Hernandez, Miguel
DOB Unknown
Address Unknown
[REDACTED]

NARRATIVE:

On 12-13-12 at the 10:00 briefing regarding this case, I was assigned to contact Miguel Hernandez regarding a possible tip. Per Detective Copenhaver, Lloyd Center Security Officer Lt. Pruitt advised Miguel is an employee at a kiosk at Lloyd Center. Miguel told Lt. Pruitt he saw a post on Facebook about a similar type shooting possibly occurring at Lloyd Center. Miguel didn't want to talk to the police and he works at a holiday kiosk selling musical instruments by the lower level of Macy's. Finally, Lt. Pruitt's contact number of [REDACTED] was provided.

At 12:11 pm Detective Fryett and I made contact at this kiosk at the Lloyd Center with a female employee. She didn't know where Miguel was as he was supposed to have been there earlier. She called Miguel and handed her phone to me. I identified myself to Miguel and explained I wanted to talk about what he saw posted on Facebook. Miguel said he would be there in an hour and gave me his cell phone number.

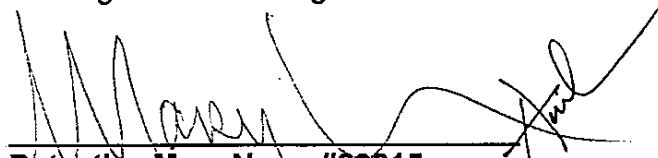

Since we were in Portland, Detective Fryett and I went to lunch at the mall. We then sat at the table and chairs next to the kiosk to wait for Miguel. I saw the female on the phone after she saw us and approached her at 1:15 pm. She told me Miguel has not shown up yet and he told her he would be there in 30 minutes. She added he has been saying that since 9:00 am. I left my card with her to give to Miguel.

At 1:20 pm, Miguel left a message on my voicemail advising he was there now and left his number.

On 12-20-12 at 8:28 am, I called Miguel and he answered. He told me he couldn't talk now as he was sleeping because he got in late last night. I tried giving my number to him to call back but he said he still had my card. He would call me later. At the time of this writing, Miguel has not called back and I'm not making any further attempts to contact him.

NARRATIVE:

On 12-11-2012 I made contact with Ms. Mix inside the Gentle Dental at Clackamas Town Center, 12000 SE 82nd Ave. Happy Valley, Or 97086.

Ms. Mix was visibly upset.

A handwritten signature in black ink, appearing to be "JB", is located at the bottom right of the page.

Ms. Mix told me she was inside Forever 21 on the lower level when she heard a noise that sounded like thunder, and saw a girl plugging her ears. She said someone was yelling about a gun so she ran to the back of the store and hid behind some clothes.

Ms. Mix told me she tried to call 911 but could not get a connection due to the terrible service she has inside the mall.

Ms. Mix told me she heard the emergency exit alarm going off so she got up and went out the door and was in a service corridor and turned toward JcPenney to try to run out of the building.

Ms. Nix said as she neared the door she saw "blood all over the floor" and then she saw a person there lying next to a long black gun.

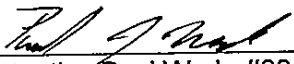

I asked Ms. Mix if she could tell me what the person was wearing or what they looked like. Ms. Mix told me she was unable to look at the person. Ms. Nix said she turned around and ran back to the Gentle Dental door and pounded on it asking to be let in.

Ms. Mix said she heard some discussion on whether or not to let her in and after a few seconds the door opened and she was brought inside the business.

Ms. Mix told me she didn't have anything else to add. When I evacuated the business Ms. Mix was escorted out with other patrons.

Officer Carol
Portland Police Bureau

Detective Scott Eggleston
Clackamas County Sheriff's Office

NARRATIVE:

On 12-11-2012 at about 1945 hours Detective Eggleston and I responded to the 7-11 located at SE 82nd Ave. and SE Flavel. PPB Officer Carol was on scene with Mr. Cates. Mr. Cates was reporting the theft of his AR-15 rifle from his home and thought his rifle may be the one that was used at Clackamas Town Center.

At our arrival I received the serial number and maker of the gun from Mr. Cates. I contacted the command post and spoke with Sergeant Anderson. I was told the rifle Mr. Cates was reporting is the same rifle that was used at the Clackamas Town Center.

Detective Eggleston and I interviewed Mr. Cates. (See report by Deputy Eggleston)

After the interview was complete we responded to [REDACTED] Portland. I rode in Mr. Cates car with him. Mr. Cates had agreed to allow Detective Eggleston and I look inside his home.

At our arrival Mr. Cates brought us into the house and took us to his living area which was in the basement.

I noted there was an empty rifle case and a loaded magazine for an AR-15 rifle. Mr. Cates told me these were for his rifle but his rifle had been inside his closet area. Mr. Cates showed me where the rifle had been. Mr. Cates told me there had been one full magazine inside the rifle but there had not been a round in the chamber.

Mr. Cates also noted there was a missing guitar case downstairs. I saw a guitar leaning against the wall in the entertainment room. Mr. Cates said the guitar had been inside a case.

Mr. Cates told me Mr. Roberts had given him an Xbox last night and told him he could have it. I checked the Xbox for stolen and it checked clear. I know an Xbox can be used to access the internet. I told Mr. Cates that I would like to seize the Xbox to have it examined by Computer Forensics. Mr. Cates told me that would be fine.

I gave Mr. Cates a receipt for the Xbox, Rifle case, Rifle magazine, and his original purchase receipt for the rifle. Mr. Cates had brought this receipt with him when he had originally contacted Portland Police about his stolen rifle.

Detective Paul Wade
Clackamas County Sheriff's Office

I noted Mr. Cates had ammunition for the rifle that was still at his residence.

Mr. Cates accessed his Facebook account and looked at Mr. Roberts's page. I didn't see any ominous postings by Mr. Roberts and the last posting had been November 30th, 2012 and referenced him moving to Hawaii.

Mr. Cates identified the other roommates that live in the residence but none of them were there at the time to contact.

Detective Eggleston and I thanked Mr. Cates for his help and cleared the scene.

West, Jessy Lee

NARRATIVE:

On 12-26-12 at 1:58 pm I called Jessy West in response to Tip #190 from this case. I identified myself to Jessy and asked if he had called in a tip. He said he didn't but his dad called it in. I asked Jessy what he knew about the shooting at the Clackamas Town Center. Jessy told me when he went out of the Foot Locker and towards the food court, he saw the lady shot on the ground and glass was shattered. People were trying to help the lady. He didn't see anything else pertinent to the case.

I asked Jessy about a guy with a gun on the bus referring to the information in the tip. He said there was a guy on the bus he was on after the shooting who said he had a gun. He doesn't know who this guy was, had never seen him before and hasn't seen him since. He didn't see a gun.

Jessy had no further information and didn't see the shooting occur. He doesn't know any of the people involved in the incident. I thanked him for his time and ended the call.

McLain, Lila Mabel

[REDACTED]

NARRATIVE:

On 12-26-12 at 3:22 pm, I called Collette McLain in regards to Tip #198. She wasn't available per her mother Lila so I started to leave a message when Lila told me she was with Collette and her husband when the shooting occurred. I took a statement from Lila.

I asked Lila what she saw and she explained she and her husband were sitting at a table in between Seattle Coffee and the escalator to the lower level in the food court at the mall. Their daughter Collette came up the escalator and joined them. Lila said she heard the shots and she and her daughter saw the man go down.

Lila said she tried to get her husband to the ground and she looked up to see the shooter leaving towards JCPenney's and the other Macy's. She noticed him because he was the only one moving. She saw him turn around and saw his mask and his gun pointed down towards the lower level. Lila said she tried to get her husband on the ground as he is in a wheelchair and has back issues and Alzheimer's.

Lila said the man was then gone and she saw the shattered glass by the escalator near them. I asked if the man was with anyone and she said no he was alone as far as she knew. I asked if he said anything and she said no, she didn't hear him say anything. I asked how many shots he fired and Lila said six or eight maybe. The shots were so rapid it was hard to keep track. She heard someone say 30 shots but she knows not that many.

I asked Lila if she had any further information and she said at first she thought it was a gang shooting but then she saw just the one man shooting. I thanked her for her time and we ended the call.

Smith, Marilyn Jean

NARRATIVE:

On 12-27-12 at 9:15 am, I called Marilyn Smith in regards to Tip #250. Her husband Delbert had called in for her advising she works at Macy's, she saw the shooter run past her then heard the shots. A male answered the phone and advised Marilyn wasn't available and took my information for her to call back.

At 9:36 am Marilyn returned my call and we were able to talk. She confirmed she was working at Macy's when the shooting occurred and she still works there. She said it was difficult to go back to work after the shooting but it's getting better over time.

I asked Marilyn to explain what she saw on the day of the shooting. She saw the shooter come in the south entrance. She was working in the accessories department which is on the west side of Macy's near the south entrance. She was putting socks away.

Marilyn said she heard running and looked up. She saw the shooter who was six to eight feet away from her and he was running very fast. She and another co-worker watched him until they couldn't see him anymore as the aisle he was running on curved. Marilyn and her co-worker exchanged the words of did you see that and they both saw he was wearing a white mask, what they believed to be a bullet proof vest and he had a gun.

Marilyn said a customer said they should call security and before she could move, she heard shots. He didn't shoot in the area of Macy's that she could see but the shots were so loud it sounded like they were in the middle of the store. She confirmed she didn't see the shooting.

I asked Marilyn if the shooter was with anyone and she said no, he was alone. I asked if he said anything. She said no, it was like he was focused. She further explained it was like he had tunnel vision to the mall. He didn't look right or left, he came in and ran straight ahead. Marilyn said she heard a rumor that he told someone "I am the shooter" but she didn't hear it.

I asked Marilyn how many shots she heard. She said before she ran into the stock room there were 10 to 12 shots. Once she was in the stock room, she heard ten to twenty more then it all stopped.

I asked Marilyn if there were any other details she thought we should know and she said that was pretty much it in a nutshell. She saw the shooter, he ran, heard the shots then dead silence. Marilyn said she came out of the stock room and checked for anyone in a dressing room. There was no one there and she went back to the stock room and rejoined the girl from Sunglass Hut. This girl went to get her phone

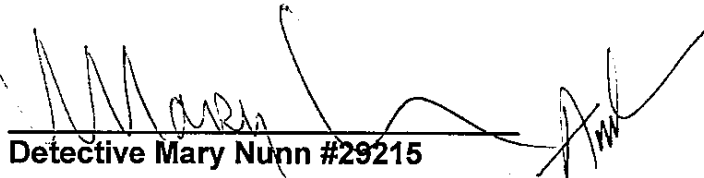

then they went outside to the parking lot. Marilyn called her husband and said the time was 3:33 pm.

I thanked Marilyn for the information and advised she could call me at any time if she thought of anything else she felt was relevant. We then ended the call.

Michaelis, Paige E' Lane**NARRATIVE:**

On 12-27-12 at 9:18 am, I called Paige Michaelis in regards to Tip #259. She had advised she works at Teavana on the lower level of the mall when the shots happened and saw the suspect walk by.

Paige told me she was sitting below the food court on the lower level by the koi pond. She heard the shooting and ran to her store and got everyone into the back room. She peeked out and saw the shooter walking towards them. He was wearing dark clothes and it was eerie because no one was there and Christmas music was playing. She said she saw the barrel of his gun.

Paige said when she got everyone into the back room they grabbed tea pots, hot water and anything they could use as a weapon. She said from the back room, she saw the shooter walk right past them. Then the security or police came and got them out of there.

Paige said her store is located on the lower level of the mall and the suspect was on the lower level. Her store is located next to the main Macy's store, not the home store. She thinks the shooter came down the escalator from the Nordstrom's end of the mall to get to the lower level because he didn't use the escalator by the food court.

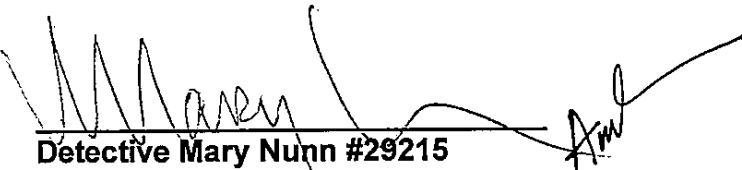

Paige said she heard maybe 10 to 15 shots fired and it was really fast. The shooter was by him when she saw him. He didn't say anything. She thought he looked really pale and mentioned she is very fair skinned and he was paler than her. She thought this was weird because on the news, the shooter looked possibly Hispanic.

Paige said she didn't know the shooter or anyone involved. She lives in Arizona and was in Oregon a month to help at this store. Her job is to travel to their stores.

Finally, Paige said no one said anything noteworthy while they were hiding. People were crying or calling 911 and friends. I thanked her for her time and we ended the call.

Balcom, Lori Lynn

NARRATIVE:

On 12-28-12 at 9:45 am, I spoke with Lori Balcom regarding Tip #138. The tip advised she was at a gift wrapping table outside of Macy's and heard gun shots. She hid under the table with a co-worker and saw the suspect and gun clip fall out, then he went into Macy's.

Lori confirmed she was at the gift wrapping table which was in front of the Macy's home furniture store. This store is located east of the food court, on the north side of the upper level.

I asked Lori what happened first. She said they were hanging out and had just wrapped some gifts. She heard something like tables falling like dominoes from the food court area. She then heard screaming and then more "boom boom boom". She said there were three of them working and they went under the table.

Lori said it was then dead silence. She heard shuffling of feet passing by them but she didn't see anything. She said her co-worker saw the suspect with a mask and a gun. Lori said she heard something drop then she heard people on walkie talkies. She looked out and thought they were safe people. They told her the suspect was in Macy's and to get to the food court so they went.

While going through the food court, Lori saw people hiding under tables. There was lots of security, about every twelve feet who were very calm and helpful. They directed them out of the mall. Lori waited across the street by the apartments until she was able to retrieve her car and leave.

I asked Lori if she heard the shooter say anything. She said no, she just heard shuffling of feet and then a ping, no words. I asked how many shots she heard. She said the first round, maybe ten. The second round there were maybe ten more shots. She said there was only one person when asked how many people she heard referring to the suspect.

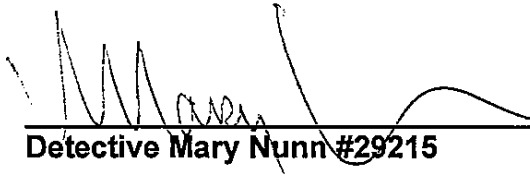

I asked Lori if there was anything else she thought we should know that she hasn't heard on the news or from others. She didn't think so except it all happened so quickly.

I thanked Lori for her time and we ended the call.

Loveland, Terry Gene

NARRATIVE:

On 12-28-12 at 9:22 am, I called Terry Loveland in response to Tip #107. He told me he did see the shooter. He was at JC Penney's shopping and then went to Hallmark to get stamps to pay his bills. He heard a noise and went towards Zale's jewelry store. He looked across the way and saw the shooter in front of Morgan's jewelry. He saw the gun and saw the shooter run through Macy's on the upper level. It was the Macy's home furnishing store.

Terry said he saw the white mask and said he "was shaking it". I asked what the suspect was shaking and he said the "A15". He said he doesn't know much about guns and thought the suspect had a rifle. He heard it was really an A15.

Terry said the shooter was by himself. I asked how many shots he heard. Terry said he doesn't think it was 60 like he has heard people say. He thought he heard 15 shots. He described it as pop, five or six more then quiet then a few more shots.

Terry repeated he saw the white mask and dark clothes. The shooter looked back and forth, was shaking it and then he left. He didn't see another gun and thought the shooter looked to be by himself. He didn't hear any words out of the shooter's mouth.

Terry said he works at the mall at the Fred Meyer jewelry store on the lower level. He had nothing else to add and I thanked him for his time.

NARRATIVE:

On 12-28-12 at 8:41 am, I called Hannah Michalsky in response to Tip #269. She told me she was there the day of the shooting. She works at Macy's in the women's shoe department and that's where she was during this incident.

Hannah said she heard running footsteps and looked up. The shooter was past her by then but she saw the mask and saw the gun. She thought to herself that no one can get here fast enough and then he started shooting. She didn't see the shooting, just heard it. Hannah confirmed she didn't see anything after he had ran past her.

I asked Hannah how many shots she heard and she thought about six. She ended up going to her manager's office with others. In the office, it was dead silence and they didn't even hear the announcements.

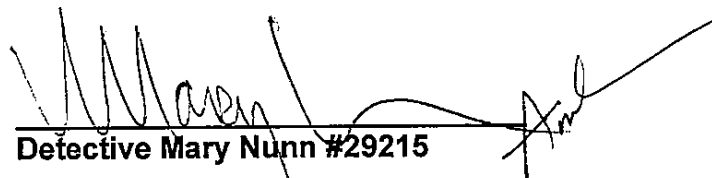

I asked Hannah if anyone was with the shooter and she said no. I asked if he said anything and she said no. I asked if she recognized him and she said no, adding he was running pretty fast.

I asked Hannah if she heard anyone say anything that was peculiar or noteworthy and she said no. She said she asked a co-worker if that was a real gun who answered that it can't be. I asked if there was anything else she thought we should know. She said to her it sounded more like pop, pop, pop not bang. She could tell he made it to the mall and was out of Macy's when he shot.

I thanked Hannah for her time and we ended the call.

Atterton, Shayne Mykal

NARRATIVE:

On 12-28-12 at 9:13 am, I called Shayne Atterton in response to Tip #103. His girlfriend had called in the tip on his behalf as he was refusing to call due to trauma. Shayne said he would talk to me and said he was there and saw the suspect start shooting. He was coming out of a jewelry store on the lower level and was walking towards the escalator to go up to the food court.

Shayne said he started running like everyone else. He went up the escalator and saw Steve who was shot in the head. He saw a magazine on the ground and told security about it. Shayne then left. I asked where the magazine was and he said in front of Zale's by a kiosk.

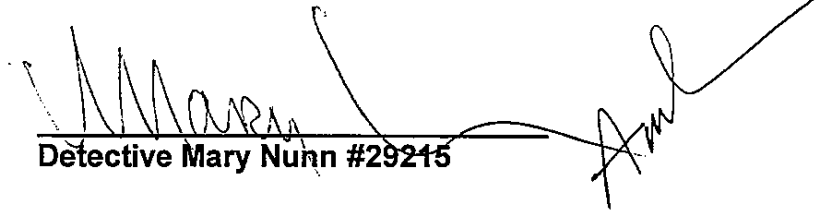

Shayne thought it was odd he didn't hear the shot when the suspect shot himself. He said the suspect was by himself. He saw his gun got stuck and it looked like he panicked. The suspect then started running.

I asked Shayne if the suspect said anything. He said not that he heard he just heard the gun shots. He thought it was a prank until he went upstairs and saw Steve. I asked if he knew Steve before or anyone else involved and he said no. I asked how many shots he heard and he thought maybe 15. He heard two shots back to back; there was a five second break and then the rest of the shots. When he went upstairs, there were shell casings everywhere.

I asked Shayne if there was anything else he thought we should know and he answered not really. We then ended the call.

NARRATIVE:

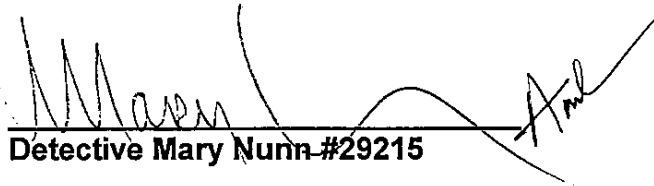

On 12-28-12 at 12:57 pm, I called Georgia Dennis in regards to Tip #212. She told me a couple of days before this shooting, she and her daughter saw a man with others and he was wearing the same hockey style mask as this shooter. I asked where and Georgia said it was on Monterey, towards 82nd Ave, by the Laundromat.

Georgia said they appeared homeless and one was pushing a shopping cart. There was a guy, a gal and another one with a hoodie and mask. Georgia didn't know if this information was relevant but wanted to pass it on just in case.

I thanked Georgia for the information and we ended the call.

Norberg, Cynthia Denise**NARRATIVE:**

On 12-28-12 at 1:02 pm, I called Cynthia Norberg in response to Tip #229. She told me she was upstairs at Macy's by the perfume counter in the main store. She is assuming the suspect went by her but she wasn't paying attention as she was smelling lotion. She is assuming this based on what she has seen in the news.

Cynthia said until she saw the news, she thought the suspect was in the mall and came into Macy's. She heard shouting from the suspect and then shooting. She heard yelling and then looked at the perfume lady. Cynthia said she has been back to the mall many times with family and friends to deal with this as she isn't going to let the suspect take her life away from her too. She repeated about looking at the perfume lady once she heard the shooting.

Cynthia then said the gun jamming lasted for a few seconds unlike what others are saying about this. She referenced hearing since the gun jammed, this saved lives and she doesn't believe it. She insists the gun jamming was too quick to have deterred the suspect from killing more people.

I was able to ask Cynthia how many shots she heard and she answered "a lot". She then explained she ran and fell down the escalator as she tried to jump over the side of it near the bottom. Once she got to the lower level, she ran out a side door. She got into a strangers car and then got out to run to West Coat Bank where they locked her inside.

Cynthia said it was after several days of processing what happened that she realized the shooter wasn't after her and at the time, she thought he was. She said the initial shots were loud but then they got softer as she was running away. She said she heard twenty shots by the time she got to the bottom of the escalator.

Cynthia went into a dissertation about the suspect continuing to shout get down and I'm the shooter. I confirmed with her she never saw the suspect and didn't know he had gone by her at the perfume counter. She insisted it was the suspect shouting and he was yelling words that weren't normal. She said the shots started and she knew there was no question in her mind what was happening.

Cynthia kept talking about the theories of the shooting and how what's in the news isn't accurate. She has a friend that worked next door to where the suspect worked who insists he would have never killed himself. She believes there is another motive to the shooting.

Cynthia then went into her theory that the suspect went into the mall with others to rob jewelry stores to go to Hawaii together. The suspect's job was to cause a

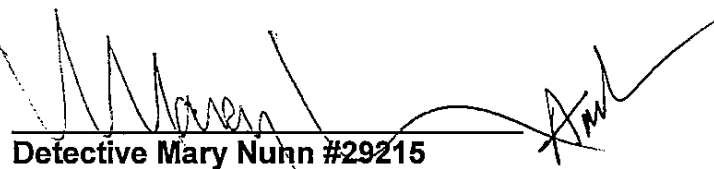

distraction so the others could do the robberies. After the suspect went in, he found his buddies didn't follow behind him so he killed himself.

I obtained Cynthia's contact information and she told me I should contact West Coast Bank as they would be able to tell me what she said when she was there. I thanked her for the information and ended the call.

NARRATIVE:

On 12-11-12, at about 1530 hours, I was working in my cubical when I over heard Detective Mary Nunn say there was just a shooting at Macy's. I then heard Detective Nunn advise that the suspect was still shooting people in the Clackamas Town Center (CTC) Mall, and this incident was an Active Shooter.

I ran to my unmarked vehicle and responded to the Northeast corner of Clackamas Town Center, and parked near the North doors of JC Penny. I noticed Sergeant Kollias parked next to me in the parking lot. I put on my SWAT heavy vest and slung my rifle. Sergeant Kollias and I ran to the Northeastern doors where I could see Detective Juker and Deputy Kishpaugh. Sergeant Kollias and I joined Detective Juker and Deputy Kishpaugh to hunt the active shooter, later identified as Jacob Roberts.

Sergeant Kollias, Detective Juker, Deputy Kishpaugh and I encountered a JC Penny employee as we searched the upper floor of JC Penny. The employee indicated that Roberts had not entered JC Penny and the large doors between JC Penny and the mall had been locked. The employee unlocked the large doors and we continued searching into the main central common area of the mall.

At about 1540 hours, Sergeant Kollias advised our group had searched the upper level of JC Penny and were continuing to search the mall. We moved on the upper level of the main central common area toward the Macy's Home Store, but found a couple sets of double doors between JC Penny and Macy's that accessed a service corridor. Our group was joined by Deputy O'Keeffe, Deputy Eason, and two Oregon State Police (OSP) Troopers.

Our large group entered Service Corridor #13. As our large group quickly searched the upper level, we came upon a stairwell leading to the level below. The large group searched to the bottom of the stairs and separated at the bottom of the stairs.

Detective Juker, Deputy O'Keeffe, Deputy Eason, an OSP Trooper and I continued to search to the right, in Service Corridor #2. The Service Corridor zigzagged behind businesses, and led to the main central common area of the mall on the lower level in front of JC Penny.

As we rounded a corner, I could see a couple sets of double doors, a blue shopping cart, and a rifle in the middle of the hallway. The shopping cart was against the left wall and I could see a pair of shoes sticking out from behind the shopping cart. The shopping cart obscured the rest of the view of a body on the ground. As we continued closer, I could see more and more of the body on the ground. I could see there was blood on the barrel of the AR-15 style rifle; the deceased person was wearing dark pants, a black load bearing type vest with a loaded rifle magazine in it, a large pool of blood on the ground next to the head of the body, and a white mask in the pool of blood. The deceased matched the description of the active shooter/suspect.

The body was about ten feet from the double doors. I could see a mop bucket between the double doors and the body, and I could see the fluid in the bucket was red. I noticed a chair between the body and wall. The deceased had a gunshot wound to the head, and as a result the walls and floor in the hallway were spattered with blood and bone fragments from the deceased's head. I noticed in the area of the shopping cart were a live round and a spent case on the floor. The deceased appeared to be a young man, with short dark brown or black hair, spike type earrings, and was wearing ear plugs.

At about 1551 hours, I heard Detective Juker broadcast over the radio that we had located what appeared to be the suspect (later identified as Jacob Roberts) with a self inflicted gunshot wound, and was deceased. Deputies O'Keeffe and Eason remained with the deceased Roberts.

Detective Juker, an OSP Trooper and I carefully walked passed Roberts' body to the double doors so we did not disturb the scene. The double doors opened to the main central common area of the mall on the lower level, in front of JC Penny.

Detective Juker, an OSP Trooper and I waited briefly in front of JC Penny because we could see search groups moving toward us from within the mall, as well as additional police officers from various agencies entering the mall from outside. After a very short period of time, all of the teams came together with a plan to begin searching the upper and lower levels simultaneously for additional suspects, injured persons, and persons who had barricaded in stores or wherever they could.

I remained on the lower level with several police officers of varying rank from many different agencies. The large groups on both levels coordinated to mirror the search efforts on their respective floors, starting at JC Penny and moving into the mall. As the group on the lower level searched businesses and evacuated people that had been hiding; I met up with Sergeant Anderson, Deputy Rippe, Deputy Olsen and some other police officers and branched off of the larger group to search the lower level of Macy's.

During the search of Macy's, I heard a radio broadcast that all non uniform police officers needed to exit the mall because SWAT teams were going to be entering the mall to slowly search and clear the entire mall.

I made my way out of Macy's to the main central common area of the mall, with the other searchers. I walked up the escalator to the second level. I could see one of the windows at the top of the escalator was shattered out.

The top of the escalator opened up at the food court. I could see jackets on the backs of chairs, bags with purchased items inside, food on tables, and chairs knocked over. It appeared there were a lot of people in the food court that left in a hurry. From the edge of the food court, I could see a covered body in front of Macy's and another covered body in front of Best Buy Mobile. It appeared both bodies were covered by a blue blanket or sheet.

I exited the mall. I returned to my unmarked vehicle and removed my SWAT heavy vest. I checked in at the Command Post. At the Command Post, I was assigned to the scene involving the male victim (later identified as Steven Matthew Forsyth) outside of Macy's. Detective Nunn was assigned the scene involving the female victim (later identified as Cindy Ann Yuille) outside of Best Buy Mobile. Detective Lee was assigned the scene involving the suspect (later identified as Jacob Roberts) in Service Corridor #2.

Detective Lee, Detective Nunn and I coordinated with Crime Scene Investigators (CSI) from CCSO, OSP and the Portland Police Bureau (PPB). After the quick briefing, I returned to my unmarked vehicle and put on a ballistic vest. I met up with Detectives Lee and Nunn at the food court entrance of the mall with the other crime scene investigators.

I asked Deputy Lister to start a crime scene log at the food court entrance to the mall because I was not sure if a log had been started or not. Once Deputy Lister was there to record the detectives and crime scene investigators, we entered the mall.

At about 1834 hours, I entered the mall. I stayed at the back of the group because investigators at the front of the group were video recording and taking photographs. The teams assigned to each scene began to split up and go toward their area/scene of responsibility. I went across from the food court to the front of Macy's on the second floor. I could see there was a body that had been covered by a blue sheet or blanket. I could see the covered body had a substantial amount of blood surrounding the head in a pool on the floor. I noticed several empty shell cases on the floor between the body, and Macy's and Zales Jewelers.

Deputy Medical Examiner Tonsfeld was able to identify the male as Steven Matthew Forsyth from information inside Forsyth's pockets. Forsyth was wearing white shoes, brown socks, brown pants, brown belt, and a tan shirt. Forsyth appeared to have a gunshot wound to the head.

I noticed near Zales Jewelers was a large triangular sign stand with advertisements; the sign seemed to be in the path of the empty shell cases. At the base of the sign, I noticed a rifle magazine with some live ammunition in it and a live round on the ground near the rifle magazine.

I estimated the deceased female (identified as Cindy Ann Yuille) was about 40 yards from Forsyth's body. Comparing the location of the empty shell cases in relation to the damage (i.e. broken windows; and bullet holes in doors, pillars, and walls) and where the victims were, it appeared Roberts shot from in front of Macy's as he moved in the direction of Zales Jewelers.

I could see Yuille's body was surrounded by broken glass. There was a large window that appeared to have been shot out during the incident. I could see what appeared to be a gunshot exit wound on the front of Yuille's chest.

I learned from a search team there was possibly blood discovered in a back service corridor behind Eddie Bauer. I passed on the information to CSI so they could examine the service corridor to see if there was anything significant there.

I contacted Sergeant Anderson by telephone and provided him with an update of scene details. Sergeant Anderson advised me that Roberts' vehicle was located in the parking lot outside of Macy's on the South side of the mall. Sergeant Anderson advised me that video had been recovered from CTC security that showed Roberts entering the mall through the South entrance of Macy's wearing a mask and armed with a rifle.

Sergeant Anderson also advised me that the female victim (Kristina Shevchenko) that was transported to the hospital with a gunshot wound, was first discovered by police in the area of the REI store. Sergeant Anderson advised Shevchenko was believed to have been shot outside of Macy's in the area of the other victims.

At about 2050 hours, Detective Nunn and I went to the Southern Macy's entrance where Roberts' vehicle was parked, which was the same entrance where Roberts entered the mall.

Detective Nunn and I checked Macy's for any evidence left behind by Roberts. Detective Nunn and I did not locate any evidence inside Macy's at this time.

At about 2115 hours, I coordinated a meeting between Deputy Bailey with the CCSO CRAFT Team and Officer Ken Jones with PPB CSI to determine the best method of documenting the crime scene. The decision was made for CRAFT to not diagram the scene. OSP documented the scene where Roberts was found, while PPB CSI utilized a Leica ScanStation to document the scene from where Yuille was found through the mall to the service corridor where Roberts was located.

At about 2255 hours, I exited and signed out of the mall/scene and returned to the Command Post. Detective Burlew and I later provided a briefing of the scene and what was known to this point in the investigation to members of CCSO Command Staff.

While other investigators served a search warrant at Roberts' residence, Sergeant Anderson assigned me to contact a female regarding an internet post.

On 12-12-12, at about 0131 hours, I contacted Lisa Ommert by telephone. Lisa Ommert told me that when she searched Twitter by "# Clackamas Shooting" she found a link to <http://imgur.com/a/elmJT>. Lisa Ommert told me the link appeared to be a screen capture posting of someone going by "anonymous" posting that someone was going to shoot up the mall. Lisa Ommert told me the posting was dated 12-10-12.

I searched <http://imgur.com/a/elmJT> and found what Lisa Ommert was talking about. I printed the information and attached it to this report, and also used a program to save a screen shot. The screen shots taken were saved to a CD. A copy of the CD was made for the case file and the first CD was placed into CCSO evidence. I also forwarded this information on to the investigators assigned to organizing Tips so it could be further followed up on.

At about 0221 hours, I signed back into the mall/scene for a walk through of the scene with other investigators. At about 0259 hours, I exited and signed out of the mall/scene.

On 12-12-12, at about 1200 hours, Detective Krummenacker and I went to the Southern entrance to Macy's, where Roberts parked his vehicle in the CTC parking lot. Detective Krummenacker and I were going to walk through the mall in an attempt to locate additional evidence. Detective Krummenacker and I noticed a painted "X" in the parking lot, which we believed to be where one of Roberts rifle magazines was located. Next to the "X" was a live rifle round.

Detective Krummenacker took a measurement of the live round in relation to the "X", which was about 42 inches from the "X" on the mall side of the "X". I photographed the live round and Detective Krummenacker seized the live round and later transferred custody of the round to CSI Michelle Finn. CSI Finn advised me the live round was item #31.

I later saved the photographs of the live round to a CD, and made a copy of the CD for the case file. I placed the first CD into CCSO evidence.

At about 1216 hours, Detective Krummenacker and I went to the CTC food court entrance of the CTC mall and signed into the scene. Detective Krummenacker and I walked through

Macy's with Detective Juker, and CSI Finn and Shelley. Eventually another bullet hole was discovered inside Macy's. For details see CSI Finn's report.

As Detective Krummenacker, Detective Juker, CSI Finn and Shelley, and I walked the suspected path of Roberts we attempted to identify additional evidence. Eventually more bullet holes were discovered in Zales Jewelers. The bullets' paths went into Zales Jewelers, across the service corridor hallway behind Zales, and into a clothing store. For details see CSI Finn's report.

At about 1404 hours, Detective Juker and I exited the mall/scene. A short while later I returned to the mall, but Detective Krummenacker was in the process of signing out of the scene so I never went back inside.

No further information.

RESPECTFULLY,

Detective Chris Cate #33618

NARRATIVE:

On 12-13-12, at about 1450 hours, Detective Timeus and I went to the address [REDACTED] Ct #147, Milwaukie, OR in an attempt to contact Tyler Eheler, who was reportedly a friend of [REDACTED]

Clackamas County Sheriff's Office

Jacob Roberts. At first the male that answered the door thought Detective Timeus and I were associated with the media and was not going to talk with us. I showed the male my police identification and the male invited Detective Timeus and I inside.

I introduced myself and Detective Timeus to Tyler Eheler and his mother, Kelly Eheler. I asked Tyler if we could speak with him separate from the other people inside the residence. I advised Tyler that I would like to audio record our conversation, and he agreed. The interview was recorded with Tyler's knowledge, and I also advised Kelly Eheler, and two others who were sitting in the living room that I would be audio recording.

I asked Tyler Eheler if Roberts gave him anything the day of the shooting. Tyler Eheler showed me a pink bracelet that he was wearing on his right wrist. Tyler Eheler took the bracelet off and told me Roberts gave him the bracelet just before Roberts left his residence the day of the shooting. Tyler Eheler told me Roberts wore the bracelet all the time and gave it to him. I photographed the pink bracelet that read "FUCK CANCER" and gave the bracelet back to Tyler Eheler. I later saved the photographs to a CD and made a copy of the CD for the case file. I later placed the first CD into CCSO evidence, and attached a photograph to this report.

This report is a brief summary of Tyler Eheler's statement. For further details listen to Tyler Eheler's audio recorded interview.

At about 1500 hours, I began the audio recorded interview. Tyler Eheler told me he last saw Roberts about 1500 hours the day of the shooting. Tyler Eheler told me Roberts arrived in his green Volkswagen Jetta, but did not call like he normally does. Roberts told Tyler Eheler that he no longer had a phone.

Tyler Eheler told me Roberts came into his residence, and he finished up the video games he was playing. Tyler Eheler told me Roberts explained to him that he was leaving town and going some place warm, but not Hawaii. Roberts told Tyler Eheler that things were going bad and to not tell Tyler's sister (Jaime) and Chris that he was leaving. Tyler Eheler told me he assumed there was some kind of fight between Roberts and his sister and Chris, and Roberts got kicked out.

Tyler Eheler told me Roberts was supposed to leave for Hawaii on Thursday (12-06-12) at 1500 hours. Tyler Eheler thought Roberts was going to Honolulu, and seemed to have things planned out. Roberts was supposed to be flying on Alaska Airlines. Roberts missed his flight and rescheduled his flight for Thursday (12-13-12), but was not sure of the time. Tyler Eheler told me Roberts was pretty punctual and would do something he paid for.

Tyler Eheler told me he and Roberts talked inside the residence, and spoke briefly the day of the incident. Tyler Eheler told me they went outside to smoke, and he thought Roberts did not really want to leave and was sad. Tyler Eheler told me Roberts talked about leaving, but Roberts was vague and evasive. Tyler Eheler told me he could not figure out why things were going bad for Roberts.

Tyler Eheler told me it was an odd good bye and Roberts seemed to stall because he really did not want to go. Tyler Eheler told me Roberts would take a few steps toward the door then stop and face Tyler and start talking again.

I asked Tyler Eheler if he remembered what words Roberts used to explain how things were "bad". Tyler Eheler told me he thought Roberts said, "Shit's gone down", "things have gone bad", and not to tell Jaime and Chris that he was there because he was leaving now and not to tell them until tomorrow. Tyler Eheler told me the conversation then shifted to the fact that they would not see each other again.

I asked Tyler Eheler why Roberts did not want him to tell Jaime and Chris about Roberts leaving until the next day. Tyler Eheler told me he assumed it was because there was assault rifle ammunition found in Roberts' room, and Roberts might have been concerned that they would have told police.

I asked Tyler Eheler if he was concerned that Roberts was going to hurt himself or someone else. Tyler Eheler told me Roberts was not a violent person. Tyler Eheler told me he did not put "two and two together" until his mother (Kelly) called him and told him there was a shooting at the mall. Tyler Eheler told me when he turned on the News he learned the shooter was wearing all black and he thought "Ah, crap, Jake was in all black."

Tyler Eheler told me Jaime called him and stated Roberts was dressed in all black and acting really funny when he left. Jaime told Tyler Eheler that she found assault rifle ammunition in Roberts' room.

I asked Tyler Eheler what Roberts was wearing when he arrived at his residence. Tyler Eheler told me Roberts was wearing a jean jacket, a hooded sweatshirt underneath the jacket or the jacket had a hood attached, and possibly jeans.

I asked Tyler Eheler if it was odd that Roberts had ammunition. Tyler Eheler told me Roberts goes shooting, and had taken him shooting before. Tyler Eheler told me it was normal for Roberts to buy ammunition and take people shooting. Tyler Eheler told me he thought Roberts had a .45 caliber handgun and possibly a 9mm handgun, but thought Roberts had sold both. Tyler Eheler told me Roberts always went shooting with at least one other person.

Tyler Eheler told me Roberts was training to be a Marine every Thursday night for 2 hours in the area of SE McLoughlin Blvd/SE Roethe Rd in Milwaukie, and would have had an assault rifle in his hands before. Tyler Eheler told me he and Roberts were getting ready for the delayed entry training program for the Marines at 17 years old. Roberts was really excited about going into the Marine Corp.

Tyler Eheler told me the training to be Marines that he and Roberts received was mostly physical training and the history of the Marine Corp. Tyler Eheler told me there were not any firearms training, but there were team building exercises the group would do (such as paintball or rafting). Tyler Eheler told me Roberts did receive training on field stripping an assault rifle and was the second fastest in the class, second to the staff sergeant. Tyler Eheler told me he was not sure what rifle Roberts learned to field strip, but thought it was something at started with an "AR" or possibly an "M4A1".

Tyler Eheler told me he and Roberts did not really talk about assault rifles, but he thought Roberts did want to get a shotgun and take it shooting. Tyler Eheler told me Roberts' deployment date to Boot Camp was already set prior to getting hurt.

Tyler Eheler told me Roberts initially passed his physical for the Military, but Roberts ended up breaking his ankle at a skateboard park. Tyler Eheler told me Roberts ended up having "hardware" put in his ankle which disqualified him from the Military.

Tyler Eheler told me Roberts was pretty depressed when he hurt his ankle and had to stay off of his foot for a couple months. Tyler Eheler told me once Roberts was able to get around on his foot again, Roberts bounced back. Tyler Eheler told me Roberts smoked marijuana and ate mushrooms. Tyler Eheler told me he thought Roberts ate mushrooms seven times, but did not start eating mushrooms until after he hurt his ankle. Tyler Eheler told me Roberts' aunt would give Roberts mushrooms and sometimes Roberts and Roberts' aunt would eat the mushrooms together. Tyler Eheler told me the last time Roberts ate mushrooms was last Halloween.

Tyler Eheler told me Roberts smoked marijuana daily, and the last time he knows of Roberts smoking marijuana was the day of the shooting. Tyler Eheler told me Roberts smoked marijuana at his (Tyler's) residence. Tyler Eheler told me he did not have that much marijuana and Roberts really wanted some. Tyler Eheler told me Roberts was leaving and it was the last time he was going to see him, so Tyler gave Roberts the last small bit of his Marijuana.

I asked Tyler Eheler if he knew of any other controlled substances Roberts used. Tyler Eheler told me Roberts was using cocaine before Roberts moved in with Jaime. The last time Roberts used cocaine that he knew of was about 4 years ago. Tyler Eheler told me he had never known Roberts to use heroin or methamphetamine.

Tyler Eheler told me Roberts gave him a hug goodbye which was awkward. Tyler Eheler told me this was weird because the only other time Roberts had ever hugged him was when he and Roberts were reunited after they got separated running from an under age drinking party. Tyler Eheler told me the day of the shooting Roberts hugged him twice. Tyler Eheler told me he thought Roberts was just upset about moving away, as it looked like Roberts was going to cry. Tyler Eheler told me he was shocked that Roberts was leaving. Tyler Eheler told me Roberts might have been dropping hints about things, but he could not get over the fact that Roberts was leaving.

I asked Tyler Eheler if Roberts explained why he was not going to Hawaii. Tyler Eheler told me Roberts just told him that he was not going to Hawaii and was just going to drive somewhere today. Tyler Eheler told me Roberts stated he was not going to take a plane anywhere and he was just going to drive. Tyler Eheler told me this was kind of weird because up to this point Roberts had been trying to sell his car. Tyler Eheler told me that Roberts left and stated he would call him.

I asked Tyler Eheler if Roberts left after walking out to his car. Tyler Eheler told me Roberts was out in front of his house for a minute or two, and he considered running out to see Roberts again, but then Roberts drove off. Tyler Eheler told me he decided not to go outside. Tyler Eheler could not see into Roberts' car.

Tyler Eheler told me he and his family were in Las Vegas from 12-06-12 through 12-09-12. Tyler Eheler told me Roberts was supposed to leave for Hawaii on Saturday, 12-08-12. Tyler Eheler told me when he returned from Las Vegas he was surprised to find out that Roberts had not gone to Hawaii. Tyler Eheler told me he found out that Roberts had changed his Hawaii flight to 12-13-12.

Tyler Eheler told me he hung out with Roberts on 12-10-12 and they played video games together. Tyler Eheler told me he had planned to hangout with a friend named Phillip that night, so he invited Roberts to join them. Tyler Eheler told me Roberts did not want to because he was going to a strip club, which he invited Tyler to, but Tyler declined. Tyler Eheler told me Roberts was going to a strip club called "DV8" in Portland. Tyler Eheler told me Roberts was going to the strip club every night since he (Tyler) returned from Las Vegas, which seemed odd that Roberts was going to a strip club.

I advised Tyler Eheler that Roberts was going to the strip club for the last three nights; and I asked Tyler Eheler if he knew of Roberts going to strip clubs prior to that. Tyler Eheler told me he was not sure, but he assumed Roberts had been going for a little while.

Tyler Eheler told me Roberts' girlfriend was "Bonnie", but when Roberts told her he was moving to Hawaii in two weeks, Bonnie left him.

I asked Tyler Eheler why Roberts suddenly decided to move to Hawaii. Tyler Eheler told me Roberts' grandparents died and left him money that was invested. Tyler Eheler told me Roberts had received two large amounts of money, and the third and final check was going to be received in about a week. Tyler Eheler told me Roberts planned to use the money to go to Hawaii or cash the check in Hawaii, he (Tyler) was not sure. Tyler Eheler thought Roberts was going to be receiving a check for \$26,000.00.

Tyler Eheler told me Roberts cashed the two previous checks when he was 18 years old. Tyler Eheler remembered the two checks Roberts received as \$12,000.00 and \$16,000.00 which he and Roberts spent over the course of a summer. Tyler Eheler told me during that summer neither of them worked and they just rode their bikes wherever and Roberts would pay for everything. Tyler Eheler said, "We lived like kings."

I asked Tyler Eheler what he and Roberts did that summer. Tyler Eheler stated they smoked marijuana, drank a lot, ate at McDonalds everyday, rode their bikes all over, and if where they were going was too far to bike to Roberts would pay for bus fare.

I asked Tyler Eheler what jobs Roberts had. Tyler Eheler told me Roberts worked for Goodwill, he worked construction (for Katie Dunlap's father), he trained to be a "fire jumper", he worked at Big Bertha's, and during high school he worked at Carl's Junior.

I asked Tyler Eheler about Roberts training to be a smoke jumper. Tyler Eheler told me smoke jumpers parachute into forest fires. Tyler Eheler told me Roberts got his certifications through Clackamas Community College. Tyler Eheler told me Roberts could not get a job because he did not have experience. Tyler Eheler told me Roberts was an adrenaline junky. Roberts liked skateboarding, biking, skydiving, and girls. Roberts liked Big Bertha's because all the girls.

Tyler Eheler told me Roberts dated two girls named "Hanna", Bonnie, and maybe a "Nikki". Tyler Eheler did not know any of Roberts' girlfriend's last names.

Tyler Eheler told me he and Roberts were friends with Phillip Boyd, but Phillip and Roberts had a "falling out" about three years ago. I asked Tyler Eheler what the "falling out" was. Tyler Eheler explained that on Phillip's 20th birthday party Phillip got arrested and while Phillip

was in jail Roberts "got with" Phillip's fiancé that night and the next day. Tyler Eheler told me that incident occurred three years ago and is behind all of them now and Phillip, Roberts and Tyler were all drinking together a week ago.

Tyler Eheler told me he and Roberts had a "falling out" as well, but it was over the same incident. Tyler Eheler told me that he and Roberts "falling out" lasted about a year.

I asked Tyler Eheler when Roberts gave him the pink "FUCK CANCER" bracelet. Tyler Eheler told me Roberts gave him the bracelet as he was walking out the door on the day of the incident. Tyler Eheler told me Roberts gave him the bracelet, gave him a hug, told Tyler to take care, and said he would call him.

I asked Tyler Eheler if Roberts had given anything else to him. Tyler Eheler told me Roberts had not, but Roberts was selling everything. I asked Tyler Eheler if Roberts had a guitar case or knew about Roberts giving one away. Tyler Eheler told me Roberts did not have a guitar.

I asked Tyler Eheler who Roberts' close friends were. Tyler Eheler told me Cody McBride, Phillip Boyd, Tommy "Ilk" (Roberts' boss at Big Bertha's), Jacob "Ilk" (Tommy's brother) Jordan Macintosh, and Shawn (lives near 68th/Flavel).

I asked Tyler Eheler when he heard the suspect in the mall shooting was wearing black, why he thought it might have been Roberts. Tyler Eheler told me there were just some odd coincidences. Tyler Eheler told me Jaime found rifle ammunition in Roberts' room, Roberts left his Social Security Card in his room and he was supposed to be leaving town, Roberts had a white Jabawaki mask, Roberts was acting weird and wearing all black, and he and Roberts played "Call of Duty" all the time and could see Roberts running with a gun like the suspect did (as if the suspect was Military trained).

I asked Tyler Eheler what other games Roberts played. Tyler Eheler told me besides "Call of Duty" Roberts played "NFL 2008", "League of Legends", and he played pool a lot. Tyler Eheler told me Roberts was a "pool shark".

I asked Tyler Eheler if Roberts was involved in any social media. Tyler Eheler told me Roberts was the "epidemie of Facebook", and liked to write about what he was doing and have people comment on it. Tyler Eheler told me Roberts deleted his Myspace account a while ago, but did not know if he created another one. Tyler Eheler told me Roberts deleted his Myspace account because that was how his aunt Tammy was trying to contact him, and Roberts did not want anything to do with his aunt Tammy. Tyler Eheler told me Roberts might have used Twitter, but he was not sure.

Tyler Eheler was asked if he saw Roberts field strip the assault rifle or if he just heard about it. Tyler Eheler stated that he did not see Roberts field strip the assault rifle, but Roberts did brag about how fast he did it. Tyler Eheler told me Roberts was pretty close with several of the guys going through the Marine training.

The recording ends.

Tyler Eheler then stated that Roberts' Aunt Tammy was awful and did not treat Roberts well. Tyler Eheler told me Tammy would make Roberts massage her feet before she would let him

leave to go stay the night at his residence. Tyler Eheler told me Tammy apparently told the medical examiner's office that she was not going to pay for anything having to do with Roberts' funeral. Tyler Eheler told me Roberts' real mother died when he was 4 years old, and as far as he knows, three years is the longest Roberts has lived in any one place.

I asked Tyler Eheler if Roberts had any nicknames. Tyler Eheler told me he always called Roberts, "Jake" or sometimes the "Flyin' Hawaiian". Tyler Eheler told me Roberts had some nicknames for the games he played; such as, for Call of Duty Roberts' nickname was "Auschwitz Man", and for League of Legends Roberts' nickname was "Auschwitz".

I later saved Tyler Eheler's interview to a CD and made a copy of the CD for the case file. I placed the first CD into CCSO evidence.

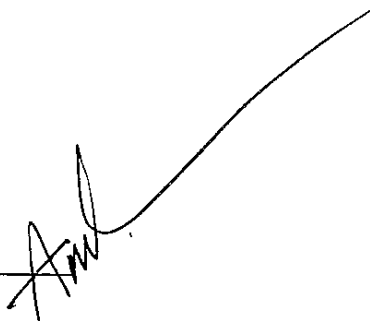

On 12-14-12, at about 0934 hours, after an interview with Kelly Eheler at her residence, I spoke briefly with Tyler Eheler. I asked Tyler Eheler about the marijuana that he gave Roberts, and asked if he too had smoked marijuana out of the same bag. Tyler Eheler told me he had smoked marijuana out of the same bag prior to Roberts and it actually seemed a little weak. Tyler Eheler kind of laughed and told me the bag of marijuana actually went through the washing machine prior to him giving any to Roberts. Tyler Eheler told me he knew the marijuana was not laced with anything.

Detective Timeus showed Tyler Eheler a photograph of a male wearing a mask on a TriMet bus that stopped at the CTC. Tyler Eheler looked at the photograph and stated that he did not recognize the male in the mask, or the photograph of the same male prior to putting on the mask.

Date of Incident: 12/11/12 15:29 hrs
CLASSIFICATION: Aggravated Murder - Suicide
CASE AGENT: Det Mike Copenhaver & Det Jeff Burlew
CASE STATUS: Active
REPORT REGARDING: Participation In LEO Cell inside CTC Mall
VICTIMS: Forsyth, Steven Matthew
Yuille, Cindy Ann
Shevchenko, Kristina
SUSPECT: Roberts, Jacob Tyler

NARRATIVE:

On 12/11/12 at approximately 3:30pm I was on the fourth floor of the Sheriff's Office Headquarters and heard an unusually large number of sirens in the area. I logged on to the police dispatch program and saw that there was an 'active shooter' incident at the Clackamas Town Center mall, which is approximately six blocks from the office.

I got to my car and exited the parking lot and activated the emergency lights and siren in my unmarked police car. I drove west on Sunnybrook Blvd to 82nd Ave, took a right (north), and drove up 82nd Ave to the first mall entrance. I noticed that Detective Eggleston was parked at this location in his unmarked police car blocking traffic from entering. Just beyond him was what I recognized as an unmarked police Dodge charger belonging to our special investigations unit. I drove past Detective Eggleston's position and followed the SIU vehicle to the upper Macy's parking lot.

During the drive I was monitoring the radio traffic of the responding police and incoming information to dispatch. There was confusion as to if the suspect had been shooting while standing in the food court or someplace else in the mall. There were updates that the suspect was last seen entering "Macy's Home store", but other updates simply said he entered "Macy's". At this mall Macy's has a two level store on the west side devoted to only clothing and then another two level store on the east side of the mall that is only home furnishings. Since I was closest to the Macy's Clothing store I pulled up in front of the store and donned my ballistic vest and police identification. While in that location SIU Deputy Brummett arrived (driving the unmarked Dodge charger) and started getting his equipment ready. Milwaukie Detective Luke Straight arrived from somewhere and was already dressed in a ballistic vest,

helmet, and rifle. He covered the Macy's South doors. Sergeant Wold was the last to arrive at this location and he too had to take a minute and retrieve his equipment from his car.

During this time I saw uniformed Deputy Leikem standing in the parking lot near a planter island with a shotgun. When I looked at him he shouted to me that he was guarding a rifle mag that the suspect had dropped.

When Deputy Brummett and Sergeant Wold were ready the four of us moved up to the Macy's entry doors. Just before entering uniformed Deputy Lightner joined our group. Deputy Lightner tried to announce our entry on the radio but was unable to transmit due to other competing radio traffic. We decided to enter anyway. (note-looking back in the dispatch call there is an entry at 15:48 with Deputy Lightner, 2d80, advising a group is entering Macy's. It is unknown if that was the actual time we entered or after we were already inside.)

Inside Macy's we proceeded down the left side of the store. We watched for individuals hiding or injured as well as the possible suspect. Near the front of the store we encountered a white man in a suit and tie who identified himself as the store manager. At the same time entering the store from the mall were two other men who I didn't see but could hear Deputy Brummett and Detective Straight yelling at to stop and get on the ground. I contacted the man in the suit and looked at his ID from his wallet. I believed he was not involved so I told him to get out of the store using the doors behind us. He told me of another department manager who was hiding at a register so I told him to get him also and get out of the store.

My cell of officers left Macy's and went out into the mall. We were on the upper floor. In front of Macy's off to the right and up against the glass panel railing was a kiosk store. To the right of the kiosk was a deceased person. I could not tell if it was a man or woman because the body had been covered with a sheet or blanket. There was a large pool of blood on the tile floor in the area of the person's head. I noticed a large number of spent bullet shells on the floor in the area in front of Macy's.

We decided to head east towards JCPenny's in search of the suspect. We did not see or hear any traditional 'indicators' that would identify that the suspect was still actively shooting. Most all of the businesses we passed had their gates down. The few stores where we saw people inside we ensured that no one inside needed medical attention and told them to stay there for later evacuation. When my team reached JCPenny we went down the mall escalator to the lower floor and began to sweep the stores back towards the middle of the mall. During this time officer's came and went from my original cell. On the lower floor of the mall there were many other teams of officers and so the 'cell' groupings were not as defined any longer. Two or three officers would join up and go into a store to clear it and evacuate any citizens and then disband or merge with others for another duty.

After the announcement was made on the police radio about finding the suspect deceased, the focus of the officers in the mall shifted to checking for injured people and evaluating people out of the individual stores. I assisted with this effort until it was decided to have detectives leave the mall interior and respond to the command post in the parking lot. When I returned to the area of my car, Deputy Leikem was still guarding the found rifle magazine. I released him from that duty and seized the item (see separate report) before arriving at the command post.

INTERVIEW WITH JAIME EHOLER

Q=Det. Lisa Shipley

Q1=Det. Geoff Erichsen

A=Jaime Eheler

A1=Christopher Dahrens

Q: Uh, the date is December 11, 2012 and this is Detective Lisa Shipley and present is uh, Detective Geoff Erichsen and we are a [REDACTED] Ave in Portland. Um, present with Jaime Eheler...

A: Eheler.

Q: Eheler okay. And um, this is in reference to uh, case number 12-36745 the incident at the town center that occurred today. And Jaime um, are you in talking with us voluntarily?

A: Yes ma'am.

Q: Okay. Um, do you have any concerns with talking to us today? Okay. Um, and so in other words this is voluntary we're not forcing you to talk with us...

A: I invited you in.

Q: Okay thank you. Um, so we talked to your boyfriend, basically what we want to do is just kinda get a history with um, what happened with um, your roommate okay and what you can tell us about kinda how long you've know Jake and - and that kinda thing if you would.

A: Okay. Um, I would say at least ten years.

Q: Okay.

Q1: What can I get you? I'll get you some uh, tissue where can I get you some?

A: There's - there's um, paper towels right there.

Q: Sorry. For the record it's about 9:58 pm. Okay so about ten years.

46 A: Um, his - his family put him out um, I don't know the real cause but I do
47 know that his mom - it's not his biological mom um, has some soc- she's on
48 social security she has some mental problems.
49

50 Q: Mm-hm, okay.
51

52 A: Um, I know that when Jake was little she tried to get him committing suicide
53 with her and I - it's something I never asked him. You don't - you don't ask
54 people those kinds of things.
55

56 Q: Mm-hm.
57

58 A: But I do know that it happened that - that she's - she's off she's not a normal
59 lady. She - she wasn't supportive as a mom. She - they put him out. They
60 threw all of his stuff out in the middle of the night in the rain. He wasn't even
61 18 years old yet. So uh, my parents took him in and he lived in our living
62 room. He's best friends with my little brother.
63

64 Q: Okay.
65

66 A: Um, my little brother was diagnosed with uh, cystic fibrosis and it - it made
67 him really ill. And Jake was the only person that tried to make him strive for
68 more.
69

70 Q: So it just sounds like he was a good - a good guy to him - a good friend yeah.
71

72 A: He lived here before and I had an awful roommate - an awful roommate. The
73 first time I ever had a roommate. I swore up and down I would never have
74 another one as long as I lived.
75

76 Q: Mm-hm.
77

78 A: I didn't care if I had to live under a bridge by myself. We had the opportunity
79 to move in with Jake. Jake was responsible he - he - one time got a ticket for
80 driving and - and he - he couldn't pay it or he didn't pay it they took away his
81 license or something and he parked his car with a full tank of gas and took the
82 bus from there on out until he got everything taken care of. He was
83 responsible, you know, he was, boy so yeah he left his garbage downstairs for
84 a while and the house would start to stink and stuff...
85

86 Q: Mm-hm.
87

88 A: ...or he didn't - he didn't always do his dishes but I always kept on thinking to
89 myself if that's the worst case that my roommate does I should - I should be
90 happy.

91
92 Q: Yeah sure.
93
94 A: And uh, he was just - he was - he was really nice. He would never hurt
95 anybody or I wouldn't think.
96
97 Q: So with his - his mom um, and - and that situation is she - she still alive then?
98
99 A: Yeah.
100
101 Q: Okay. Does he have contact with her?
102
103 A: I don't know. She - she went as far as to call my mom an f-ing cunt. And uh,
104 Jake stood up for my mom and didn't stand up for her. And as far as I know
105 he never spoke to her again.
106
107 Q: And how old is he now?
108
109 A: He was born in 1990.
110
111 Q: Okay.
112
113 A: So he's probably like 21 - 22.
114
115 Q1: Do you have any contact info for any of his family?
116
117 A: None -- not a single soul.
118
119 Q1: Other than your brother do you know of any friends that he had - any close
120 friends that he had?
121
122 A: No. Uh, I knew a lot more about him when he lived with us but this was at
123 least - I - I would want to say -ish at least three years ago. He - he got a job -
124 from my mom's house he got a job make at a - at a like the sandwich shop so
125 he made tips and he made I believe wage. And he made decent money so -
126 and then he found this girl that he had just met and he moved out with her and
127 everything was gonna be dandy because she worked.
128
129 Q: This was recently?
130
131 A: No this was when he first moved out of my mom's house.
132
133 Q: Okay.
134
135 A: And so from there he just - he lived in the apartments by Town Center...

136
137 Q: Mm-hm.
138
139 A: ...and he had a lot of nice stuff. He - he...
140
141 Q1: Do you remember what apartments he lived in?
142
143 A: The - the very - I want to say the very top ones.
144
145 Q1: Okay.
146
147 A: I don't know. There's...
148
149 Q1: Sure.
150
151 A: ...when you're driving up...
152
153 Q1: The ones closest to the freeway?
154
155 A: Yep at the very - very top.
156
157 Q1: Okay.
158
159 Q: Okay.
160
161 A: And...
162
163 Q1: And how long ago was it that - that he lived at those?
164
165 A: I want to say two years ago maybe.
166
167 Q1: Okay.
168
169 A: And he had - he had a lot of nice stuff. I know that he had came in to some
170 money um, from family or something. And it was a decent amount and he
171 took it and he did the responsible thing with it. And I know that he had
172 invested money in like a - a CD loan or something of that nature I don't know.
173 But that's where this Hawaii thing came back around is that the money - I
174 don't know anything about this money investing I know nothing about that
175 but...
176
177 Q1: Do you know where it came from?
178

179 A: Honestly his grandpa or something. Somebody that's a little bit further out of
180 his family. I don't know - like I said it was my brother's good friend he
181 wasn't really my good friend.
182
183 Q: And how long have you known about the - the money?
184
185 A: Um, he - I know he got it before he moved out of my folks house so about
186 three years.
187
188 Q: Okay.
189
190 A: And then - and then most recently he started talking about it again. And that -
191 and that he was getting \$27,000 and it was two weeks - in two weeks and I'd
192 say that was about a week and a half ago.
193
194 Q: And...
195
196 Q1: Did he - go ahead.
197
198 Q: Oh I'm sorry. And what was his plan with that money?
199
200 A: He was gonna sell everything he owned and he was gonna move to Hawaii
201 with a backpack.
202
203 Q: And how was he feeling about that did you think?
204
205 A: He was happy. He had this girl - he had a girlfriend um, her name was
206 (Bonny) I don't know her last name. She was...
207
208 Q: Do you know how long they were together?
209
210 A: I'd say about two to three months - long enough to grow feelings for one
211 another.
212
213 Q: Okay.
214
215 A: And she was - she helped disabled children. Seemed very nice - very nice
216 girl. Um, she did everything she could to spend time with him. She'd go to
217 his work when he could. He sprung on us about a week - I want to say a week
218 - week and a half ago that he was gonna move to Hawaii.
219
220 Q1: Literally the first time you heard about this was about a week - week and a
221 half ago?
222
223 A: Yep - yep.

224
225 Q1: And then he just like...
226
227 A: I'm moving to Hawaii.
228
229 Q1: ...fire sale on his stuff.
230
231 A: Yep the next day.
232
233 Q: What - what was his plan with (Bonny) did he talk about that?
234
235 A: I asked. I said, "What are you gonna do about her? You're gonna break her
236 heart, you know, you guys have been together long enough to where she grew
237 feelings for you and now you're just gonna break it off. Why not stay here
238 and," -- I don't know if he has - you know, owes money to people but most of
239 us do. Stay here, pay off bills, maybe put some money towards future of some
240 sort, you know, and - and, you know, (Bonny) and he just said, you know, and
241 no he wanted to go. And so he called her to his work she came down and he -
242 he said - I wasn't there so I didn't hear what he said.
243
244 Q: This is what he told you?
245
246 A: But what he had told me was...
247
248 Q: Mm-hm.
249
250 A: ...that he told her that he was moving to Hawaii this would pretty much be the
251 only opportunity in his life. He's young, he has no children, he has really no
252 real responsibility and he said that she turned around and walked off and
253 hadn't heard from her since.
254
255 Q: Does he have any connections to Hawaii do you know?
256
257 A: None.
258
259 Q: Okay.
260
261 A: Well...
262
263 Q: Any reason why he'd go there?
264
265 A: ...he's like - I think he's like Laos and like he - he's dark skinned. My mom
266 jokingly played with him that he'd be accepted and - but...
267
268 Q1: Was he distraught about the whole (Bonny) situation?

269
270 A: No he brought it on himself.
271
272 Q1: And he was perfectly fine with it?
273
274 A: Yep. We stood outside and talked about it.
275
276 Q1: And you're...
277
278 Q: Have you talked to (Bonny) since then?
279
280 A: She was - she was just a gal that he had met...
281
282 Q: Uh-huh.
283
284 A: ...and so she came over a few times. Um, it was as far as Chris has children
285 and they were here and I introduced this is (Bonny) this is Jake's girlfriend,
286 you know. So she was here enough to where I wanted to put the name with
287 the face so the kids didn't think there was some gal just walking up and
288 down...
289
290 Q: Right.
291
292 A: ...the stairs and - so and, you know, and I hesitated when I said his girlfriend
293 because I didn't know. I didn't want to be the one that made it uncomfortable.
294 And then when he had came back I apologized. I said, "I didn't want to make
295 it seem weird. I didn't want to put any titles on anything, you know." And
296 he's like, "No it's fine." He was like, "She just asked why, you know, you
297 hesitated about the girlfriend part." Like I should have known better.
298
299 Q: Okay.
300
301 A: You know, not like just - so I didn't - I just this is his girlfriend and everything
302 was fine and they had good times and they went to the movies and they went
303 on hikes and...
304
305 Q: When did you last see her?
306
307 A: Her. I don't think I'd seen her after he told me about the Hawaii thing 'cause
308 she wasn't - she was here often but she wasn't here every day.
309
310 Q: Mm-hm.
311
312 A: And so I don't think I had seen her since he had brought up the whole Hawaii
313 thing. I just asked what he was gonna do about the situation.

314
315 Q: Okay. So it sounds like nothing was bothering him that you could tell?
316
317 A: Nope, right, not a thing.
318
319 Q1: You didn't notice him being distraught or irrational?
320
321 A: No I chat with him all the time. I consider him a brother.
322
323 Q1: Not depressed?
324
325 A: No.
326
327 Q: Not angry?
328
329 A: But he seems like one of those people that he - he might just hold it in. He -
330 he never comes to you and is like, "I have a problem."
331
332 Q: Mm-hm.
333
334 A: He's not, "I'm frustrated. I'm mad. I'm sad."
335
336 Q1: So you wouldn't know?
337
338 A: I mean he - he hid it pretty well if that was the issue.
339
340 Q: Does he drink or do drugs?
341
342 A: I know he drinks. He worked - he would work and he would go and drink
343 with his buddies and stuff and I know he smokes pot. But I wouldn't...
344
345 Q: Doesn't get out of control?
346
347 A: No never. Never once. I had parties here - moving in party and, you know,
348 he wasn't even really here for it. He chose not to be.
349
350 Q: So then did you see him today?
351
352 A: Yeah.
353
354 Q: What was your contact with him today?
355
356 Q1: From like the very beginning to the very, you know...
357
358 A: So he works nights.

359
360 Q: Mm-hm.
361
362 A: So recently I've been complaining a lot that he sleeps until 3 o'clock in the
363 afternoon 'cause I can't vacuum and I can't run the garbage disposal and I,
364 you know, I just have to sit in my own filth until he wakes up. And my aunt
365 and her - and her husband are here from California -- we're the closest family
366 to the airport so they stayed the night in the children's room. And usually in
367 the morning he's here and so we always, you know, tip toe around try not to
368 be rude and Chris noticed that he wasn't here. And so we were helping them
369 take their stuff outside we were saying our goodbyes. He pulled up. I just
370 glanced at him. I didn't even say hi or anything I just looked 'cause there was
371 motion out of the corner of my eye. And he comes in the house and goes back
372 out. And I notice he has these boots. And...
373
374 Q: Was he holding them or carrying - or wearing them?
375
376 A: Holding them - holding them in his hand.
377
378 Q1: What did they look like?
379
380 A: They were tan. They were kinda like work boots. They - they were
381 something heavy duty.
382
383 Q: Okay.
384
385 A: And...
386
387 Q: That's not what he was wearing he was carrying those. Did he have shoes on?
388
389 A: I'm sure he had shoes on but I would have noticed if he didn't have shoes on.
390
391 Q: Sure. Do you remember what he was wearing?
392
393 A: Mm-mm. I didn't pay attention.
394
395 Q: Colors or anything?
396
397 A: No.
398
399 Q: Okay.
400
401 A: Not a single thing.
402
403 Q: Okay.

404
405 A: Everything looked normal. Nothing stood out to me.
406
407 Q: Okay.
408
409 A: Um, he walked in the house walked downstairs. I was sitting right here on the
410 phone with my mom. Mom's chatting in my ear about something - something
411 - something and he comes up and I don't - I don't know why I did but I
412 paused my conversation with my mom and I looked at him and I said,
413 "What's up?" He just - he looked funny there was something on his face. Just
414 something wasn't right. And I said, "What - you know, what's up?" And he
415 said, "Oh nothing." And I said, "You okay." And he said, "Yeah." He's like -
416 I was like, "What are you doing?" He was like, "I'm gonna go help a friend
417 move." Or, "I'm gonna go help a friend right before I move." Is what he said.
418 And I said, "What do you mean?" 'Cause that doesn't make any sense.
419
420 Q: Mm-hm.
421
422 A: And he said, "I'll talk to you about it when I get back." And he had this look
423 on his face.
424
425 Q: Was he carrying anything do you remember?
426
427 A: Uh, I want to say a plastic bag - just a little one like Freddy's handled bag.
428 But I'm not 100% positive it didn't - it didn't catch my eye. It didn't -
429 nothing was wrong.
430
431 Q: Sure.
432
433 Q1: Can you describe that look? Like what did you associate it with? I mean you
434 asked him if everything was okay so...
435
436 A: Right just something wasn't right. The look in his eyes - his eyes, you know,
437 how people kinda do drugs they kinda - their eyes get a little bugged out.
438 They just look a little different their complexion will kinda look a little - they
439 just don't look right. They don't look normal. There's just something really -
440 really off.
441
442 Q1: Okay.
443
444 A: And it - it caught my eye - it caught my attention and I didn't really put two
445 and two together.
446
447 Q: Mm-hm.
448

449 A: 'Cause I wouldn't have stopped the conversation with my mom to talk to him
450 if it - if something didn't register to me as not normal.
451
452 Q: Did you say anything um, to Chris or anything about it or do you remember?
453
454 A: So I'm reading on Facebook and I see something had happened at Town
455 Center and then start talking about it. And then...
456
457 Q1: And you didn't have any more contact with him?
458
459 A: No as soon as Jake...
460
461 Q1: Just that one thing.
462
463 A: One - the weird look on the way out of the house. He told me he'd talk to me
464 about it after he had helped his friend when he came home.
465
466 Q: And that's the last time you saw him?
467
468 A: Yeah.
469
470 Q1: You remember about what time that was?
471
472 A: I would say oh my aunt left at 9:00 so maybe noon.
473
474 Q: Okay. All right so then you said you were on Facebook...
475
476 A: And I noticed something happened at Town Center. I come - you know, I
477 flick on the TV and then Chris is on the phone with his buddies and then
478 things just start to unravel. Chris had gone down in the basement and saw the
479 ammo and he told...
480
481 Q1: Did you go down there?
482
483 A: Uh, I followed - well he went down there and looked at it. And then he
484 brought it to my attention and then I went down there and I looked at it
485 because it - it doesn't really make sense. I know that he had shotguns in the
486 past. I know that he was familiar with guns.
487
488 Q: Okay.
489
490 Q1: Have you ever seen him with a gun?
491
492 A: No. There - I've had issues in my past there are no guns allowed in my house.
493

494 Q1: Okay. That you - that you know of?
495
496 A: We asked specifically.
497
498 Q: How do you know that he was familiar with guns or shotguns?
499
500 A: Um, my little brother told me.
501
502 Q: Was that because he'd go and shoot or...
503
504 A: Yeah I would assume that he'd gone out shooting. Um, my little brother said
505 he was gonna go with him once. I suggested it wasn't a good idea just
506 because the - not that they're young kids but they're still kinda young and if
507 they're drinking and...
508
509 Q1: Where would he get these guns from?
510
511 A: I'm assuming he'd buy them.
512
513 Q1: What - okay.
514
515 A: He's not a street kid. I wouldn't - I would not - he's not somebody out on the
516 streets. I don't - I wouldn't associate him with dirty deals - dirty people
517 wrongdoings. He - in my opinion lived on the right side of the law besides his
518 smoking weed. I would say smoking weed was probably the worst thing he
519 had done.
520
521 Q: What does he like to do?
522
523 A: He likes to be outdoors. He's spur of the moment. He likes to just do things.
524 He - so the whole Hawaii thing didn't strike me as odd.
525
526 Q: Mm-hm.
527
528 A: Because like it was something that would be in his character.
529
530 Q: Mm-hm.
531
532 A: You go on his Facebook I mean it's pictures of him riding his bike with his
533 little camel jockey whatever little drink backpack thing. And hiking and
534 being outdoors and camping and - there was nothing odd about him. Not a
535 single thing.
536
537 Q1: So when you go downstairs with Chris what do you see or what does Chris
538 show you?

539
540 A: He shows me the bag on the floor.
541
542 Q1: What did the bag look like?
543
544 A: It's a plastic bag two handles a white bag not from Freddy's or anything and
545 outside around the bag is it's like a bullet case like the bullets come in.
546
547 Q1: Okay.
548
549 A: But it - I'm not familiar with guns so when you look at it a little closer you
550 could tell it's kinda rounded like the bullet shells would sit inside of this thing.
551
552 Q1: Okay so it's like a...
553
554 A: But I didn't notice at first it was empty. I thought that they - I don't know
555 what I thought. I thought maybe the bullets were inside of there. I didn't - I
556 just didn't notice they were empty until Chris was like, "Well we might have
557 an issue." Just joking.
558
559 Q1: What color were they?
560
561 A: The bullets or the case? The black thing that the bullets are sitting in are
562 black.
563
564 Q1: Okay.
565
566 A: And then...
567
568 Q1: Are there actual bullets?
569
570 A: I don't think so.
571
572 Q1: Okay.
573
574 A: I looked through because this is where things start to turn and get strange. So
575 we see all this. I call my mom. I'm really good friends with my mom and I'm
576 like, "Mom this is kinda weird." Just thinking it was weird. Not a possibility
577 in my mind at this point just weird. And...
578
579 Q1: Now - now let me clarify 'cause Chris tells us that he goes down and finds the
580 bullet uh, boxes - the - the ammo boxes - the empty ammo boxes...
581
582 A: Yeah.
583

584 Q1: ...at - at, you know, in the morning.
585
586 A: I didn't - I didn't see that. I hadn't gone down there until the shots and stuff
587 had fired here and then he had said something to me about it and then we had
588 gone down there together.
589
590 Q1: To - together.
591
592 A: Yeah.
593
594 Q1: How many times did you go down there?
595
596 A: Oh I'd say probably four or five times.
597
598 Q1: Okay. And then what did you find - you - you found the ammo boxes.
599
600 A: Uh-huh.
601
602 Q1: In a white nondescript plastic bag.
603
604 A: The bag's right here it's like right here. So it's not even in the bag. It's
605 outside the bag. It's on the - it's on the floor.
606
607 Q1: All in his bedroom correct?
608
609 A: All in his bedroom.
610
611 Q1: And then what else did you find?
612
613 A: Um...
614
615 Q1: What else were you shown?
616
617 A: Well and then I was - he went down there 'cause I asked him what days were
618 the receipts from because I think, you know, maybe he bought the bullets ten
619 years ago and he had just pulled them out 'cause he's moving and he's gonna
620 give them away. And he looks and it's - it's two days ago.
621
622 Q: And the receipts do you know where they were from?
623
624 A: I want to say like Big 5. I might be wrong. I didn't really look. I looked
625 more at the price...
626
627 Q: Mm-hm.
628

629 A: ...because that I was interested in because I didn't - I don't know if it had
630 been two weeks since this whole inheritance thing was coming so I'm
631 wondering if like maybe he's like blowing all this money. Maybe he's going
632 on to the woods with all the guns and bullets and he's gonna live off the land.
633 Really who knows what he was gonna do.
634
635 Q: Do - did you remember what the price was?
636
637 A: It was like 50 bucks for two different receipts. There's multiple receipts down
638 there.
639
640 Q: Okay.
641
642 A: There's like I - I would say probably three or four. I didn't look at them all.
643 Chris was going through it a little bit more than me.
644
645 Q: Mm-hm.
646
647 A: Um...
648
649 Q1: And where are the receipts again?
650
651 A: They're in the bag. They might be scattered around the bag at this point.
652
653 Q1: Okay. But they were in that white bag...
654
655 A: Yeah.
656
657 Q1: ...that you're talking about?
658
659 A: Mm-hm. There's two bags sitting side by side.
660
661 Q1: Okay.
662
663 A: And then one bag has like his plan to go to Hawaii. You know, the leave date
664 the come back date the everything. And...
665
666 Q: So he was gonna come back?
667
668 A: Yeah he had for a year - he had...
669
670 Q: Okay.
671
672 A: ...set it out for October 25. And he was gonna go there and where he's
673 working or was working the current - his buddy he's really good friends with

674 the current owner of Big Bertha's he considered him his best friend. Um, is
675 selling it or selling it to a buddy switching owners so somebody else is gonna
676 start working there. They have timeshare in Hawaii so he was gonna go and
677 stay in this guy's timeshare until he figured out what island he wanted to stay
678 on.

679

680 Q: His boss?

681

682 A: Yep.

683

684 Q: Mm-hm.

685

686 A: The day boss.

687

688 Q: Okay.

689

690 A: And that was his game plan.

691

692 Q: And you said you talked to your mom and things were sounding weird.

693

694 A: She - okay so my little brother is kinda confined to his own ways. He doesn't
695 like to spill his guts or his secrets or anything like that. So the first time that I
696 called him and I - I said to Tyler I said, "Do you think it's a possibility?"
697 Because it's his friend. And he just - he said no. And then I talked to my
698 mom again. And then my mom called me back and she's like, "You know,
699 your brother's crying." And - and I said, "Why?" And then she said, "Because
700 he had come over around 3:30." And my parents live off King Road off like
701 82nd and King and he had given Tyler a bracelet that he always wore.

702

703 Q: Today?

704

705 A: Yeah. At like 3:30 this afternoon.

706

707 Q1: Tyler is your brother?

708

709 A: My little brother. He has like this um, you know, support breast cancer the
710 rubberish kinda...

711

712 Q1: Mm-hm.

713

714 A: ...I don't know what it says on it but it says something on it and Jake always
715 wore it. Gave that to my brother and uh, gave him a hug. Told him that he
716 was leaving, things were heading south and Tyler was like, "Well, you know,
717 did you get into a fight with Jaime and Chris?" And he was like, "No." He's
718 like, "Well did you get kicked out?" And he said, "No." And he said, "Well

719 then what's going on?" And he didn't want to say. He said things were just
720 going south and, "I think I'm gonna head south and somewhere where it's
721 warm." And gave him the bracelet and left. And then Tyler didn't really think
722 anything of it until I was like, "You know, this is really weird. I don't know
723 what's going on at this point." And started to freak out, you know, "Is this - is
724 this a possibility in your opinion?"
725
726 Q: Mm-hm.
727
728 A: And he was like, "Yeah but no I don't want it to be, you know, I don't, you
729 know, I don't want that to be the truth."
730
731 Q1: I mean can you think of anything?
732
733 A: Not - not a...
734
735 Q1: That would make him snap or do this?
736
737 A: The only thing I can come up with is he has nobody besides me and my
738 family.
739
740 Q: But he wanted to go to Hawaii and...
741
742 A: But that's the thing that I...
743
744 Q: ...for some reason.
745
746 A: ...brought up today. Who's to say this wasn't planned. Because he was
747 supposed to - I left - I left with my family on Thursday for Vegas I have a
748 retriever slash (unintelligible) and she's a big ol' monster and so she's always
749 babysat when I'm gone 'cause I don't want her to eat the house. And so I
750 asked Jake specifically will you be able to keep an eye on (Lila) let her in and
751 let her out to go potty and he said yes. And so we were gonna be gone from
752 Thursday 'til Sunday. And then come Thursday he says I'm leaving Saturday.
753 Just walks in the kitchen me and Chris were standing there...
754
755 Q: Last Saturday.
756
757 A: Last Saturday, "I'm leaving Saturday." And I said, "What are you talking
758 about? I thought you were watching my dog." And his cheeks turned red like
759 maybe like I don't know, you know. And I was like, "Well what the hell?"
760 And he was like, "Well I'm leaving." And I said, "Okay." So then we
761 arranged for his cousin to come and stay and then after we get home Jake
762 comes out here and he's standing there talking to us he's like, "Yeah man I
763 went out partying last night at like 7:00 I didn't get home until 10:30 in the

764 morning." Well my face did drop that means my dog had been locked in the
765 house all night long and then - and then you're venting to me that she pooped
766 in your room and now you're mad at me that you left my dog in the house for
767 12 hours a day and she poops. And you could tell he just kinda wanted to
768 suck the words right back in and so I was kinda angry about that. I thought
769 that was very like irresponsible of him. I didn't really - and then for him to
770 kinda switch steps. So I asked him we had gone out - he came outside and he
771 was talking to us and I was like, "So you switched the date of the flight." And
772 he said, "Yeah." And I was like, "Well did that cost you anything extra?" And
773 he's like, "Uh." Seriously, "Uh." Probably for like 30 - 45 seconds. And I'm
774 just like you - you would know if it cost you extra money or not it's not uh.
775 And so that was just really weird. So then that was the first time I got a gist
776 that he wasn't leaving.

777
778 Q: Mm-hm.

779
780 A: So then we got back Sunday. He went over and he hung out - he was hanging
781 out with my brother a lot. And I just thought it was because he was moving to
782 Hawaii and he was going over to my mom's house and I had been venting all
783 weekend to my parents on how I think it's crappy that, you know, he doesn't
784 pay for toilet paper, he doesn't pay for laundry detergent, he doesn't do the
785 laundry, he stores his trash in his bedroom which makes my upper stairs, you
786 know, stink. But not that I wanted him to really - I wanted him to move out
787 but now looking back I - I, you know, it wasn't that big of a deal.

788
789 Q: Mm-hm.

790
791 A: But...

792
793 Q: It wasn't like you had a huge fight or anything like that.

794
795 A: I never - I - he didn't get mad. I would never scream at him. Tyler said today
796 he's like, "Well I thought maybe you kicked him out." And I was like, "I
797 would never put him out."

798
799 Q: Yeah.

800
801 A: It's already been done to him. I wouldn't do that to him.

802
803 Q: Right. It sounds like you were really a good friend to him.

804
805 A: He's like a brother. Who does that to somebody's kid? I mean could you
806 imagine how he must have felt. His mom and his dad just put him out and he
807 was nobody nowhere nothing. He wasn't even adult I don't think.

808

809 Q1: Would Tyler or your folks know where his folks are?
810
811 A: I know his mom's on the back side of um - the back side of Shell - Shell
812 Subway everything over on...
813
814 Q1: Uh-huh.
815
816 A: ...82nd the street that runs parallel to 82nd down one.
817
818 Q1: Fuller.
819
820 A: Yeah I think so. She lives in an apartment complex back there.
821
822 Q1: What's her name? But - but his mom lives...
823
824 A: She lives over there in apartment complex that has really - really big speed
825 bumps.
826
827 Q1: Do we know what it looks like?
828
829 A: It's - it's kinda down by La Salle - La Salle High School. And it's just all
830 single story apartment complexes.
831
832 Q1: Okay.
833
834 A: And it - ones are set up like this and then you drive down here...
835
836 Q1: What color are they?
837
838 A: I don't know. They're crappy.
839
840 Q: Um, where did he go to high school and stuff?
841
842 A: I want to - I don't know. He might have went with my brother to Clackamas
843 Middle College but I'm not sure. I - he was going to Clackamas Community
844 College.
845
846 Q: Like right now?
847
848 A: Like a year or two ago. He was - I think he graduated. He wanted to be a
849 firefighter that jumped from airplanes and put out fires.
850
851 Q1: Did he grow up around these parts?
852

853 A: Um, he grew up where he was - he was bouncing between his mom's and his
854 dad's. His dad's was out way past Beavercreek and Oregon City like out in
855 the boonies. Like you couldn't even like ride your bike anywhere...
856
857 Q: Oh yeah.
858
859 A: ...out there. And then his mom was over there off Fuller. Or...
860
861 Q: So they're divorced?
862
863 A: Yeah she's...
864
865 Q: Okay.
866
867 A: ...like she's crazy.
868
869 Q1: Do you know where his car could be?
870
871 A: No.
872
873 Q1: But he had it today?
874
875 A: Yeah he left in it and it was packed full of stuff.
876
877 Q1: What kind of stuff was it packed full of?
878
879 A: I don't know I didn't - just bags stuff.
880
881 Q: How long has it been that way?
882
883 A: The back windows of his car are tinted. I never pay too much attention to his
884 stuff.
885
886 Q: How did you see that it was packed...
887
888 A: 'Cause he...
889
890 Q: ...full of stuff?
891
892 A: ...opened the back door to put something else in.
893
894 Q: Today?
895
896 A: Mm-hm.
897

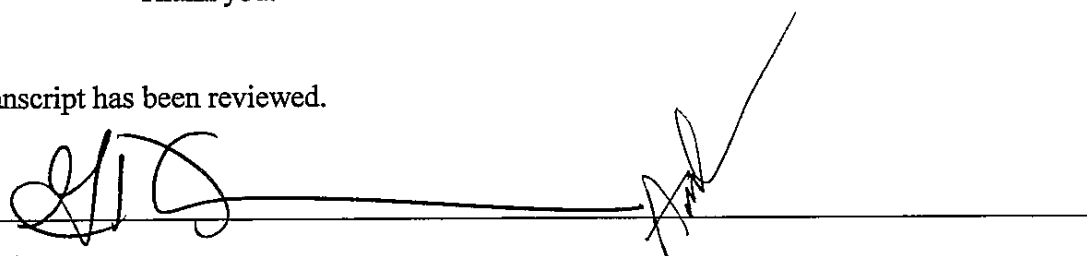

898 Q: Okay. Um, Jaime what is your date of birth?
899
900 A: [REDACTED]

920 address there?
921
922 A: [REDACTED] Milwaukee Oregon 97222.
923
924 Q: Okay. And uh, what are your parents' names?
925
926 A: (Kelly) and (Mark) Eheler.

941
942 A1: Yeah the guy with the red - the little Indian guy with the red and black...

943
944 A: Streak - streaks in his hair.
945

957 A: I don't know.
958
959 Q1: But he - he had - you saw him with a hockey mask?
960
961 A1: It's not a hockey mask. It's kinda like a white - you know, like the ones that
962 kinda - it's just like the shape of the face it's got the eyes and the little slit for
963 the mouth.
964
965 Q1: Okay.
966
967 A1: It's not - you know, it's not a hockey...
968
969 Q1: So it's a mask.
970
971 A1: It's a mask - it's a white mask. It's not a hockey mask though. It's not like a
972 Jason...
973
974 Q1: And that was part of his Halloween costume?
975
976 A1: He bought it at Halloween yeah. He was gonna use it at work. 'Cause I was
977 gonna wear it 'cause I didn't have a costume for a party we were gonna go to.
978
979 Q1: Okay.
980
981 A1: And I didn't wear it 'cause I just said screw it I'm not gonna go buy a costume
982 at the last second.
983
984 Q1: Okay. When was the last time you saw that hockey mask - or that mask
985 excuse me?
986

987 A: It - it was up in my living room for the longest time. I'd play with my dog
988 with it so I'd say about probably a month after Halloween.
989
990 Q1: Okay. So a month after Halloween you hadn't seen it it disappeared.
991
992 A: It - it'd been around and then finally I cleaned off the table and I went and I

Q: Okay. And then, um, kinda like what we talked about, um, just for very briefly, why is it that you're talking to the police right now?

A: Um, I don't know, thing have just - a roommate's been acting kind of weird lately, um, saying he's gonna move to Hawaii and stuff like that. And it was all kinda sudden, um, and then just today, you know, he's kinda been in and out real quick. Uh, he - he wasn't here when we woke up, which he usually is 'cause he works at night. Um, you know, and, uh, I went downstairs to do laundry which is the same area where he - he rents from us to live in...

Q: Okay.

A: And, uh, you know, noticed that all his stuff was moved out of his room and when you turn the lights on it turns on the lights for the whole basement.
