He told me he was carrying a "modern era M16" and then pointed to an AR-15 magazine lying in the parking lot. He told me the suspect dropped the magazine as he ran into the Macy's store.

The magazine appeared to be an aftermarket AR-15 magazine loaded with .223 ammunition. It was lying in the parking lot near the entrance to Macy's. I stood over the magazine and watched the Macy's, upper level, entrance/exit doors until Det BURLEW responded, photographed and seized the magazine.

While waiting for Det BURLEW Mr VANGEEST exited the Macy's. I waved him over towards me and away from the store. Mr VANGEEST told me he witnessed the shooting. I asked him to proceed to the Transit garage, where witnesses were being asked to go.

At 5:16pm CCOM advised they were receiving a call about a possible conspirator of the shooting was on SE Bell near the Heatherbrae Commons Apartments. The subject was described as a black male wearing a red shirt. Dep ROBINSON and I responded to the area and found Milwaukie PD Sgt GRAVES and Ofc REDENBO on scene with the subject, later identified as Kerry ELLIOTT. He denied making any statements and then admitted to making it up to Dep ROBINSON. I cleared with this report.

### ACTION TAKEN

On 12-11-12 at 3:30pm, I heard the dispatcher close net 1, the radio channel, for an incident at the Clackamas Town Center. I also heard another deputy on net 2 say he was on the way. When I looked up the call, I saw there was a suspect actively shooting people at the mall. As I arrived, I heard Captain Layng say he wanted another group of Deputies to go into the mall to look for the suspect. I stopped outside the Starbucks on the south side of the mall, got my equipment on, and entered the mall with several other deputies. We searched the down stairs of the Macys home store clearing it of the suspect.

While we were clearing the store, I heard over the radio, that another team had located a suspect who was dead.

When we finished clearing the store several deputies with Sgt. Coleman and Sgt. Beard worked, together to clear the smaller stores from the Macy's home store west towards the Macys main store.

Deputy Shelly came up with the idea to mark the store windows that we were able to get into and evacuate. As Most of the stores have roll down security doors that were closed. We pounded on the doors, and announced ourselves. We were able to remove and evacuate several customers and employees from the stores. Once the stores were cleared, Deputy Shelly made the note on the window and his name.

Once the majority of the mall had been searched the first responding Deputies and Officers, I was assigned to hold a position outside the Macys home store.

	<b>SPECIAL REPORT</b>	

I left that position when deputy Hattan located a bunch of people in a store and needed help getting them out side. Once I got the people outside I went back to my position. I continued to hold where I was assigned until the combined SWAT team that conducted the final slow clear of the entire mall relived me.

**NARRATIVE:**

On 12/11/12 at about 1529 I responded to the Clackamas Town Center mall, located at 12100 SE 82<sup>nd</sup> Ave, on a report of an active shooter. I responded with numerous additional units, see original report.

Upon arrival I met with Sgt Wurpes and Sgt Throughman who had assembled a medic team to enter and treat the wounded. We were accompanied by a couple of OSP and PPB Officers.

We made entry via the upper level JC Penny entrance and proceeded to the food court and Macy's where we came upon the deceased victim, Steven Forsyth. We then came into contact with deceased victim Cindy Yuille and I saw she was lying in front of the Best Buy store. Inside the Best Buy we located about 9 people who had been hiding in the back.

I then led these people out of the mall via the food court exit to where the EMT tent had been set up. None one requested medical attention and I began identifying witnesses.

I contacted Joan Smith and Susanna Edgerton who had dried blood on their hands and clothing. These women told me after the initial shots rang out they attempted CPR on Ms. Yuille to no avail. Ms. Edgerton told me she used her black North Face jacket as padding which had her keys inside the pockets. Ms. Smith said her purse was near the victim while they did CPR. They both departed leaving these items behind.

I spoke with Karen Welch who told me she was at the Vinegar shop and saw a white, young, male wearing dark clothing, with a big gun, crouch down and shoot glass out. She said he shot 6 or more rounds.

I spoke with Robert Belmont who told me he is an employee of Best Buy who could provide a copy of the in store video upon request.

I spoke with Robert Shaulskiy who told me he works at the Cupcake Shop that his Mother owns. He said he saw the suspect wearing a white mask walking calmly while shooting. He said he saw him shoot Ms. Yuille in the chest in front of Best Buy.

I spoke with Sabina Willis and Minjyunnj Lim, who were together by Macy's. Ms. Willis said they were about 20 feet in front of the suspect who was wearing a "Michael Myers" mask, about 5'8", and wearing dark clothes. She said the suspect leveled the rifle at them and fired. She said one or two of the rounds grazed the puffy jacket Ms. Lim was wearing.

I spoke with Ms. Lim who, in broken English, told me her jacket was grazed by a fired round. I saw the jacket which had a couple of torn marks that looked singed. The mark looked consistent with being grazed by a round.

I spoke with Michael Suptic who said he was walking by the Christmas tree in the food court when he heard the shots and saw the shooter wearing a white mask. He said the glass was then shot out in front of him before he was able to get down.

I spoke with numerous other people who did not directly witness the shooting. I note booked their contact information. These contacted people were released to an awaiting Tri-Met bus or departed the scene.

I remained on scene security and then debriefed Command before clearing with this report.

#### ACTION TAKEN

On 12-11-12 at about 3:30 pm I responded to the Clackamas Town Center Mall for the report of an active shooter inside the mall. I arrived a few minutes later at about 3:35 on the east side of the mall with other police personnel. I armed myself with my patrol rifle and contacted Deputy Gibson, Deputy Morris, Detective Wade, and an unknown named Oregon State Trooper who were in the immediate area. We quickly communicated a plan to enter the mall as a group to hunt and kill any active shooters. At about 3:36 pm we entered the upper level of the mall through an outer door to corridor #13 to search for active shooters.

Within a few seconds we were inside the mall finding a loaded AR-15 magazine lying on the floor in front of the upper level Macy's Home Store. While outside and inside the mall I did not hear any indications there was an active shooter engaging anyone. There were several workers and customers of the mall in the immediate area of the Macy's Home Store. We advised the workers and customers to stay in place until we cleared the area and we would return to escort them out. We proceeded to clear the upper level while other police officers and deputies were clearing the upper and lower levels.

After clearing the upper level and getting information the shooter was located deceased on the lower level we worked as a team to evacuate citizens outside the building to safety. Anyone who said they witnessed the incident was escorted out to be interviewed. After the evacuation I met with Deputy O'Keeffe who located the deceased suspect and was securing the area which was located on the lower level east in corridor #2 near JC Penny's. The suspect appeared to have died from a self inflicted gun shot wound to the head. I waited with Deputy O'Keeffe until we were relieved by the Oregon State Police Crime Lab Unit.

### ACTION TAKEN

On 12-11-12 at about 1530 hours I responded to the Clackamas Town Center at 12000 SE 82nd Avenue to a report of a shooting in progress. Dispatch broadcast an "active shooter" incident was happening. While en-route to the call we were receiving updates the suspect, who was later identified as Jacob Roberts, was wearing body armor and carrying an assault rifle. There was also a report of the possibility of a second gunman. This was later found to be false.

I arrived on the south side of the mall near REI. There were numerous other police officers and deputies from multiple agencies arriving on scene. I knew a handgun round would be ineffective against the body armor, and I would have to get closer to Mr. Roberts to make an accurate head shot with my handgun, placing me in an even more perilous position to neutralize the threat to citizens and officers.

I deployed into the mall with my department approved AR-15 patrol rifle that is equipped with a Leupold CQT scope. I knew the .223 round would penetrate Mr. Robert's body armor, and give me the capability of taking a more accurate head shot from greater distances, maximizing officer and citizen safety while neutralizing the threat with fewer rounds.

I formed up a cell with several other deputies. We entered the mall on the lower level entrance next to Starbucks. We moved into the mall towards the lower level of Macy's. We received an update Mr. Roberts had come through Macy's. My cell and another several deputies conducted a search of the lower level of Macy's. We did not find anyone hiding in the store. As we were searching, it was broadcast Mr. Roberts had been located and he'd committed suicide in a maintenance stairwell near JCPenney.

	<b>CONTINUATION REPORT</b>	

We finished clearing the lower level of Macy's, and began working eastward in the mall from Macy's evacuating individuals who'd barricaded in various stores. When that was completed, I placed my patrol rifle back into my patrol car, assisted with coordinating placing officers at various points for security along the mall.

I left the scene at about 2045 hours.

This report, including a use of force, was read of the phone and approved by Sgt. Tutmark.

## NARRATIVE:

On December 11, 2012 at about 1550hrs, I arrived at the Clackamas Town Center (CTC) at 12100 82<sup>nd</sup> Ave in Clackamas, Oregon on a report of an active shooter incident. Shortly after arriving, I met up with Deputy Mark Nikoli who had formed a pod of 4-6 law enforcement officer and 4-6 medics from the Clackamas County Fire Department.

The 2 pods entered the CTC Mall from the north side of Macy's Home Store. The 6 of us systematically cleared the upper floor of Macy's and then entered the main mall. Once we entered the mall, we joined up with other pods and began to systematically clear the business on both sides of the mall. Our pod was tasked with clearing the south side businesses.

As we cleared each business, we encountered employees and shoppers "holed up" in back stock rooms and offices. Once we encountered those hiding, we walked the group out of the mall section of the mall and into a service corridor that exited directly outside to the north side of the mall. Our pod cleared about 6-10 businesses on the south side of the mall, second level.

Deputy Kevin Bigler  
Clackamas County Sheriff's Office

The last store we encountered was "Zales" jewelry. Once we made to the jewelry store, we also discovered a male victim, who was later identified as Steven Forsythe lying face down in a pool of blood. At this point of the search, our pod was broken up, and I was the lone person waiting at Zales with the victim Forsythe. While waiting, I noticed numerous empty .223 casings on the floor. I marked these casings on the floor with ½ bent "FIR" cards and purple DV Cards. I marked about 15-20 different locations with these cards. I also discovered pieces of skull from Victim Forsythe on the floor, and I too marked those items with "FIR" cards. After about 45 minutes, I was redirected to set up a evidence line at "Bath and Bodyworks" and allow no one into the "evidence zone." Also at that time I was instructed to stay with the female victim, Cindy Yuille. I was joined by Deputy Shelly, and the two of us maintained scene security, not allowing anyone into the evidence zone until detectives arrived.

At about 2000hrs, I was relieved by Sgt Throughman, and left the scene and returned to my assigned district. At about 0300hrs, I returned to CTC as scene security until I was relieved at 0700hrs.

## ACTION TAKEN

On December 11, 2012 at about 3:30 p.m. I was on duty assigned to the Civil Division working in the Clackamas County Court House. I heard about the active shooter at the Clackamas Town Center and I was directed by my supervisor to respond to that scene to assist. Due to the nature of the call and the amount priority radio traffic I took it upon myself not to advised dispatch I was enroute to the Town Center or when I arrived at the Town Center. I arrived at about 3:40 p.m.

Upon arriving I saw several police vehicles parked in the southeast area of the mall by the eastside of Macys and by the south side main entrance to the mall. I noted a State Trooper was behind my when I arrived. We parked in front of the REI and Oregon Ducks Stores. I saw hundreds of people running from the mall. I also saw lots of people standing around in a confused state which appeared to me that they did not know what to do or what was occurring. The Trooper and I started directing the people that were standing around to evacuate the area because there was someone in the mall and area shooting people.

**SUPPLEMENTAL REPORT**

Incident # 12-36745

During this time two young teenage girls walked up to me. I noted one was on her cell phone talking and the other girl appeared to be in pain crying and holding her right side rib and chest area. The girl on the phone told me she thought her friend had been shot. I moved both girls over a few feet to my squad car. I looked at the area where the girl crying was holding her body. I did not see any blood. At this time the Trooper met with me and we sat the girl in the troopers squad car. I asked the girl, later identified as Kristin Sherchenico, to lift her sweater up a little so I could check her for a wound.

As she lifted her sweater on the right side rib and chest area, I saw what appeared to be a bullet wound but it was not bleeding. I told the trooper to get her first aid kit and apply direct pressure to the wound and, I was talking to dispatch requesting medical to respond to our location. During this time it was very chaotic with people running up to me asking all kinds of questions, me and the trooper were the only police at this area. The trooper attended to Kristin while we were waiting for the medical people arrive. At this time my attention went to directing people away from the Town Center area.

Medical personnel arrived and started attending to Kristin. Her friend had call Kristin's parents and they arrived. Kristin was transported to OHSU Hospital by AMR Ambulance. I was not able to get the name or any information from the girl with Kristin.

**STATEMENTS**

Kristina Shevchenko was crying and in so much pain I was not able to get a statement from her.

## **ACTION TAKEN:**

On 12.11.2012 at 1529 hrs, I responded to the Clackamas Town Center on a report of a shooting. While enroute, details emerged that it was an active shooter incident.

When I arrived, numerous cells had already been established and were searching the mall and service corridors for the suspect. I responded to the Century Theatres upon arrival and formed another cell with CCSO Deputy Saffer, CCSO Deputy Stinson and Canby PD Sergeant Schoenfeld. We entered through the glass doors on the east side of the theatre lobby and cleared the north side of the theatres while another cell cleared the south side. Information was provided that the suspect was found deceased in a service corridor by the units that discovered him.

After completing clearing the theatres and assisting in evacuation of any remaining public from that area, the theatres were secured. I returned to the CP and was given an assignment by Lt. Behan to walk the parking lot and contact any persons who appeared to be waiting and not evacuating. CCSO Deputy McLeland was also assigned this detail with me.

I contacted Hannah Bryan and her son, Caleb Bryan, in their vehicle south of JC Penney. Ms. Bryan told me she saw nothing but her son had. I spoke with Caleb Bryan who told me he had just come out of Excalibur Cutlery and saw the body that had been shot in the head. He said he saw multiple .223 shells and an AR-15 magazine by the mall directory. He said he did not see the shooter at this time and then left the mall.

South of the Macy's Home Furniture store, I located a male talking on his cell phone. I identified him as Juan Martinez. Mr. Martinez told me he was waiting to pick up his wife who was trapped in the mall. He told me he saw nothing of what happened. Mr. Martinez told me his wife was Anna Rivera, DOB 06.19.61.

At the northwest corner of the Sears/Nordstrom parking structure, Deputy McLeland and I located an occupied vehicle with a male standing outside of it. I identified the male as Joe George Kassab, DOB 08.28.84. Mr. Kassab told me he heard about 10 shots but saw nothing. He told me he was concerned as both of his jewelry stores were still open and unsecured.

We completed our walk through and returned to the CP. Lt. Behan asked I relieve Lt. Davis who was restricting entry into the parking lot on the west end of the mall at the SE 82<sup>nd</sup> Ave entrance west of Sears. I responded there until I was relieved by CCSO Reserves.

Deputy Bailey requested I stand by with him as he potentially wanted my assistance in scene reconstruction. After the mall was cleared, we entered through the main mall doors by the theatres and signed into the scene log. I stood by while it was discussed how best to process the scene and did a partial walk through. It was decided that PPB would use their equipment and process the entire scene.

I exited the mall where I came in, signed out on the scene log, and cleared with this report.

### ACTION TAKEN

On Tuesday, 12/11/2012, at approximately 2118 hours, I received a page on my SWAT pager requesting that available units respond to the Clackamas Town Center near the food court to assist in clearing the remainder of the mall after a shooting that had happened hours earlier.

When I arrived, I donned my gear and entered the mall at the food court entrance. After signing in at the crime scene log, I was assigned to one of two SWAT groups that would be following around a detective and a locksmith and clearing some businesses that had yet to be cleared because they were locked. My group cleared several businesses on the lower level of the mall. We found nobody hiding, collected no evidence, and took no witness statements.

After clearing those businesses, I logged out from the crime scene log, cleared the scene and went off duty.

### NARRATIVE

On 12-11-12, I responded to Clackamas Town Center located 12000 SE 82<sup>nd</sup> Ave. Happy Valley, OR on the report of a shooting. Upon arrival, I assisted in evacuating multiple citizens from the Panera restaurant located on the south side of the mall. I then met with other CCSO Deputies who were holding perimeter in the area of The Ram restaurant and ultimately evacuated multiple citizens from that restaurant when we believed it to be safe.

At about 2000 hrs, I was directed by CCSO Sgt. Wurpes to assist the second floor PPB SERT in noting which businesses were not accessible to be cleared safe. I was instructed to relay a list of the businesses to the Command Post. Upon entering the mall through the north food court entrance near Movie Theater, I signed into the crime scene log. I met with PPB SERT on the second floor of the mall west of the food court. I followed PPB SERT east bound thru the mall documenting which locked businesses they were unable to access. I relayed the list of businesses to CCSO Detective D. Smith, who was inside the CTC mall security office. I then signed out of the crime scene log.

### SUMMARY

I arrived at about 1609 hours and assisted in clearing citizens out of the movie theater area and the corporate office near the Macy's home store.

### ACTION TAKEN

On December 11, 2012 at about 1600 hours I was preparing for weekly training when I heard Deputies responding to an active shooter at the Clackamas Town Center (CTC). There were several people asking for available K-9's to assist. I arrived at CTC at about 1609 hours and met up with Sgt. Kollias and a cell to clear the movie theaters on the north side of the mall near the food court.

We found three citizens in the east wing of the theater and evacuated them. There were no injuries on these people. I did not see anything in this area of the mall, each theater was empty by this time. This area was clear and I was told of nine employees hiding in a panic type room in the Macy's Home Store just east of the theater. Deputy Hillary Robinson and I went into the Macy's Home Store and proceeded down the escalators as the security officer had directed us.

We were unable to find a panic room like he described. Deputy H. Robinson told me she had spoke to about 9 employees via an intercom outside Macy's and was assuming the nine we were looking for were the same the security officer was referring too. Deputy H. Robinson took me to the east side of the outside upper entrance to the Home Store. Deputy H. Robinson contacted the citizens who were locked in the upper offices of Macy's. They unsecured the electronic locked door and we proceeded upstairs to evacuate the group. None of the 9 employees were injured or witnessed anything.

I did not find any other people or evidence in the areas I checked inside Macy's Home Store and the Theater. I cleared out of the mall when the broadcast came out to leave the mall unless otherwise directed.

### ACTION TAKEN

On 12-11-12 at about 1530 hours I responded to the Clackamas Town Center at 12000 SE 82nd Avenue to a report of a shooting in progress. Dispatch broadcast an "active shooter" incident was happening.

I arrived on the south side of the mall near REI. There were numerous other police officers and deputies from multiple agencies arriving on scene.

I formed up a cell with several other deputies, including Deputies Tonn, Steinhauer, Rippe, Shelly, Olson, and Sgt. Neil Hennelly from West Linn PD. We entered the mall on the lower level entrance next to Starbucks. We moved into the mall towards the lower level of Macy's. We received an update Mr. Roberts had come through Macy's. My cell and another several deputies conducted a search of the lower level of Macy's. We did not find anyone hiding in the store. As we were searching, it was broadcast Mr. Roberts had been located and he'd committed suicide in a maintenance stairwell near JCPenney.

When the mall was secured I was making contact with deputies and officers inside the mall and checking on their welfare. Deputy O'Keeffe, Officer Pollard (North Plain PD) and Sgt. Christensen were with Mr. Roberts' body. I took five photographs with my cell phone of Mr. Roberts. I later downloaded those pictures onto a CD and placed them into evidence. I deleted the photographs from my phone.

### ACTION TAKEN

On December 11<sup>th</sup>, 2012 at approximately 1600 hours I received a phone call from Deputy Moyer regarding an active shooter incident at the Clackamas Town Center. At this time it was my weekend and I was at my residence in Damascus, Oregon. Deputy Moyer wanted to know if we should go in to assist with the incident. Knowing that Deputy Moyer and I are both members of the Active Shooter Cadre for the Sheriff's Office and due to the size of CTC and not knowing the exact number of casualties I believed we could be of use.

I arrived at CTC at approximately 1620 hours and took up a position of security on the southwest corner of SEARS department store along with Deputy Tonn. At approximately 1930 hours I was told by Sgt Boell to relieve Detective Bray inside the mall where he was remaining with one of the deceased victims of the shooting, Steven Forsyth.

I entered CTC through the food court/movie theater entrance on the central north side of CTC. At the door I was contacted by an OSP Trooper, who was keeping an evidence log, and was logged into the scene. I walked through the food court and contacted Detective Bray on the Macy's department store side of the open Atrium which is just south of the food court. Mr. Forsyth's body lay face down with his head towards the open atrium. Mr. Forsyth was obviously dead do to what appeared to be a gun shot wound to the head. There was a large pool of blood around Mr. Forsyth's head which had already begun to coagulate.

I observed a number of expended and non-expended AR-15 rounds laying between where Mr. Forsyth's body was and the directory kiosk which was northeast form his body, approximately 20 yards away. There was a loaded AR-

After taking over Detective Bray's detail, I remained with the body of Mr. Forsyth until approximately 2315 hours when I was relieved by Deputy Buzza. During my watch I did not observe anything which would affect the investigation or the integrity of the crime scene. The crime scene where I was at was free unnecessary foot traffic and the only people inside of it were Detectives and Crime Scene Investigators who were actively processing the scene itself.

Once relieved I exited CTC through the same food court/theater doors after logging out of the crime scene by the same OSP Trooper who'd logged me in. I cleared at approximately 2340 hours on the same day with this report.

**MENTIONED:**

Deputies from CCSO, PPB, Milwaukie, Oregon City, OSP

**NARRATIVE:**

I responded to the Clackamas Town Center after a call went out over the radio for a person in a Hockey Mask was in the mall and shooting people at random. I arrived at the entrance near Starbucks and Barns and Noble and made a hunter team with Deputy Rippe and Troopers Allori and Fosberg. I armed myself with my duty handgun

We entered the mall and heard nothing but the Christmas music. Most of the citizens had run outside of the mall. My search team worked to find the suspect; he was located in a nearby access hallway by another team, deceased. We continued to check the stores and back areas for further injured persons and hiding citizens/employees of the mall.

I was released from the incident at about 7:30 pm.

On 12-11-12 at about 1529 Hrs. I responded to the Clackamas Town Center located at 12100 SE 82<sup>nd</sup> Avenue Happy Valley, Oregon on a reported "Active Shooter(s)". I arrived a short time later and entered the mall. I then assisted in locating the shooter, searching and evacuating citizens.

**ACTION TAKEN:**

On 12-11-12 at about 1529 Hrs. I was dispatched to the Clackamas Town Center Mall located at 12100 SE 82<sup>nd</sup> Avenue Happy Valley, Oregon on a reported "Active Shooter". I was advised that a subject had entered the mall with a possible hockey mask and was shooting people. Additionally I was advised that the suspect was in or near the upper level food court. I immediately contacted CCOM and closed net 1.

A short time later I received updated information from CCOM that the suspect was possibly wearing black clothing and was in or near Macy's Home Store (second level) moving east. I arrived a short time later and advised arriving units to the east upper level of JC Penny's. I saw what appeared to be panicked citizens running out of the mall from the north side.

A short time later I deployed to the first entrance into JC Penny's (upper northwest door) with my duty shotgun. As I did I began directing first arriving law enforcement personnel (unknown names) to my location. I saw that JC Penny's personnel had locked exterior doors to the store to prevent entry.

I then ran in an east direction checking all doors with negative results until I arrived at the last east door. As I began to force the last locked door I saw an employee inside and ordered him to un-locked it.

I then entered JC Penney's with one or two unknown possible transit officers. As I did I ran west towards the main east west corridor (trunk line) inside the Town Center. As I did I heard what appeared to be several loud

## Information

bangs, possible rifle fire. At or near this time I was advised that the suspect was armed with an AR Rifle, body armor and had moved to the lower level, possibly the Macy Home Store. Additionally through very difficult radio transmission I was advised that there was possibly two "Shooters".

I then moved down the escalator of JC Penny's to the lower level. I then moved transit officers to the lower west exit of JC Penny's that exited out into the east west corridor (trunk line) into a cover positions. As I did I requested additional law enforcement personnel to form a cell above me to move west together in case the suspect was on the upper level. Additionally I made request(s) for radio traffic curtailment and K9 support all the while giving continuous verbal orders/directions to citizens to exit the mall. It was at or near this time I heard what appeared to be a rifle shot/concussion from an area just a few feet north of me. As I entered the lower level corridor I began searching for the suspect(s) and or clues.

A short time later I was advised that a possible suspect with mask had been located (deceased) behind a service door just outside the lower level exit of JC Penny's into the mall corridor (trunk line) near where I heard the shot/concussion. I continued to search and evacuate citizens as I met up with other cells (law enforcement personnel). As I did additional law enforcement personnel and supervisors began arriving. A short time later I met with Sergeant Paul Coleman and Sergeant Tim Beard. I briefed them on the incident as I knew it.

I then assisted other cells (law enforcement personnel) in secondary searches for suspects, victims and people hiding. As I did I marked areas searched with a "C" (cleared) and my last name. A short time later I came upon two deceased victims outside the upper level food court. I saw one appeared to be a male and the other a female.

A short time later the area around the deceased victims and multiple spent shell casing near them (mall floor) were taped off with crime scene tape. I remained inside the taped off area with the deceased victim's and Deputy Kevin Bigler at the request of Sergeant Fred Kellogg. We were advised to have SWAT units search around the taped off area and not inside. I remained inside the taped off area until I was relieved by Sergeant Steve Thoroughman at about 2100 Hrs.

### ACTION TAKEN

On 12/11/12 at about 1532 hrs I was in a training at PSTC and heard there was an active shooter at Clackamas Town Center, 12000 SE 82nd Ave, Happy Valley, OR within Clackamas County. I arrived a few minutes later deployed with my AR-15 rifle because from my training and experience an active shooter situation is very dangerous for myself and any persons in the area.

I met up with Deputy Manley, Detective Bray, and Sgt. Swanson at the upstairs south Macy's entrance. A man walked up to Deputy Manley and told him the shooter was a man with a white mask and his gun had just jammed and he was changing magazines. We formed a hunting cell with the four of us to find the shooter and began moving towards the mall. At the mall doors which were mainly closed we stopped to assess and saw what appeared to be a man lying on the ground on the right side in the mall with a blanket over him and a lot of blood pooled around his head. Looking across the open area in the center of the mall I could see what appeared to be a woman lying on the ground and security with some other people appeared to be doing CPR on her. We looked around for people running and listened for shots but the few people who were still around were not running, they were hiding in stores and no shots were heard.

We met up with another team made up of Officers from Milwaukie Police and began to head west in the mall clearing as we went. Once at the Sears escalators we went downstairs and worked back to the center of the mall by Macy's where the shooting appeared to begin. I helped with escorting people out of the mall. After SWAT teams cleared the mall I exited and was told to wait by the south doors to Macy's where the suspect's car, a green 1995 VW Jetta with OR license plates bearing VCZ648, was parked. After the bomb squad cleared the car I was told to tow it to the CCSO South Property Room inside storage area. I did this and took photos of the vehicle for Detective Copenhaver and sent them to him via e-mail. After towing the vehicle I notified Christine at CCSO Records. I cleared to write this report.

This use of force was approved by Sgt. Tutmark

### NARRATIVE:

On 121112 at about 1540hrs I arrived at the west side of the Clackamas Town Center. Earlier arriving units had assembled into teams and had entered the mall. I parked my patrol vehicle in the entrance to the parking lot so as to prevent traffic other than Police/Medical from entering the property. Detective Eggleston was also present.

I removed my patrol rifle from my vehicle and advanced into the parking lot. I began to clear people and their vehicles from the parking lots in the area. I was joined by Detectives Erichsen and Lee who assisted in this.

Once the parking lot was clear we were able to contact the manager of the Sears store at the West Sears entrance. He informed us that he was sheltering about 250 persons inside the store, and that none were injured. We entered the store and escorted the occupants out in groups. We then searched the entire store. We were relieved later by PPB SWAT.

## Deputy Mark Nikolai

NARRATIVE:

On 12-11-12 at approximately 3:30 p.m. and while at Brooks Building I learned from Sgt. John Christensen that there was an active shooter incident at the Clackamas Town Center. I responded with numerous other police units from the Brooks Building. While en route I learned that there were victims down and the suspect was described as a white male, wearing a white hockey mask and armed with a rifle and was last seen near the upper level of the Macy's Home Store.

I arrived at approximately 3:35 p.m. and heard the majority of police units were going to make entry into the mall from the JC Penney store. Since the suspect was last seen near the Macy's Home Store I made entry into the mall by way of the Macy's Home Store, which is on the second level to assist in the evacuation of customers and to lock down this exit as a means of escape for the suspect.

As I made entry into the store there were only a few people inside of the store, who I directed to leave the store. Of these customers no one had seen the suspect and I heard no gun shots or any other active shooter activity.

As I walked to the second level mall entrance from the Macy's Home Store I saw a clip to a gun lying on the mall floor and just in front of the Macy's Home Store. I also had contact with Sgt. John Christensen, Deputy John Gibson, and Detective Paul Wade who had made entry into the mall from the service entrance.

Deputy Mark Nikolai and other deputies arrived with us and we cleared the upper level of the Macy's Home Store and did not locate anyone.

During this time we learned that the suspect was down with a self-inflicted gun shot wound in a service corridor near JC Penney's.

I then assisted other deputies with a store by store search for any additional suspects or victims. During our search we located numerous stores that had been in "lock down" and which contained employees and customers. We directed these people out of the mall and to safety.

I was then directed to the command staging location for my next assignment.

Oregon State Police Detective Joe Skipper and I were directed to respond to the Clackamas Town Center Security Office to assist Detective Dan Smith in documenting the businesses that had been cleared by police personnel. During our contacts with the clearing teams we learned that several businesses were locked and could not be cleared.

Also, while at the security office I was asked by Detective Jeff Burlew to review Town Center Security surveillance video and the arrival of a green Jetta, which I learned belonged to the suspect. From reviewing the surveillance video I learned the camera that covers this location

in the parking lot is a panning camera and the actual arrival of the Jetta is not captured on surveillance video. In addition the camera also did not catch the suspect leaving his vehicle and walking into the mall. The surveillance video is able to document the approximate arrival of the Jetta within a few minutes since at around 3:24 p.m. or so there is an empty parking space and then when the camera pans back into this area the Jetta is parked and the suspect is already out of camera view. I asked security to save us a copy of this surveillance video for later retrieval.

During discussions with Lt. Strangefield and the head of mall security they decided that locksmiths would be called to assist in getting into any locked business that needed to be cleared.

At approximately 10:50 p.m. I was involved with Detective Joe Skipper, Detective Dan Smith, Detective John Krummenacker and two SWAT teams, which were directed by Sgt. Tony Kollias and three locksmiths in clearing the remaining locked businesses within the mall. We finished this detail at approximately 2:45 a.m. and did not locate any additional suspects or victims.

I cleared the mall at 2:59 a.m. and went off duty.

**ACTION TAKEN**

On 121312 at about 1220hrs I was flagged down by Jose at the Clackamas Town Center Taco Time inside the mall. He said he found part of a bullet while cleaning up the counter. Jose had already picked the bullet up and handed it to me. He found the bullet piece on the rear front counter top, directly behind the small stainless steel sink. I sized this item and later logged it into the property room as evidence.

I cleared with this report.

### ACTION TAKEN

On Tuesday December 11, 2012, at 1529 hours, I heard Deputy get dispatched to a shooting incident at the Macys store in the Clackamas Town Center mall. I was nearby at the intersection of SE Sunnybrook Blvd and SE 93<sup>rd</sup> Ave and notified dispatch I would respond with Deputy Gibson. While we were en route to the mall, dispatch notified us this was going to be an active shooter incident with a male suspect armed with a rifle currently shooting at people in the food court of the mall. I also heard one of the Transit Police officers broadcast that he saw a multitude of mall customers running out of the mall.

At about 1530 hours, I arrived at the mall and set up on the northeast corner between the Macys store and JC Pennys to wait for additional units to arrive. I could see several customers quickly exiting the mall and running away from the building out into the parking area. Shortly after I arrived, Deputy Gibson, Sgt. Christensen, Detective Wade, and Sgt. Linland arrived at my location and we entered the mall to locate the shooter.

We entered through Service Corridor 13, which in on the upper level between Macys Home and JC Pennys. This service corridor brought us out directly in front of the Macys Home store. When we opened the corridor doors to access the mall concourse, I saw what appeared to be a black rifle magazine consistent in appearance for use with an AR-15 type rifle. When we got onto the upper concourse, Sgt. Christensen and Sgt. Linland went to the left toward JC Pennys and the rest of my group set up to go into Macys Home as that was the last know location where the shooter was seen.

Once inside, my group was met by Deputy Nikolai, Deputy Nashif, and Deputy Hattan. We set up and began to clear through the Macys Home store. As we cleared through the store, I heard a radio broadcast that the suspect had been found in a lower level service corridor and appeared to be deceased from a self-inflicted gunshot wound.

We finished clearing through the store and joined up with several deputies and surrounding agency officers on the upper level concourse. When we came back out to the concourse I went back by the magazine on the floor and noted it appeared to be black plastic and saw it was still loaded with an unknown number of bullets.

We divided into groups and began clearing the upper level, searching for any possible additional suspects, and headed west through the mall. As we cleared each store we escorted store employees and customers out who were still locked inside. The group I was with worked our way along the south side of the concourse. When we reached the storefront for the Macys store, I saw what appeared to be male adult victim lying on the floor of the upper concourse next to a business kiosk.

The male was lying on his back and covered with a blue sheet. I saw his head was oriented to the north and saw a large pool of blood emanating from his head. The top of his head was uncovered and I could see it appeared he had been shot in the head. Around the male victim, I saw many empty bullet casings consistent in appearance with .223 round used in an AR-15 rifle. To the east of the Macys storefront, near the center of the concourse, I saw an intact unfired .223 round on the floor. I also saw a metal rifle magazine on the floor within a few feet of the unfired bullet. From a distance I saw the metal magazine was loaded with an unknown number of bullets.

We cleared through the upstairs of the Macys store and found nobody inside. I then made my way out of the mall and went back to the command post. I then went to the southeast mall entrance near the lower level entrance to Macys and posted there to relieve the Portland Police Bureau officer who had been posted there. I was relieved from my post shortly before 2000 hours and checked out at the command post.

At 0200 hours the following morning, I returned to the Clackamas Town Center and assisted with scene security for the duration of the day, clearing from the mall at 1600 hours that afternoon.

## NARRATIVE:

On 12/13/2012, I was assigned to work a security detail at the Clackamas Town Center. This was shortly after the first time tenants were allowed into the mall to check on their stores. I was contacted by Mr. Sullivan who told me he found a bullet fragment in one of the stores. He handed me the remains of a bullet fragment and I asked him to show me where he located it.

He led me to a store called "Tully's" and introduced me to Ms. Boone. She told me she located the fragment in a display case near the wall. She showed me an area where it appeared a bullet had ricocheted off some glass, after having passed through a wall. I seized the fragment and continued my patrol. I was contacted by Ms. Boone a short time later stating she found more. I

returned to the store and found some small metal fragments. I seized them and later placed both fragments into the property room as evidence.

## NARRATIVE

On the stated date and time I responded to the Clackamas Town Center on the report of shooting inside the mall. Upon my arrival several response teams were already inside the mall. I grabbed my medical kit and prepared to treat any casualties. Sgt Thoroughman arrived and also had a medical kit. I gather Officer Hobbs from the Portland Police Bureau, an unknown Oregon State Trooper and an unknown Sgt from Milwaukie police.

Our team entered the eastern doors of JC Penny as it was the closest entrance to us. An employee from JC Penny unlocked the exterior and interior roll up door for us to pass through. We continued on the second floor along the south side of the mall. We continued to the front of the Macy's store where we encountered Mr. Forsyth. He was obviously dead with a major injury to the head. A member from another team got our attention and pointed to another victim. We crossed to the north side of the mall and I saw Ms. Yuille. She was lying supine, face up. Her eyes were open, and pupils were fixed. I noted an approximant 3-4 inch hole in her chest, which appeared to be an exit wound. She was not breathing and had no pulse. A female, unknown to me, came out from an adjacent store and identified herself as an emergency room doctor. She told me she had examined Ms. Yuille, but there was nothing more to do.

I then posted my team central of the mall and advised the other teams to notify of any casualties we could respond to. After it appeared there were no additional injured, our team assisted the other teams with evacuating people who had locked and/or hidden themselves in various stores.

### NARRATIVE:

Sir,

On 12/11/12 at about 1530 I heard the report of an active shooter at the Clackamas Town Center over the radio. I was located at the boathouse. I immediately proceeded code 3 to the scene, advising C-Com on net 2 while enroute.

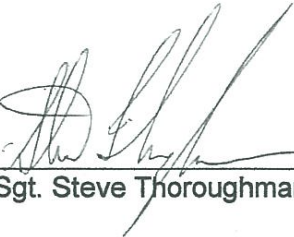

I arrived at the command post located at the Tri-Met parking structure and since there were several teams hunting in the mall I equipped myself with my medical bag and partnered with Sgt. Wurpes and 2 others from Portland to treat wounded. We entered the mall upstairs at the Penny's Store and did a sweep of the mall without locating any wounded. After completing the sweep of the mall and requesting any information regarding wounded I returned to the command post and made myself available for any details required.

At roughly 2000 I was assigned to find replacements for and relieve any day shift personnel and find volunteers to keep an inner and outer perimeter for the night and following day. I remained on-scene and supervised the perimeter until 0700 when I was relieved by Sgt. Schoenfeld.

## NARRATIVE:

On 12/11/12 I responded to the Clackamas Town Center for the report of an active shooter. I assisted in a team of about 10 officers in clearing the cinema section. There were about 12 people had been watching movies that were asked to leave without incident.

I entered the cinema through the doors that are just East of the concessions area of the cinema. The door had already been locked and were opened for us by a manager for the cinema. While in the cinema I noted beverage and food items spilled on the floor as if people had left where they stood and then fled. I could see into the mall area that was secured by a chain style door. I saw about 12 officers from various agencies walking around but saw no civilians.

Detective Jeff Burlew  
Clackamas County Sheriff's Office

I was then asked to Canvas the parking lot for witnesses. Dep. Shellans and I walked the perimeter of the parking lot and contacted several people who had been near the mall at the time of the incident.

At about 1700 hrs I contacted Rok Kim, [REDACTED] seated in his white full sized van near the Macy's Home store. He said he had already provided a statement to another officer. He said he is the owner of the Trend store. He said he was taking items to the dumpster near Kitchen Collection today when he saw a man wearing a white mask point a rifle at him. Mr. Kim thought it was a Halloween costume and basically ignored the man as they passed by each other. He described the man as being about 67 inches with a medium build. Mr. Kim had no further information.

I did not locate any other witnesses in the parking lot and cleared the scene at about 1805 hours.

COMPUTER ENTRY	On 121112 at about 1550 hours I arrived at the Clackamas Town Center on a report of an active shooter incident. On arrival I parked near the REI store on the lower level. Shortly after my arrival Deputy M. Nunn and an OSP trooper placed a wounded female in the back seat of my vehicle. I saw that the female, identified as Kristina Shevchenko, was wounded on her right side and that the wounds appeared to me to be a through and through. I noted that Kristina was with a friend, Alyana Chukhrii, who was not wounded. Medical arrived shortly and began administering aid to Kristina. A short time later Kristina's father, Veniamin Shevchenko, arrived to go to the hospital with Kristina. Kristina was transported to OHSU.							
	At about 1705 hours I arrived at the transit police office in the parking structure near the MAX station. At about 1710 hours I interviewed witness Gene Large Jr., who told me that at about 1545 hours he was outside Zumi's with his girlfriend, Corrine Marie Cremeen [REDACTED] and Corrine's daughter, Amanda Tucker (21 Y.O.A.). Mr. Large told me that he heard a "pop" and then more "pops." Mr. Large told me that Amanda ran into Zumi's. Mr. Large told me that he saw the shooter and described the shooter as dressed in all black with a white hockey mask. Mr. Large told me that the shooter as about 5'9" to 5'10" tall, medium build, dark hair and that he "looked like a white" male. Mr. Large told me that he does not remember seeing the gun or the shooter's hands. Mr. Large told me that the shooter stopped "right across" from Zumi's on the second

**ACTION TAKEN**

On December 11, 2012 at approximately 1700 hours I was on duty, training at the Clackamas County Sheriff's Public Safety Training Center when I was assigned to intake family members associated with the shooting at the Clackamas Town Center Mall. If family members were separated from one another during the shooting or had family at the Town Center during the shooting and were unable to reach them, they were directed to rendezvous at the Training Center.

I gathered contact information from the family members as they arrived and linked them with TIPS volunteers who provided peer support and showed them to a waiting area. The first three people that arrived were Carla Forsyth, her daughter Katie Hughes and Carla's brother Paul Kemp. I took a statement from Carla and she told me she was looking for her husband, Steve Forsyth, who had been at the Town Center during the shooting. I had Carla, Katie and Paul meet with a TIPS volunteer and directed them to a waiting area.

I contacted Priscilla Phelps who explained that she had not heard from her daughter, Talicia Phelps, and was unable to get a hold of Talicia by phone. Priscilla said Talicia was likely with her boyfriend Cody Brown and may have been at the Town Center when the shooting began. Priscilla told me Cody's parents were on their way to the Training Center as well. I took down Priscilla's information and directed her to a TIPS representative. A short time later Rebekah Graham and Robert Harman, parents of Cody Brown, arrived at the training center. I let them know Priscilla Phelps had arrived just before them and was also waiting to hear about Cody Brown and Talicia Phelps.

I later learned that Steven Forsyth had been one of the victim's who was shot and killed during the shooting at the Town Center. Steven's family, Carla, Katie and Paul were notified about Steven being killed and were assisted by a Chaplain. I later received information that Talicia Phelps and Cody Brown had been located so Priscilla Phelps, Rebekah Graham, Robert Harman were notified so they could reconnect with Talicia and Cody.

**STATEMENTS**

Forsyth, Carla Marie

Carla told me she had been at the Town Center with her daughter and brother and was separated from her husband, Steven Forsyth, who was in another part of the Town Center when the shooting began. Carla said Steven worked at a business called "Coastums" which he was at when the shooting started. Carla said Coastums was a kiosk located in front of Macy's in the Town Center.

Phelps, Priscilla Anne

Phelps told me she had been at work and received an email from Talicia at approximately 1224 p.m. Phelps said when she arrived home after work at approximately 4:30 pm, Talicia was not there and Phelps was unable to get a hold of her by phone, which was unusual. Phelps assumed Talicia and her boyfriend, Cody Brown, were together and had gone to the Town Center. Phelps told me Talicia was an African American female and had developmental disabilities. Phelps told me Cody Brown had Aspergers Syndrome.

Page 3 of 3	CLACKAMAS COUNTY SHERIFF <b>SUPPLEMENTAL REPORT</b>	Incident # <b>12-36745</b>

Leyvas Sujia, Araceli [REDACTED]

Leyvas Sujia told me her cousin, Marion Sujia Leyvas, worked at Macy's inside the Town Center and was at work during the shooting. Araceli was concerned because she was unable to get a hold of Marion by cell phone. Araceli said Marion had sent her a text from inside Macy's and had then stopped responding by phone. Araceli said she received a missed call from [REDACTED] a Macy's land line. Araceli called the number back but the person who answered said Marion was not there.

At that point, I had information about the injured people from the shooting and knew that Marion was not injured. I asked Araceli if there were any places where Marion may go and she said Marion may have gone to a boyfriend's house. Araceli did not have the boyfriend's number so I directed her to go to the boyfriend's house in search of Marion. I told Araceli it was likely that Marion may have lost her phone during the incident and this was the reason she was not responding.

I contacted several family members and employees from the mall who came to PSTC. Refer to their statements for further information.

**STATEMENTS**Statements from (M)Karen Scrutton and (M)Joan Smith

I first contacted Karen and her husband (M)Gene Scrutton. Karen told me she has been in contact with her mother, Joan, who said she was enroute to PSTC by bus. Karen said her mother told her she performed CPR on the woman that was deceased. She also mentioned that her father, (M)Don Smith, was with Joan at the time of the incident inside the mall near "Santa."

A short time later, Joan arrived at PSTC and was contacted by members of TIP and the chaplain. Joan briefly told me she was near the female who died. Joan said since she was a retired nurse, she attempted CPR and first aid. I was not able to find out where Joan's husband was located.

Statements from (M)Max Wall

I spoke with Max who stated his was unable to contact his wife, (M)Christina Wall. He said she was supposed to be getting a haircut at an unknown location inside the mall. He has attempted to call her several times and checked their residence to see if she has arrived home. I told Max that I received information that his wife was not one of the victims. He said he would go back home and wait for her there.

Statements from (M)Nicholette Bannister

I spoke with Nicholette who said her daughter, (M)Jasmine Rodriguez-Romero was at the mall earlier. She said she is not able to contact Jasmine. According to Nicholette, she does not have custody of Jasmine as she is a ward of the state and is currently placed in foster care. **Narrative:**

On 12-11-12 at 1529 hours I heard a call of an active shooter at the Clackamas Town Center at 12100 SE. 82<sup>nd</sup> Ave, Happy Valley, Oregon. I arrived at about 1532 hours.

I arrived on the south side of the mall near REI. Upon arrival I saw the scene was starting to get chaotic. I saw numerous people scrambling from the mall exits and people seemed to be in a trance on what to do. I began directing people to leave the area as I readied to go inside the mall as a hunting cell.

I ran to the mall entrance and heard Deputy Manley relay information that he had obtained that the shooter was dressed in body armor and reloading his AR15. It was then it began to set in that this was the real deal that we have trained for.

I entered the lower south side entrance to the mall with Lt. J. Smith, Deputy Nashif and someone else. Upon initial entry I saw there were multiple citizens running from all directions. I immediately heard two loud bangs noises coming from an unknown location. I could not determine if they were gun shots or something else. Deputy Nashif took the lead as we entered the main area of the mall. We began directing citizens to the exits as we continued our search listening for indicators of where the suspect was at. At one point I heard one loud bang noise, again I could not tell if it was a gun shot or something else.

Deputy Nashif, Lt. Smith and I heard a broadcast that the suspect was last seen on the upper level of Macy's and was reloading. We met up with another hunting cell of deputies and police officers from PPB and rode an escalator to the upper level, from there we split into two hunting cells.

Deputy Nashif, Lt. Smith and I headed towards the mall entrance to the Macy's Home Store where we located one partially loaded AR15 magazine lying on the floor outside of Macy's. There was no time to worry about securing it because of at this time the suspect had not been found and there was information of possibly two armed suspects.

Deputy Nashif, Lt. Smith and I held a position of cover as I looked over towards Morgan Jewelers which is a business located near the AR 15 mag and near Macy's. I saw a male subject later identified by a News KGW as Mr. Nick Meli. I saw Mr. Meli was wearing a gray t-shirt, blue jeans and was holding something in his hands. Mr. Meli was waving at me to come to his location. I quickly approached him and it was then I saw he was holding a Glock handgun in his hands. I pointed my AR 15 at him and demanded he tell me who he is and that if he did anything in a threatening manner I would shoot him. He quickly told me he was a security guard and had information about the suspect. Being we were in a jewelry store, and he was hiding near a back room, I assumed he was a security officer for Morgan Jewelers.

Mr. Meli told me he had seen the suspect armed with a rifle. He said the suspect was completely dressed in black and wearing a white mask which fit the initial description broadcasted earlier in the call. Mr. Meli said he was with his girlfriend and a child. He said he directed his girlfriend and child to leave the mall as he stood and watched the suspect attempting to either reload or fix the rifle. He said, "He was trying to reload it, however I think it jammed." Being the search for the suspect(s) and victims was still the most major concern and no time to worry about getting names, I released Mr. Meli and told him to put his gun away and leave the mall as I believed he was not a threat or connected to the shooting.

Macy's Home Store is a very large open area business with many hidden areas comprised of displays, hallways and counter display areas. Being this was such a large area to search, and not knowing if there were still other victims or suspects, I took the roll as a team leader for the clearance of the store. I organized three teams of 5 and asked one person from each team to be a cell leader. I formulated a plan that we would do a push through the store, working from one end to the other. I directed each team where to go and to hold in position when needed. The plan worked well and we used that basis of the search for the rest of the businesses we would search later in the hunt for suspect(s), victims, and civilians. The method worked well because one person was able to direct the flow of the search and keep it organized under a stress situation.

I moved with the rest of the teams through the mall where we located the victims later identified as Mr. Steven Forsyth and Mrs. Cyndi Yulli. I saw both victims had been shot an unknown amount of times. I saw located near their bodies were numerous empty .223 caliber shell casings. Again due to not knowing if there were other suspects, victims or citizens in hiding, there was no time to worry about collecting evidence, more emphasis was on securing the mall.

I assisted in clearing many other businesses and cleared the mall at about 2030 hours.

I came back to the mall at 0250 hours to assist in scene security. I held a post to the south side entrance of the mall near Claim Jumper. I was relieved by Deputy Scaffer at 0700 hours.

### ACTION TAKEN

On 12/17/12 at about 0104 hours, I was dispatched to the Clackamas Town Center, located at 12000 SE 82nd Ave., Happy Valley, OR 97086, to a report of more evidence located from the shooting on 12/11/12. Security Officer Joshua Gray had left a closed envelope that was reported to contain bullet fragments found in the drywall near the food court. The dispatcher on duty advised Mr. Gray had found the fragments between the men's restroom and the baby changing room on the west side of the food court.

I took photographs of the area Mr. Gray was reported to have found the fragments and left a copy of the PIC with the on duty dispatcher. I submitted the fragments and photographs into evidence and cleared with this report.

**ACTION TAKEN**

On 121112 at about 1600hrs I responded to the Clackamas Town Center to assist with an active shooter incident. While I was at this call I was asked by command to enter the town center and escort all of the mall managers out of their office where they were barricaded. I took Officer Wells and an unknown State Trooper with me. We entered the mall through the loading dock by the security office. We went down the stairs right inside this entrance to the lower level in the service hallway.

At the bottom of the stairs was the back door to the management office. We knocked on the door and made contact with about 15 adults and children. We escorted them up the stairs and out through the same loading dock. I saw nothing in these areas that would be considered evidence. Later I went with Deputy Miller around the outside of the mall to lock and secure all outside mall doors.

I cleared with this report.

<p>On 121112, I was directed to respond to Clackamas Town Center concerning a shooting inside the mall. I responded as part of my assignment as a member of the Crises Negotiation Team. Upon arrival, I became aware of AMBER TATE standing nearby and Sergeant King directed me to interview her.</p> <p>AMBER TATE explained that she had been in the parking lot at the time of the shooting and had seen the suspect run into the mall carrying a rifle. AMBER TATE said she, along with her husband, mother-in-law and small child left in their car and returned after hearing on the news the police wanted to talk to witnesses.</p> <p>AMBER TATE stated that she, her husband, child and mother-in-law were all shopping in the Town Center and had finished. They were getting into their vehicle when AMBER said she saw the suspect running through the parking lot between rows of cars carrying a gun. AMBER added she was in the area of MACY's on the top floor of the parking lot.</p> <p>AMBER stated that she had very little knowledge about guns but described it as being "long". I then asked if it was like a rifle and she stated it was. I then asked her if it was a rifle like you would see a military person possess. She stated that it was. She also described the rifle as being black in color. AMBER stated that she thought the person was young and described him as being approximately 5'9" with a thin build. AMBER stated that the suspect had a hockey mask on that was white in color and she did not see his face. The witness did state that she saw his skin tone adding that he had a light complexion and she assumed Caucasian. She additionally described him as having dark hair and black clothing with possible camo.</p> <p>AMBER said the person ran directly by her describing it as being close enough to touch him. She also recalled the person with the rifle slightly slowed as he ran by her and looked directly at her. AMBER then saw him running to the entrance of the mall and pass by a person ringing a bell for donations. AMBER stated the person ringing the bell ran from the area.</p> <p>AMBER stated that she told her husband that she wanted to get her child away from the mall and he loaded the family in the car and began to drive away. that approximately one to two minutes after the person went into the mall. She saw people running out of the mall. She stated that she did not hear gun shots.

The witness did not see where the person had come from prior to running by her. She did not see anybody associated with him or a vehicle associated with him.

AMBER stated that she took her mother-in-law and child home and she and her husband returned after hearing media request for witnesses to contact the police. The witness said that her mother-in-law did not see the suspect run by due to the fact she was dealing with her grandchild as they were putting him in their vehicle. AMBER

We made the command center aware of the witnesses' statements and I was then directed to write this report. I will forward to Clackamas County Sheriff's Department.

<b>MENTIONED / NARRATIVE / CASE STATUS</b>							
On 12/11/2012 at about 1600 hrs, I was called to assist Clackamas Count S.O. on an incident where Deceased, Jacob Roberts entered the Clackamas Town Center and shot several people.							
On the same date at about 1710 hrs, I arrived at the Town Center parking garage and was contacted by Mr. and Mrs. Zamudio. Mr. Zamudio was holding their small child. They told me that they were told by a police officer to go to the parking garage. I asked them if they were in the mall when the shooting started. They told me they were. They said that they were shopping at the M&H store when they hear a loud bang. They said that a few seconds later they heard a series of 8 or 9 bangs then glass shattering. They told me that the ran to the back of the M&H store and hid until police told them it was safe to leave. They told me that they did not see the shooter nor anyone that was shot.
