SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

ACTION TAKEN:

On December 11, 2012 I was advised by a Trooper at the Oregon State Police office in Milwaukie that there was an active shooter at the Clackamas Town Center Mall.

I overheard on the radio that the suspect was shooting at the Macy's home store. There were multiple reports that were going out over the radio. The initial description of the suspect was that he was

wearing all black, was possibly wearing body armor and was wearing a hockey mask. The next report was that there were possibly three shooters.

I parked my patrol vehicle in between J.C. Penny's and Macy's home store. When I exited my patrol vehicle there were multiple law enforcement officers arriving at the same time. We approached the entry between the two stores.

As I was approaching the building a mall employee was standing by the trash compactor. He told us that the suspect was wearing a hockey mask and had just gone down the stairs.

There was a group of about five of us that formed a cell and began actively searching for the suspect and possible victims of the shooting.

We cleared multiple areas in the mall including but not limited to the theater, the food court area, the Macy's home store and the rear hallways and stairwells.

We continued with the building search until we were advised that the Special Weapons and Tactics Teams arrived.

At the completion of the task I cleared the scene to resume normal patrol.

CASE SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside

entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

REPORT SUMMARY:

This report documents my assignments for this case which were to interview victim Kristina Shevchenko at OHSU, collect the bullet fragments that were surgically removed from her and to interview other witnesses that had been identified but not yet interviewed.

ACTION TAKEN:

On Tuesday, December 11, 2012, at around 4:00pm, I was assigned to go to OHSU to interview an unnamed seventeen (17) year old female shooting victim of the Clackamas Town Center shooter.

I arrived and was led to the victim's room by OHSU Police. A nurse asked the victim if she was willing to speak with me. The victim asked that I come back later to interview her. It appeared she was in pain. However, the victim's sister was there and she gave me the victim's name and personal information. The victim was identified as fifteen-year-old Kristina Veniaminovna Shevchenko. The victim's sister also told me that the victim was accompanied by a friend during the shooting and that the friend was in the hospital and enroute to the room and would be willing to speak with me. I ended up speaking with Shevchenko's friend who identified herself as Alyona Jessica Chukhrii. Chukhrii gave me her statement and provided a hand written sketch to assist in describing the incident scene. Since Shevchenko was taken into surgery, I called Sgt. Harrington and provided him with the information Chukhrii gave me. Sgt. Harrington told me that I could return the next day to interview Shevchenko.

On Wednesday, December 12, 2012 at around 11:45am, I returned to OHSU and interviewed Kristina Shevchenko. Refer to the STATEMENTS section.

At around 12:53pm, I went to the OHSU Police office and met with Sgt. Royanne Mathiesen. Her department's personnel had seized the bullet fragments removed from Shevchenko during surgery. I took custody of those bullet fragments and signed their property sheet to that effect.

At around 1:54pm, I placed the bullet fragments into evidence at OSP-Portland and was asked by Sgt. Harrington to follow-up on tips that had come in from witnesses that had yet to be interviewed. I followed up on Clackamas Tip #726-18 (interview of Kristy Pate) and Tip #726-40 (interview of Kelly Lay). Refer to STATEMENTS section.

STATEMENTS:

Alyona Chukhrii told me the following in substance:

- Chukhrii and Shevchenko are friends and they both attend the Clackamas Middle College. They were walking together through the mall to get home which was a typical route.
- While standing near the interior entrance to the Macy's department store, Chukhrii saw the suspect running from within the Macy's store and out to the interior area of the mall a short distance from where the girls were standing. Chukhrii described the suspect as wearing a white hockey-style mask that had a black strap holding it on the suspect's head and all black clothing. She described the suspect as having a "long modern-looking gun" strapped to the front of his chest.
- Chukhrii saw a group of approximately four (4) adults and three (3) kids standing a few feet to the left of where the suspect stopped just outside the Macy's store. She described the group as appearing to be of Asian descent. She saw the suspect raise his gun towards the group but he did not appear to shoot at them. He then looked to his right which was in the direction Chukhrii and Shevchenko were standing. Chukhrii then heard gunshots and knew the suspect was firing in their direction.
- As Chukhrii and Shevchenko began running towards the K Jewelers store, Chukhrii saw a man drop in front of them as though he'd been shot. The girls ran to the jewelry store and hid behind a pillar. Another unknown female joined them behind the pillar to hide. Within seconds, the suspect ran by their location and out of sight.
- After the girls got to the pillar, Shevchenko began complaining that she was experiencing pain to her right side. Chukhrii checked the right chest area of Shevchenko but only saw some tearing in her shirt and no blood. Believing that Shevchenko was not shot and that the bullet had just grazed her clothing, they got up and eventually made their way outside where Shevchenko got medical attention.

Kristina Shevchenko told me the following in substance:

- Shevchenko was walking through the mall with Chukhrii on their way home from school.
- Shevchenko and Chukhrii were standing outside the Macy's store when Shevchenko first saw the suspect walk from the Macy's store into the open area near them. Shevchenko wasn't certain but thought the suspect was dressed in all black. She definitely saw that he had a white mask over his face. Shevchenko never saw that the suspect had a gun until he raised it up and pointed it and she heard at least three shots.
- Shevchenko immediately began running away from the suspect towards a nearby jewelry store with Chukhrii. While running with her back to the suspect, Shevchenko felt pain in her right side. She knew she'd been shot.
- Shevchenko and Chukhrii ran to the jewelry store and hid behind a pillar. Another female joined them behind the pillar to hide.
- Shevchenko never heard the suspect say anything.

Kristy Pate told me the following in substance:

- Kristy was walking through the mall along the top level to her job at the H&M store.
- She saw the suspect walking near Macy's wearing all black clothing and wearing a white mask over his face. She remembered thinking how strange it was and staring at the suspect.
- Kristy never saw the suspect holding a gun.
- Kristy looked away and began walking when she heard gun shots. She immediately assumed it was the suspect she'd just seen. Kristy took off running for the escalator without looking back.
- Kristy went to the H&M store where she was eventually evacuated out of the building.
- Kristy was not injured in any way.

Kelly Lay told me he had already been interviewed by Gladstone PD Officer Voss. I verified that with Officer Voss.

SUMMARY:

On December 11th, 2012, at about 3:29 PM, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the

incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

ACTION TAKEN:

On December 11, 2012, at approximately 3:51 PM, I was asked by Oregon State Police Sergeant Gregg Withers to respond to the Clackamas Town Center Mall where an active shooter had shot multiple victims inside the mall. The information I received was that the shooter was still at large and law enforcement officers on scene searching for the suspect.

At approximately 6:30 PM, I arrived at the command post set up at a parking garage on the east side of the mall. I spoke with Sergeant Jon Harrington who directed me to the Oregon Health and Sciences University (OHSU) to interview a victim of the shooting that had been transported to OHSU.

At approximately 7:10 PM, I arrived at OHSU and spoke with Detective Kyle Wilson who had also been assigned to respond to OHSU to interview injured victims of the shooting. After talking with the command post and medical staff at OHSU we determined there was only one victim who was sent to OHSU. Detective Wilson had briefly spoken with Kristina V. Shevchenko who had been admitted with a gunshot wound to her abdomen and was being rushed into surgery.

Detective Wilson explained to me he was unable to obtain a statement from Shevchenko, but was able to talk with her friend who was also at the mall and had witnessed the shooting (refer to Detective Wilson's supplemental report).

I collected the clothing that had been cut from Shevchenko in the emergency room during the process of prepping her for surgery. The clothing was entered into evidence and has been lodged at the Oregon State Police evidence room located at 3710 Portland Rd. Salem, Or 97301 under OSP case number SP 12-277973 (refer to attached OSP property form bearing SP12-277973). I gave Veniamin Shevchenko, Kristina's father, a copy of the OSP property form.

ACTION TAKEN

On December 11, 2012, I was on routine patrol on Highway 22E when I was instructed to return to the valley and then later instructed to go to the Clackamas Towncenter Mall and report to Sgt. Craig Ball. I arrived in the area of the command post at 7:13PM. I was later instructed to interview a Macy's employee who works in loss prevention.

At 7:40PM, I began interviewing Brooke Raquel Smith, in person, in the east parking structure on the grounds of the Clackamas Towncenter Mall. Ms. Smith identified herself as a Loss Prevention Detective employed by Macy's for the past one and one-half years. She gave me a statement describing the things she saw and did after coming to work at 2:30PM that day. Her statement is attached.

Smith, Brooke Raquel DOB [REDACTED] (Macy's security)

ODL [REDACTED]

On December 11, 2012, at approximately 7:40PM, Sr. Trooper Douglas Brown interviewed Brooke Raquel Smith, in person, in east parking structure on the grounds of the Clackamas Towncenter Mall. Present also was Jahmela Leitner with Clackamas County Victim Assistance. Ms. Smith stated, in substance, as follows:

"I have worked for Macy's here at the mall for one and one-half years as a Loss Prevention Detective. I was scheduled to come to work at 2:30PM. I arrived at 2:00PM and parked initially at the loading dock. I then moved to the parking lot and came back into the mall. I did some shopping and then clocked in at Macy's at 2:30PM. My first task was to catch up on internal and external reports. We then had our weekly conference call in which the district manager takes part. The call was at about 3:00PM. I was in the "camera" room for the conference call. At about 3:30, all of the phones began ringing. I heard someone say "gunshots." I looked at one of the camera feeds and saw a black blur run across. It was the camera in the Macy's Home store. The camera looks toward the mall doors and points south. It can be scanned to the east or west. I turned the camera to the east and saw a subject dressed in black carrying a black assault type rifle. He either had on a black hat or had very dark hair. The subject was heading toward the corridor doors which are on the east side of the Macy's Home mall doors. There are several sets of metal double doors there and the corridor is for employees to access to move freight. The corridor is not intended for the use of the public. (Note: Doors are posted with words to the effect of "Authorized Access Only.")

The subject appeared to have a heavy black jacket and black pants. The pants were not baggy. I didn't notice his shoes but I think they must have been black also or I would have noticed. I saw him hesitate and a "clip" dropped onto the floor. I think what I saw him doing was inserting another magazine into the gun. He then went through the doors into the corridor and our cameras do not cover that area.

At this point, all of our phones were ringing. We could not call out to 911 because as we would hang up a phone, it would ring again. I tried to call mall security to tell them where he was going but there is no cell phone coverage in the camera room. I went outside of the room to where I could get a signal and began calling mall security. When I finally connected, I told them the subject had gone into the corridor and that he might come out at Penny's.

I went back into the camera room to see what we had in the Intellex system. I found video of the same subject coming into our main Macy's store from the parking lot. I panned to see if I could see what car he came from but I was not able to see that. The subject then ran right through our store and out into

the mall. We do not have footage of him shooting. It appears to me that he ran through our main store into the mall, fired some rounds, and then ran down the mall across the front of our Home store to the point where he entered the corridor. It appears that the subject entered the south doors of our main store at 3:25PM. He was running the entire time that he is on our video.

We took steps to make sure our video is preserved and we burned a CD with the video on it. I believe the video has been turned over to the police. If I learn otherwise, I will call you to let you know."

ACTION TAKEN:

On Tuesday December 11th, 2012 at about 5:30 PM I was contacted by Lieutenant Steve Duvall concerning the above listed investigation. I was asked to respond to the Clackamas Town Center where I would receive further information.

I arrived there at approximately 6:30 PM and spoke with Sergeant Jon Harrington. He asked me if I would assist Clackamas County Detectives as they went through surveillance footage of the mall. I went to the surveillance/ security area of the Clackamas Town Center. When I arrived there I was informed they were working on the secondary clearing of the Town Center using SWAT teams.

They asked if I would assist in marking businesses as cleared once the Clackamas County SWAT team cleared them. I walked through the second floor of the mall with members of the SWAT team and marked each business as they were cleared. A copy of the businesses was given to the Clackamas County detectives after the mall was cleared.

OSP SWAT (Tactical Team/Search)

SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

ACTION TAKEN:

On December 11, 2012 at approximately 3:59PM the Oregon State Police SWAT team was paged out to respond to the Clackamas Town Center Mall located at 12000 SE 82nd Ave in Portland to assist with an Active Shooter that had occurred at approximately 3:29PM.

Further information that I received prior to my arrival at the mall, the main suspect, Tyler Roberts, died of an apparent self-inflicted gunshot wound and that two other victims may be dead with another victim at the hospital. Conflicting reports may have also suggested another outstanding shooter at the time of the SWAT page.

Upon my arrival (Approx. 4:50PM) of the Clackamas Town Center Mall, myself along with other OSP SWAT team members were briefed of the situation. The OSP SWAT team was tasked out to clear/search the Clackamas Town Center Mall with other local SWAT teams to find any other people that may be hiding because of the shooting or of a possible threat that may still be inside the mall.

Once the entire OSP SWAT team was given the order to move out, we entered the Clackamas Town Center Mall and started to clear the 1st floor. While clearing multiple locations/stores of the mall, Sr. Tpr. Aaron Roth and I were partnered together and came upon the scene of the deceased suspect, Tyler Roberts. The location of the suspect was inside the corridor hallway on the 1st floor near the entrance of Macy's. The crime scene appeared to be secured by three uniformed Portland Police Bureau officers. After we cleared the surrounding area of the crime scene we continued to move upstairs to the 2nd floor. Once the entire mall was cleared/searched we all met at the Food Court and were released.

SUMMARY: On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

ACTION TAKEN: On 12/11/12, at 3:34 PM, I arrived at the Clackamas Town Center in after hearing Central Dispatch report an active shooter in the mall.

My time markers for events that occurred inside the Mall during this incident are only approximations. During my time inside the Clackamas Town Center, I did not record hard times or involved officer information.

As I arrived, I parked my unmarked undercover State Police car in front of the main entrance of the Mall and entered the front doors. This is the main entrance that faced Sunny Side Rd. Upon entry, there were three other uniformed police officers near the main doors.

I don't recall the names or agencies of the officers present, with exception to other Oregon State Police Troopers I saw later during the clearing of the Mall.

The three officers I encountered at the main entrance and I formed a "Pod," and began advancing into the mall in an attempt to locate the active shooter. One of the officers announced there were as many as three active shooters. I did not have a radio and relied on uniformed officers to announce updates.

As the "Pod" moved north into the main hall way, I noticed other Pods of officers were formed and were moving through the upper level and to the west lower level.

During our initial movement into the Mall, an officer in my Pod announced Macy's was the last know location of the shooter. Our Pod and other Pods began clearing the Macy's furniture store which is directly north of the main entrance lower level.

INCIDENT REPORT

CASE # 12-277973

DATE 12/11/12

Page of

During the initial ten minutes of this movement we guided and directed many mall patrons out the front entrance. It was very noisy in the Mall and I did not hear anything the entire time I was in the Mall I could conclusively call a gunshot.

Approximately fifteen minutes after I arrived at the Mall, officers with radios announced one suspect matching the description of the active shooter was found deceased near the Sears store.

I spent the next hour with other officers from various agencies clearing the Macy's furniture store, including a vast storage area behind the retail store.

After the Macy's furniture store had been systematically cleared, I and approximately ten other officers started at the far east end of the lower level and systematically cleared every store back to the main entrance. During this movement, we located approximately one hundred mall patrons that had been hiding in back rooms and safe rooms throughout the east side of the mall. Many of these patrons had been sent down stairs from Pods clearing the upper level.

During my time in the Mall, I did not see the suspect alive or deceased. I did not see any of the victims alive or deceased.

At approximately 5:20 PM, an announcement was made for all non uniform officers to exit the Mall.

I exited the Mall through the main front entrance and took a security position near the door. I remained there until approximately 6:00 PM. This entrance was secured by Portland Police Bureau.

I went to the command center near the parking garage and signed a legal pad indicating I had been involved with the incident and left the scene.

SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

As part of this investigation, I interviewed Melissa Calhoun.

ACTION TAKEN:

On Tuesday, December 11, 2012 at 3:45 p.m., I responded to the Clackamas Town Center located at 12000 SE 82nd Ave #2185, Happy Valley, OR within Clackamas County for an active shooter emergency call. As part of the Clackamas County Major Crimes Team, I was asked to interview witnesses to the shooting.

At 5:00 p.m., I spoke with Melissa Calhoun, who was identified by an Oregon Driver License. The interview took place in the sergeant's office of the Transit Police Office on the East side of the Clackamas Town Center near the Trimet transit station. During the interview, I was wearing business attire and concealed my badge and firearm underneath my jacket. The room was furnished with a desk that divided the room. Melissa sat near the door and I sat across from her at the desk.

Melissa told me she was walking from Bath & Body Works toward the Oil & Vinegar store on the upper level of the mall when she heard a loud noise. She described the loud noise as if something metal was hitting the floor. She told me she turned towards the noise and heard five more noises. She told me now she identified the noises as gunshots. She told me she saw a person carrying a rifle across the way. She told me the rifle looked like an AR15 and the shooter was firing the weapon one handed. She told me she could not tell if the shooter had a sling on the rifle.

Melissa told me the shooter was six feet tall and of average build. She told me the shooter was wearing all black and a white, hard shell mask. She told me she was appx. 25 feet away from the shooter the entire time.

Melissa told me the shooter was firing the weapon in her general direction in a sweeping motion. She told me she did not think the shooter was aiming at any one particular person. She told me there was a young, slender female in her early twenties standing next to her. She told me the young female was

wearing a red and black checkered shirt. She told me she turned to her and told them to run. As soon as she said this, the young female fell to the floor. She told me she did not know if the young female tripped or was shot because she ran into the Zumiez and hid in the backroom.

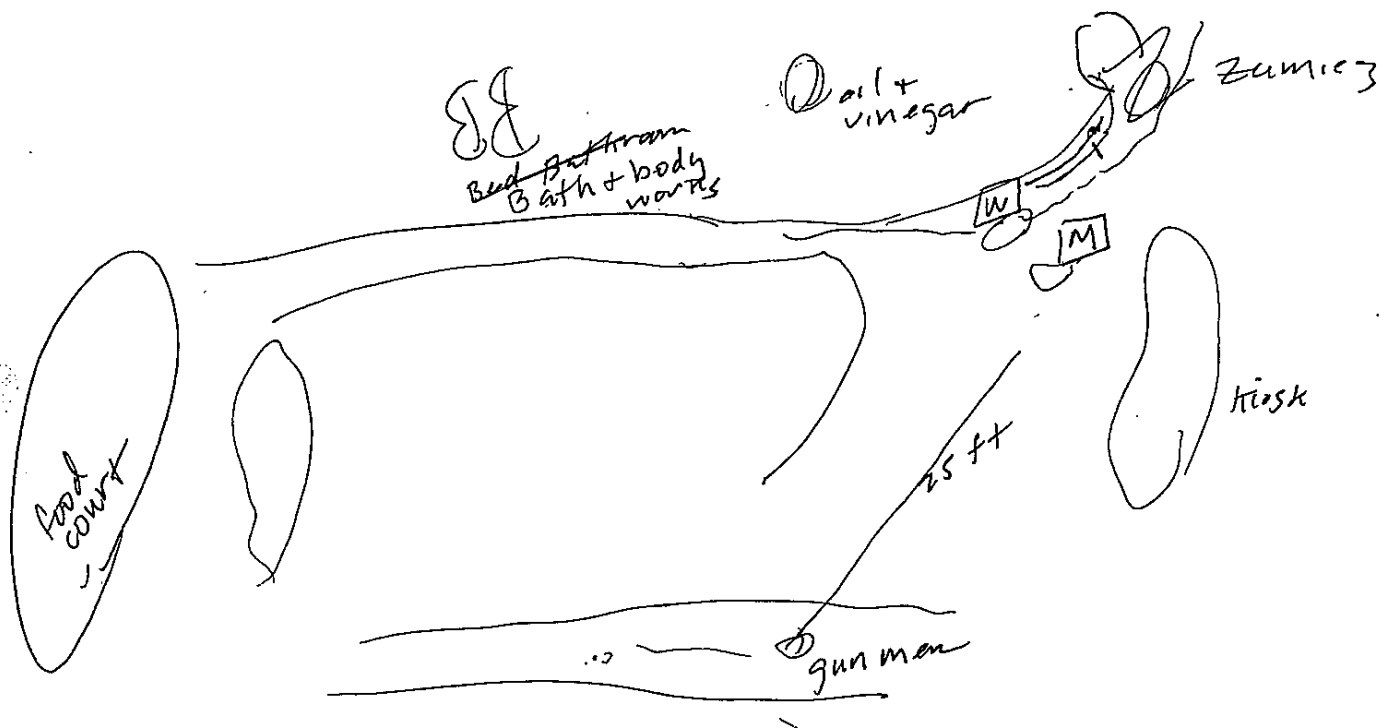

Melissa diagramed the immediate area where she saw the shooter and the incident took place. Refer to attached diagram.

ACTION TAKEN:

On Tuesday, December 11, 2012 at 3:45 p.m., I responded to the Clackamas Town Center located at 12000 SE 82nd Ave #2185, Happy Valley, OR within Clackamas County for an active shooter emergency call. As part of the Clackamas County Major Crimes Team, I was asked to interview witnesses to the shooting.

At 5:05 p.m., I spoke with Jenna Chism, who was identified by name, date of birth and a student id card. The interview took place in the sergeant's office of the Transit Police Office on the East side of the Clackamas Town Center near the Trimet transit station. During the interview, I was wearing business attire and concealed my badge and firearm underneath my jacket. The room was furnished with a desk that divided the room. Jenna sat near the door and I sat across from her at the desk.

Jenna told me she arrived at the mall around 3:15 p.m. She told me her and her friend were near the food court when they saw a person wearing dark clothing and a white hockey mask in front of the bathrooms. She told me that person had a "high school body frame" and was no taller than 5'7". She told me she never saw the person's face and he did not have a weapon. She told me that person was scaring little kids by making monster noises and waving his hands.

Jenna told me she walked away and toward the Tilly's store. She told me when she started walking into the store, she heard approximately eight gunshots. She told me originally she thought the gunshots sounded like something metal hitting the ground. She told me she ran toward the back of the store and thought she heard the window of the store shatter.

SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

As part of this investigation, I interviewed Roman Jett Kitzmiller.

ACTION TAKEN:

On Tuesday, December 11, 2012 at 3:45 p.m., I responded to the Clackamas Town Center located at 12000 SE 82nd Ave #2185, Happy Valley, OR within Clackamas County for an active shooter emergency call. As part of the Clackamas County Major Crimes Team, I was asked to interview witnesses to the shooting.

At 4:42 p.m., I spoke with Roman Edrick Jett Kitzmiller, who was identified by an Oregon Driver License. The interview took place in the sergeant's office of the Transit Police Office on the East side of the Clackamas Town Center near the Trimet transit station. During the interview, I was wearing business attire and concealed my badge and firearm underneath my jacket. The room was furnished with a desk that divided the room. Roman sat near the door and I sat across from him at the desk.

Roman told me he was walking in the mall near the Billabong store on the upper level. He told me as he rounded the corner, headed to the Sears store he heard gunfire. He told me there were too many shots to count. He told me he could not see the shooter. He told me while he was near the Zales store and a kiosk that sells socks, he saw people running, falling down and smoke coming from around the corner. Roman told me he saw one man hit by gunfire. He told me that person looked like they were shot in the head. Roman told me he ran into the Zuniez store and hid in the back room.

SUMMARY

On December 11, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot two people near the inside entrance to Macy's on the second floor of the mall and one person on the first level. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

As part of this investigation, I responded to the Clackamas Town Center Mall and assisted with securing perimeter and taking witness statements.

ACTION TAKEN

On December 11, 2012, at approximately 3:31pm, I heard someone in the office say there was an active shooter happening at the Clackamas Town Center Mall. I immediately took off for the mall.

I arrived at the north side of the Town Center within minutes to find people coming out of the area of the parking structure and Nordstrom north doors. As I got out of my vehicle and popped my trunk to get out my shotgun, Joel Holodynski cautiously approached me, saying he had seen the shooter and had a description. He briefly stated that the shooter was upstairs, carrying a rifle, wearing a white ski mask and dressed in black. Joel Holodynski said, "He was walking that way" using his hand to point east. This description matched one I had heard come over the police radio.

People were still coming out of the parking structure and more were driving in from 82nd Avenue and SE Monterey Avenue. Concerned that I may lose him, I handed Joel Holodynski a pen and pad of paper and asked him for his name, address, phone number and statement as I tried blocking roadways with my vehicle and directing people.

Joel Holodynski finished his statement and brought it over to me. He said I could call him if I needed more information. Foot traffic out of the mall had stopped, mall security was blocking roads and additional units had arrived.

Outside the food court area, I located a Clackamas County Deputy and learned that unofficially the shooter was down. I located the CP (command post) and assisted in locating a mobile AFIS unit from the Transit Unit then I began taking additional witness statements.

At approximately 8:13 pm, Detective Meyer and I met with CCSO Detectives to go with Sean Gates to his residence. When we arrived, his roommates were gone, but we were able to collect some items of evidentiary value from the residence. Refer to Detective Wade's report.

David Williams

I spoke with David Williams at a table inside the Tri-met office in the parking structure on the east side of the mall. This conversation was recorded and his summarized statement follows.

David Williams told me that he arrived at the mall around 2 or 3:00 pm, with friends Marcy and Mike Clapp. He said they were all upstairs inside Zales for about 5 minutes when he heard gun shots; about 6. He said they all ducked and then he looked out to the mall and saw the shooter walk by. He said the shooter was 5' 10" dressed in all black (boots, jeans, shirt, and vest) wearing a white hockey-type mask. He said he believed the shooters' hair was black and probably short. David Williams said it looked like the shooter was loading another magazine into the gun and then he walked right (east) out of his sight. David Williams said the shooter wasn't walking with anybody.

I was partnered with Detective Meyer for the remainder of our interviews. Refer to his report for their names and statements.

When I returned to the Portland Area Command I downloaded interviews conducted by me and Detective Meyer onto CD's that contain separately, my interview with Williams and Det. Meyer's additional interviews. All CD copies are included with our reports to be turned in to CCSO.

Joel Holodynski

On December 15, 2012, I called and spoke to Joel Holodynski. He was actually in Oregon visiting from Arizona and was due to return December 16. In his written statement, Joel Holodynski had said he was prior military and knew the AR-15 and its sounds and the shooter's movements. During our phone conversation, Joel Holodynski said he had been in Build-A-Bear on the lower level and exited just before the first volley of shooting. That is when he heard the shooter drop a magazine and saw him reload. He said the shooter was outside Macy's, walking to his (the shooter's) right. Joel Holodynski said they were on different levels, but within 10 feet of each other when he saw him load another magazine. He said aside from a few people frozen on the ground around kiosks, people were "mostly gone". He said it was a "really quick" evacuation. He said the mall was so quiet that he could actually hear the shooter. In his opinion, the shooters footsteps sounded like he was scared.

To Clackamas County Sheriff's Office case 12-36745

MENTIONED OFFICERS:

Sgt Duane Larson – OSP-Portland
Deputy Joel Manley – Clackamas County SO

SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

NARRATIVE:

On the afternoon of December 11th, 2012, I was on duty, in uniform, displaying a badge. I was stationary on the right shoulder of I-5 near SR-217. I heard Sr Tpr Fosburgh relay over the radio that there was an active shooter in the Clackamas Town Center.

I drove to the scene with lights and siren activated. I arrived at the command post (Trimet parking garage) at approximately 3:51 pm.

When I got out of my patrol car, I heard a couple of Clackamas County Sheriff Deputies say that they were going to go in as a medical team. I told them that I would go with them.

I grabbed my first aid bag from my trunk. Sgt Larson arrived and joined our group. There were six people total, three as medical units, three as security. We entered through the outside door of JC Penny and were escorted to the mall entrance by a JC Penny employee.

We made our way west on the upper level of the mall. As we approached Macy's, I saw a body on the ground with a blanket over it. There was a large pool of blood above the body's head. I also saw approximately 10-15 rifle cartridge casings scattered on the floor.

There was another officer nearby that told us there was another victim across the hall in front of the Best Buy Mobile store. Our team went over there; as we approached, I saw that there was glass on the ground due to a store window shattering. I saw another body, a white female, with a blanket over her. One of the people in the Best Buy Mobile store told me that she was an ER Doctor and that she called the time of death on the woman at 3:54 pm.

I then reentered the mall, and our team met up with a search team. I started to clear the building west of the food court. I turned into a Made in Oregon store and cleared it with two other officers. When we came back out of the store, the rest of the clearing team had continued west.

The three of us remained in that area and received word that we were to escort employees and shoppers out of the mall. There were approximately 20 people in the stores where I was at. My team escorted them out through the food court.

I made my way to the west end, near Sears. I saw a police officer guarding the entrance to the mall on the north side between Sears and a US Bank. I approached him and he told me that they were requesting that all entry points be guarded by uniformed personnel. He was a plain clothes officer and I told him that I would take up his position.

As I was guarding the entrance, the door to the US Bank opened. There were two female employees inside. They told me that they had to lock down the money and then they would leave.

I told them I would be nearby when they were done. I began knocking on the different stores and announcing myself. I found approximately 30 people in the surrounding stores. Deputy Manley arrived and escorted the people out through the door I was guarding.

Shortly after, the US Bank employees said that they were done. I went into the bank with another officer and we made sure there were no other people in the bank before it was locked up.

Deputy Manley told me that he would wait as the guard for that entrance. I returned to the command post. Once there, Lt Hershman told me to clear the scene and return to the Portland Area Command.

I left the scene at 5:50 pm.

SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported to OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

ACTION TAKEN:

On **December 11, 2012** I responded to the Clackamas Town Center to assist with an Active Shooter investigation.

At 7:36 PM, I spoke with Sgt. Matt Swanson with the Clackamas County Sheriff's Department. Myself and a number of Transit Police Officers were assigned an attempt locate a 1996 Volkswagen Jetta, green with purple taillights in the Clackamas Town Center parking lot.

CCSO 12-36745
Supplemental Report
Clackamas Town Center Shooting

I started walking the parking lot and walked to the south parking lot adjacent to Sunnyside Road. I noticed a Transit Police Officer looking at a vehicle matching the description of the suspect vehicle. I watched the Transit Police Officers drive away from the vehicle. I approached the vehicle and heard speakers "bumping" from the base in the trunk. I noticed the keys in the ignition in the accessory position. The car was not running. Nobody was in the vehicle.

I called Sgt. Swanson and gave him the license plate of VCZ 648. Sgt. Swanson confirmed that the vehicle belonged to our suspect. Sgt. Swanson told me that the Transit Police had already called in advising they had located the suspect vehicle. I asked Sgt. Swanson if he wanted me to stay with the vehicle as the Transit Officer's had left. Sgt. Swanson told me to stay until EOD Officer's arrived to check the vehicle.

I spoke with Trooper Kevin Ferguson who was watching the south entrance to Macy's. Trooper Ferguson pointed out the location where an AR-15 Magazine was located. The magazine was dropped in between where the suspect vehicle was parked and the south entrance to Macy's.

Trooper Ferguson told me that he had not seen anyone near the suspect vehicle.

Once EOD Officer's arrived I returned to the Command Post.

At 8:50 PM, I interviewed two witnesses of the Clackamas Town Center shooting. I spoke with Kristopher VESETH and Sascha COURSEN at the Clackamas Town Center Mall.

COURSEN told me that she works at the mall at the Yankee Candle store and was on lunch break from 3:15 PM until 3:45 PM, COURSEN told me that she meet her husband Kristopher VESETH for lunch in the food court on the second level.

COURSEN and VESETH told me that they were seated almost directly across from the Macy's entrance in the first row of the food court. COURSEN told me that her coat was hanging on the chair. Her coat is described as plaid with grey and blue. A brown and orange plastic bag is what her lunch was in. COURSEN was seated with her back to Macy's. VESETH was seated to her left perpendicular to Macy's. VESETH described his jacket as a brown leather Motorcycle style jacket. VESETH told me that he had a house key (wrapped w/Duct tape) and a car key in the pocket as well as an electronic cigarette.

Both witnesses heard a sequence of gun fire shots, 3 to 5 in a row. COURSEN turned around to see a male dressed all in black from head to toe, including a black mask. The male had his hands extended and was walking to COURSEN's left. The suspect stopped behind a pillar blocking her view. COURSEN was able to identify who was shooting as everyone was running except for the suspect as he was walking "with a purpose".

Supplemental Report
Clackamas Town Center Shooting

COURSEN and VESETH got onto the floor and crawled toward the movie theater. At the theater an unknown male was standing behind a pillar directing people to stay down and/ or run based on when the suspect was out of sight. The unknown man was wearing blue jeans and a brown coat.

COURSEN and VESETH believe they heard a total of 9 gun shots during the incident.

On **December 12, 2012**, I was assigned additional interviews from people who had called into the Clackamas County Sheriff's Office

Report #726-14

At 12:39 PM, I spoke with Richard and Cilia PATTISON by phone. The PATTISON's were at the Clackamas Town Center shopping at the Macy's on the day of the shooting.

(Richard Pattison is retired Military and taught combat training, Richard walks with the assistance from a cane)

Richard PATTISON told me they had just stepped outside the double doors facing the food court. The suspect came through the far right double doors wearing all black and a white "Vendetta" style mask. Richard could see that the suspect was wearing a tactical vest with spare magazines. The suspect fired 2 or 3 rounds off to the left from the hip in an elevated manner. Richard PATTISON yelled at the suspect, "What the fuck do you think you're doing?"

Richard PATTISON told me that the suspect turned towards him and shouldered the gun and aimed it right at him and his wife who was standing behind Richard. In the process of shouldering his gun, he knocked the mask to the right exposing the right side of his face. Richard could see the expression on his face as he was standing about 15 feet away. Richard told me that the suspect appeared to be shocked that he was being yelled at.

Richard described the gun as an AR-15 M-4 with a red dot sight system.

The suspect turned back to the right firing approximately 3 more rounds from the hip in an elevated manner. The suspect continued walking towards Zale's and fired two (2) more rounds from the hip in an elevated manner. Richard saw V1 get shot in the head and go down to the ground. Richard believes that the suspect was approximately 20 to 22 feet away from V1.

After the suspect shot V1, his weapon jammed. Richard told me he could see the suspect pull the charging handle back and exchange the magazine with his right hand, pulling a magazine from his tactical vest. Richard told me that the suspect was able to clear his weapon and was loaded very quickly. Richard told me that the suspect took off running at a dead sprint down the hall way and out of sight.

OSP 12-277745
CCSO 12-36745
Supplemental Report
Clackamas Town Center Shooting

Somewhere during the event Richard remembered picking up a rifle casing from the ground to see if perhaps it was a blank round. Richard realized that it was not blanks and placed it back where he found it. Richard told me that his finger prints will be on the casing and his finger prints are on file. Richard has a BPSST number of 12355.

Richard walked over to V1 to see if he could offer aid. V1 was bleeding profusely from the head wound and he knew the man was dying despite him still breathing. Richard told me that they covered V1 with a blanket.

Cilia PATTISON told me that she saw the suspect come down the main isle of Macy's come through the door and start shooting randomly. Cilia and a Macy's employee went back inside Macy's, Cilia turned around to grab her husband. Cilia saw the suspect point the gun at her and Richard but did not see his face. Cilia remembered seeing V1 and realizing that he would not survive. Cilia felt that the suspect was trying to scare people and felt that he wasn't aiming at anybody except them.

At 1:53 PM, Richard and Cilia came into the Oregon State Police Office in Milwaukie to look at a photo lineup. Neither could identify the suspect. Richard drew a (not to scale) diagram of the scene from memory which is attached to this report.

Report #726-16

At 2:57 PM, I spoke with Brittany CLAYTON by phone. CLAYTON told me that she was at the Clackamas Town Center with Lori BALCOM and Jennifer ADAMS. Together the three were wrapping gifts for their church as a fund raiser outside of Macy's. The tables had black table clothes extending to the floor.

CLAYTON told me she heard gun fire, the three of them got under the tables when they realized they were hearing gun fire. CLAYTON could see through the table cloth and saw the suspect run by wearing all black and a white mask. As the suspect ran by she heard a magazine from the gun fall to the ground.

At 3:05 PM, I spoke with BALCOM by phone. BALCOM told me that she heard the shots and got under the table. BALCOM gave me the time of occurrence as 3:27 PM.

I spoke to ADAMS at 3:25 PM, ADAMS relayed the same information. ADAMS told me that she texted her husband at 3:29 PM to call 911. ADAMS told me that she texted because she thought the suspect was close and she didn't want to talk for fear of the suspect hearing them under the table.

Report #726-37

This report was from Jim Clark who called in advising that his wife Dyanna CLARK was a witness.

At 3:32 PM, I spoke with Dyanna CLARK who told me that she was at the Clackamas Town Center shopping with her mother Patricia Watson.

CLARK told me that she and her mother were in front of "Forever 21" when they heard shooting. CLARK told me that she and her mother went into the "Gentle Dental" with a number of other people. Dr. Murray was assisting people into the dental office. CLARK told me that she was at the back door of the office, standing next to the door when a single gunshot occurred directly on the other side of the door. CLARK believes that it was the last shot of the event. CLARK told me that she has been around guns and told me that she could feel the report of the gun through the door.

Clark told me that a female knocked on a door to get into safety and they let her in. This unknown female apparently had blood on her from the suspect shooter. CLARK had this woman on the phone with 911 twice while they were in the dental office.

Report #726-39

There was no phone number to call back a person named "Jack" who witnessed nothing related to this investigation. No additional follow-up will be done on this report number.

SUMMARY:

On December 11th, 2012, at about 3:29 pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall (CTC). ACTION TAKEN:

On Tuesday, December 11, 2012 at approximately 3:29 PM, NCC aired an agency assist at the Clackamas Town Center Mall (CTC) located at 82nd Ave and Monterey. They advised that there was an active shooter inside the CTC and was currently looking for assistance. Upon arriving at the CTC, I entered the mall with three CCSO's and Sgt. Jason Linland in the Northeast corner of the mall in a back corridor (13) between the Macy's home furniture store (MHFS) and JCPenny's. When we entered the CTC on the second floor, we discovered an empty magazine in front of the MHFS but no suspect. An employee at a jewelry store that was adjacent to the MHFS advised that he observed the suspect last seen going inside the MHFS. I stayed back and assisted another CCSO with people that were being cleared out of the nearby stores while the other CCSO's cleared the MHFS. At 6 PM, I cleared the CTC.

Summary

On December 11th, 2012, at about 3:29pm, Jacob Tyler Roberts began actively shooting people inside of the Clackamas Town Center Mall. He shot three people near the inside entrance to Macy's on the second floor of the mall. Two victims were killed. One victim sustained non-life threatening injuries and was transported OHSU. Jacob Roberts died of an apparent self-inflicted gunshot to the head during the incident. Clackamas County SO was designated as the lead agency and the Oregon State Police provided on-scene investigative resources.

Narrative

On December 11th, 2012 at about 3:32pm, I heard a radio broadcast of an active shooter at the Clackamas Town Center Mall. I responded from I-84 near Troutdale. I arrived in the Clackamas Town Center Parking Lot near REI at 3:42pm.

I exited my patrol car and began directing people exiting Clackamas Town Center to evacuate to the south end of the parking lot near Sunnyside Road. Deputy Nunn assisted me.

In the process of evacuating people my attention was drawn to Alonya Chukhrii and Kristina Shevchenko. They were standing still and not following directions to continue moving. Alonya told me her friend couldn't move motioning to Kristina Shevchenko. I was escorting Shevchenko back to my patrol car when she told me she thought she might have been shot.

I had Shevchenko sit in the rear seat with the back door open. I began to check her for injuries. She was wearing a dark heavy shirt with a lighter shirt underneath. I lifted up the shirts and located a gunshot wound to the right torso. I undid her bra which was resting on the open wound. I applied a trauma pad to the area to slow the bleeding. Deputy Nunn advised CCOM that we had a shooting victim and requested an ambulance to our location.

I moved Shevchenko in Gladstone Police Department's Ford Escape to provide her with more comfort and to allow easier access to her for medical units responding to the scene. I continued to apply pressure to the trauma pad covering the wound and talk to Kristina until medics arrived. I relinquished care of Kristina to AMR paramedics on their arrival.

I recontacted Alonya Chukhrii who had been standing behind my patrol car while I was caring for Shevchenko. She told me that she had contacted Kristina's parents by cell phone and told me they were enroute to our location.

4-08-17

I contacted Kristina's parents as they arrived at the scene. I advised them that Kristina was being taken to OHSU with a gunshot wound. Kristina's mother, Olga, rode in the ambulance with Kristina. Kristina's father, Veniamin, drove to the hospital with Alonya Chukrii.

location and were joined by a two or three other Deputies who arrived seconds later. The group of us attempted to enter Penney's, but found the outside door locked. An employee opened the door from the inside and then unlocked the gate leading into the mall floor.

We began a sweep through the upper level, from Penney's, searching for the suspect. A majority of the stores were shuttered with gates and some wide open and deserted. A few civilians were seen taking videos with their cellular telephones and were told to clear out. I didn't hear any sounds of people or gunfire. At some point during our sweep we observed other teams sweeping through in the distance and somewhere linked up with another team. At some point, we entered the service corridors running behind all of the stores and began to clear them. As we worked our way through the corridors, we went down some stairs and then split the teams again to go two different directions.

My team continued through our corridor and eventually came to a 90 degree right turn. I cleared around the corner into a long poorly illuminated corridor ending at a set of double doors. At the end of the hall was some unidentifiable debris stored on the left side, just inside the doors. As we took a few steps from the corner, I saw a rifle laying on the right side of the corridor near the doors, then the bottoms of two feet and then lower legs in the debris. As we moved closer, I saw a large piece of brain matter on the floor as well as a great deal of blood and tissue splatter. The individual was clearly deceased and laying on the floor next to a chair and the other items that were stored there. The rifle had a magazine inserted in the magazine well and appeared to be an AR-15 Carbine with a collapsible stock and an Aimpoint type sight. A single .223 caliber shell casing was on the floor near the right side of the corridor. A white plastic mask, as described in the call, was near the body. The individual was wearing what appeared to be a black nylon tactical load bearing (non body armor) vest with at least one 30 round AR-15 type magazine in it. The individual was male, in his early 20's, possibly of some type of Asian descent, wearing foam earplugs and a large silver spike type earring in his ear lobe. We advised CCOM of our find, left two LEO's with the body and went through the doors and back onto the mall floor. The doorway came out between Penney's and Gentle Dental on the lower level (Corridor 2).

We linked up with other teams and continued clearing the mall and stores before being relieved by the incoming SWAT Teams. I took about 25 people who had been hiding in Barnes and Noble outside and then went to the Command Post (CP).

While at the CP I walked two females toward their car near the theatre entrance. While enroute there, we encountered a female having a seizure in the parking lot. I called for medical and stood by with her and her husband for their arrival. The two women continued walking to their car. After medical arrived, I returned to the CP and was sent to contact OSP SWAT members detaining a suspicious person on the southwest side of the mall.

Page 4 of 4

I contacted Sr. Tpr's Kammerman and Bledsoe, who had a young male detained and in flex cuffs. He claimed to be a Sheriff's Office Cadet who had been called to the scene. His story and actions were very suspicious, considering the current situation at the mall. A Clackamas County Sheriff's Office (CCSO) Lieutenant arrived and determined he was not a Cadet and asked me to transport the person to the CP to be interviewed by Detectives. I searched him, removed everything from his pockets, put it in a bag and transported him to the CP. I turned him and his property over to CCSO Det. Krauss.

I cleared the Town Center at about 20:40 hrs.

CASE NUMBER: 12-36745
Date of This Report: 02/06/13 12:15 hrs
Date of Incident: 12/11/12 15:29 hrs
CLASSIFICATION: Aggravated Murder - Suicide
CASE AGENT: Det Mike Copenhaver & Det Jeff Burlew
CASE STATUS: Active
REPORT REGARDING: Collection of Evidence – Shevchenko Bullet
VICTIMS: Forsyth, Steven Matthew
Yuille, Cindy Ann
Shevchenko, Kristina
SUSPECT: Roberts, Jacob Tyler

NARRATIVE:

On 02/06/13 at approximately 12:15pm met with Oregon State Police Evidence Control Officer Kelly Donovan at the Portland Area Command office. She turned custody of the bullet fragment removed from victim Kristina Shevchenko over to me. OSP Detective Kyle Wilson had seized the evidence from OHSU Hospital PD and submitted it to the OSP evidence room.

The bullet fragment was sealed inside of a clear plastic specimen jar. The jar was labeled with paper hospital label bearing Shevchenko's name and identifying information. Written on the paper label in pen is "Surgeon Dr Rowell" and the name of a nurse that could be "S. Balurez". On the other side of the paper label there is writing in pen that identifies that the fragments were removed from Shevchenko's "Right Chest".

The plastic jar is inside of a clear plastic biohazard specimen bag. Then the entire jar and bag are sealed inside of a clear plastic Portland Police Bureau evidence bag. The outside of the evidence bag is dated "12-11-12" at "8:56". It also bears the case number of "2012-11598" but I am unable to track down which agency owns that case number, however, it could be an internal OHSU Hospital PD number. The name of the officer on the bag is "Habibi" with id number "46611". I learned that Habibi is an officer with OHSU Hospital Police.

I did not open the sealed plastic bag. I put the evidence bag into a plain brown bag and labeled the outside with the CCSO case number and identifying information and submitted it to the CCSO Evidence & Property Room.

Narrative:

On 2/15/2013 at 1207 hours, I received a request via email from Detective Burlew to process a piece of evidence seized previously on 12/11/2012 at

the Clackamas Town Center. Specifically, Detective Burlew requested an ammunition count from the magazine which was found in the rifle near the suspect.

At approximately 1230 hours, Property Specialist J. Costanzo retrieved the boxed rifle from a secured room and gave it to me. I confirmed the box was labeled with Clackamas County case number 12-36745 Item #3.

I observed the rifle box was sealed with Oregon State Police labeled evidence tape which had been initialed by "LPS" on 12/11/2012. I opened the box and observed one AR-15 rifle with detached scope, a metal AR-15 30 round magazine stamped with the name "PRO MAG" on the bottom, and a small yellow envelope. The envelope was sealed with Oregon State Police labeled evidence tape and initialed by "KAK" on 12/11/2012. The writing on the outside of the envelope indicated it contained one round of .223 ammunition which had been removed from the rifle's chamber.

I unloaded the magazine and counted 28 rounds of "FG 223 REM" stamped ammunition. I placed the ammunition into a yellow envelope and sealed it with Clackamas County stamped evidence tape. I initialed and dated the tape prior to placing the envelope and magazine back into the rifle box.

I then resealed the rifle box with Clackamas County stamped evidence tape which was initialed and dated.

I returned the rifle to Property Specialist J. Costanzo at approximately 1245 hours.

Respectfully,

Deputy Andy Shelley 47255

SUBJECT OF REPORT: Response to active shooter

LOCATION: 12000 SE 82nd Ave

MENTIONED: Detective T. Weiland, OCPD-CCITF

Deputy Brummett, CCSO-CCITF

Sergeant Wold, CCSO-CCITF

Sergeant Frank Schoenfeld, Canby PD

Deputy Toops, CCSO

NARRATIVE:

On 12/11/12 at approximately 1530Hrs Deputy Brummett told Sergeant Wold and I there was an active shooter at the Clackamas Town Center. Sergeant Wold and I left the office to respond to the Town Center. As I was obtaining my duty gear CCITF member Officer Tracy Weiland arrived and he and I responded in his OCPD van equipped with lights and siren.

Officer Weiland and I arrived after it was broadcast there were several confirmed dead people inside and there were no indicators heard. There was conflicting information broadcast about the number of shooters inside the mall and it was unknown if there was still a shooter or shooters inside the mall capable of continuing to kill people.

Officer Weiland and I checked in with the command post and made ourselves available for an assignment. Once Sergeant Frank Schoenfeld from Canby PD and Deputy Toops with CCSO arrived we were tasked to form a hunter cell and clear the movie theater. The information we had was the movie theater was locked down and there was no indication inside of violence. The patrons inside the movie theater were not aware of the shooting and were still inside.

Our hunter cell was able to enter the movie theater where we met other peace officers from various departments that were available to help us clear the movie theater. The main lobby of the movie theater was cleared and responding units took up positions of observation as the movie theaters were evacuated. I stood by as people exited the main hallway waiting to

address a threat that may come from a movie theater or from the hallway. Once the theaters were evacuated by mall staff the responding units broke into groups of 2 or 3 and began clearing the movie theaters. The theaters, hallways, bathroom, elevator, and all unlocked and accessible rooms were cleared. There were no casualties, weapons, spent cartridges, or anything else that would indicate there was shooting that took place in any areas I searched.

Once the theater was cleared Officer Weiland and I were tasked with finding witnesses to the shooting. Officer Weiland and I walked the entire perimeter of the mall and spoke with every citizen we saw; no one admitted to being a witness to the shooting.

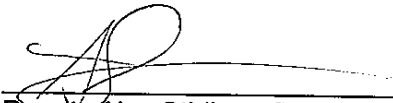

After completing our canvas members of CCITF and SIU present at the command post were instructed by Lieutenant Behan to remain available and stand by for an assignment from either himself or Sergeant Wold.

Later in the evening members of the CCITF and SIU were released with instructions to remain available for call out to assist with the investigation later that night or early the next day.

I cleared with this report.

NARRATIVE:

During the review of Suspect Robert's phone records the phone number of 503-880-7297 was found to have calls with Robert's phone twice on December 10th. These are listed below.

12/10/12	0:40	0:01:23	IN
12/10/12	0:33	0:01:10	OUT

A check of various law enforcement databases did not uncover any listed user for this number.

On 03/11/13 at approximately 10:55am I called the phone number. The call was picked up by an automated voicemail message. I left a message asking for a return call.

At approximately 11:20am I received a return call from the phone number. The male caller identified himself as Brian Christian. As I started to explain the reason for my call and asked if he knew a "Jacob Roberts" he said he was a long-time friend of Roberts'.

Mr Christian said that he and Roberts attended middle school and high school together. He would consider him a close friend, although in the last year or so they have drifted a little bit apart due to work and girlfriends.

Detective Jeff Burlew
Clackamas County Sheriff's Office

Mr Christian said that he remembered the phone call in December very well because it was like the day before Roberts went and did the shooting. Mr Christian was home at his apartment with his girlfriend and had just gotten to bed when the phone rang. It was Roberts calling. Roberts told him that he was coming over to pick him up and they were going out for a drink because he was leaving town. Although he hadn't heard from Roberts for a while, Mr Christian said that wasn't abnormal for their type of relationship. The only thing even a little odd was that Roberts didn't ask him about going for a drink, but just said he was on the way over and to be ready. Mr Christian got up and was picked up by Roberts in his car. They went to a dive bar on SE Foster Rd named "O'Malley's" (6535 SE Foster Rd). They had a few rounds of drinks there and reminisced about stuff.

During the conversation Mr Christian said that Roberts did tell him that he was moving to Hawaii. Mr Christian was around Roberts when he got the first inheritance money so the story about him moving to Hawaii didn't sound strange to Mr Christian. Roberts told him that he knew someone who had a vacation house over there and he was going to stay there for a little bit. He said he was leaving on either Wednesday or Thursday, Mr Christian said he didn't remember which day.

Mr Christian said there is no way he would have ever expected Roberts to do something like this. He can't think of any reason why Roberts would want to shoot people. He did not seem depressed or angry while they were together that night and did not speak about anything like what happened at the mall.

On the morning of 03/11/13 I had still not received a return call from the user of this phone number. I called and left another message at approximately 8:10am. At approximately 8:20am I received a return call from the phone number.

The male caller identified himself as Chad Larson. As I started to explain the reason for my call and asked if he knew a "Jacob Roberts" he said he figured it was just a matter of time before someone contacted him.

Mr Larson went on to explain that he had met Roberts about three weeks before the shooting. Mr Larson said that he was very good friends with Tommy Illk, who owned the Gyro sandwich shop next to the bar that he frequented. Mr Larson said that he visited the sandwich shop many times and had started to get to know Roberts. So, about three weeks before the shooting they exchanged phone numbers and made some loose plans to go out for drinks soon.

Mr Larson said that his father had died from suicide and so he was aware of some of those signs in people as they give away their belongings or become depressed. He said that Roberts didn't display any of those signs. When he went into the sandwich shop Roberts was always friendly and talkative. Mr Larson said that Roberts told him the story about moving to Hawaii. He said that it was very detailed and thought out, so when Roberts started talking about how he was selling things like his couch and other large items it made sense to Mr Larson because a young single guy wouldn't be moving those type of things.

Mr Larson said he doesn't recall the exact content of their text messages but said there was definitely nothing about plans to do a shooting or even anything that would have shown Roberts thoughts about the mall incident. He suspected that they were simple messages planning to go get a drink or find out if Roberts was working a certain night or if he [Larson] was coming into the sandwich shop.

CASE NUMBER: 12-36745
Date of This Report: 03/11/13 14:00 hrs
Date of Incident: 12/11/12 15:29 hrs
CLASSIFICATION: Aggravated Murder - Suicide
CASE AGENT: Det Mike Copenhaver & Det Jeff Burlew
CASE STATUS: Active
REPORT REGARDING: Analysis of Suspect Cellular Records
VICTIMS: Forsyth, Steven Matthew
Yuille, Cindy Ann
Shevchenko, Kristina
SUSPECT: Roberts, Jacob Tyler

NARRATIVE:

As part of this investigation the cellular communication records for Roberts' cell phone were obtained and examined. For the period from December 11th back to December 1st investigators attempted to identify all of the people associated with the phone numbers that had contact with Roberts' phone.

Attached is a nine page spreadsheet that lists all the calls and messages for that time period and names associated to the phone numbers. Some of these names came from law enforcement databases while others were the result of a cold call to the listed number. More of a focus was directed at the communication events of December 11th to December 8th.

No information was obtained during this assignment that would indicate there was a co-conspirator in this incident or anyone that Roberts shared his plan with.

Clackamas County Sheriff's Office

Detective Daniel Kraus

2-28-13

Case Number: 12-36745

Classification: Aggravated Murder

Victims:

Suspect:

Mentioned:

Baggenstos, Shawn Curtis

102

Detective Eggleston
CCSO HVCU

A handwritten signature or set of initials in the bottom right corner of the page.

Narrative:

On 12-11-12 I responded to a shooting at the Clackamas Town Center. At about 1605 I was arriving at the driveway that leads from 82nd Avenue into the parking lot leading to the southwest corner of Sears. Detective Eggleston was located there blocking traffic and I approached him. He pointed out Mr. Baggenstos who was on the sidewalk and told me that Mr. Baggenstos had information that needed to be documented.

Mr. Baggenstos approached my car where I stopped just east of Detective Eggleston's vehicle. He provided me his contact information. He told me that he had seen a man on the bus who was carrying a black bag and when he got off the bus at the mall he had placed a black mask over his face and then entered the mall. Mr. Baggenstos said that a few minutes later the shooting started.

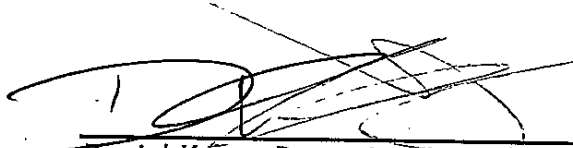

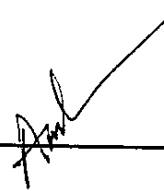

Mr. Baggenstos told me that he was taking the bus from Oregon City. The man, whom he estimated as being 15 or 16 years old was playing with the mask while he rode the bus. The man had on a "lot of makeup" and looks Goth. I asked Mr. Baggenstos if he would recognize the man if he saw him again and he said yes.

Mr. Baggenstos said that he and the man got off the bus at the bus mall near the movie theater. He was walking the same direction as the man. The man was carrying a backpack as he walked. The man put the mask on before entering the mall and then "strolled into the mall." Mr. Baggenstos said that a short time later the shooting began.

I later briefed the incident command on this information.

Recommendation:

NARRATIVE:

During the review of Suspect Robert's phone records the phone number of [REDACTED] was found to have exchanged text messages with Robert's phone 29 times. There were 14 messages on 12/06/12 between 6:40pm - 8:00pm and 15 on 12/08/12 between 2:30pm - 3:15pm.

On 03/05/13 at approximately 2:20pm I called the phone number of [REDACTED]. The call was picked up by voicemail and a female voice said to leave a message. When I returned to work on 03/06/13 an unknown female had left a message on the 5th at 5:30pm saying she was returning my call and to call her again.

Ms Conlin said that the entire month of December she was looking on Craigslist for cars and constantly talking to the sellers by text message. She said she remembers definitely looking for Honda cars but knows she also looked at other types that were in her price range.

[Note: While the investigation uncovered that Suspect Roberts posted his 1996 VW Jetta on Craigslist on 12/09/12 at 4:41pm, investigators did not check if this December 9th posting was an original post or if it was a re-post or edited posting from an earlier date.]

DETECTIVE MICHAEL COPENHAVER

DATE: 3-26-13

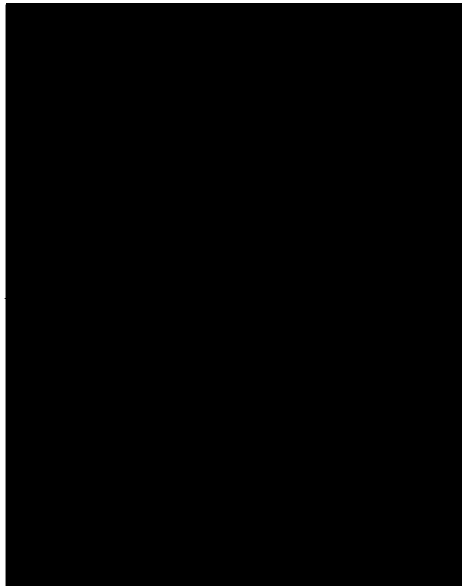

CASE NUMBER: 2012-36745

CLASSIFICATION: Aggravated Murder (163.095)

CASE STATUS: Active

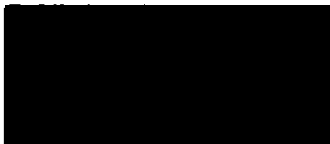

REPORT REGARDING: Contact with Tyler Eheler

VICTIMS:

SUSPECT:

MENTIONED: Eheler, Tyler

Detective Lee-CCSO

NARRATIVE:

On 03-26-13 at about 2:30 PM, Detective Lee and I spoke with Tyler Eheler outside of his home on SE Cook Ct in Milwaukie, Oregon. The purpose of my visit was to learn more about what Jacob Roberts told Tyler Eheler before he went to the mall on December 11, 2012.

Tyler said Jacob showed up and seemed sad. Jacob told Tyler he had just killed someone and asked if he could stay at Tyler's place. Tyler told Jacob he could not stay there. Tyler told me he thinks Jacob confessed to a murder because of what he was about to do, rather than him confessing to a murder that had already happened. Tyler had no other information that Jacob had killed anyone prior to that day and time.

Tyler said Jacob was not carrying a weapon and did not have any blood on him.

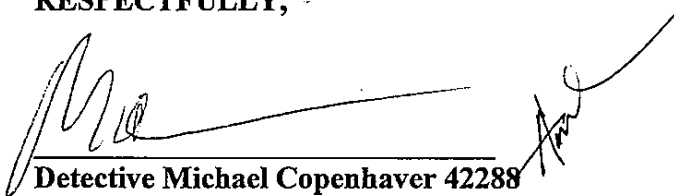

Before Jacob left, Tyler asked how he would get a hold of Jacob. Jacob said he got rid of his cell phone so he could not be "tracked" and that he would find a way to get in touch with Tyler.

Nothing further

CASE STATUS: Active
REPORT REGARDING: Content of Suspect's Text Messages
VICTIMS: ' Forsyth, Steven Matthew
Yuille, Cindy Ann
Shevchenko, Kristina
SUSPECT: ' Roberts, Jacob Tyler

NARRATIVE:

As part of this investigation an affidavit for a search warrant was written in late February directed to the cellular service provider Verizon Wireless seeking the release of any text message content on Suspect Robert' account that is stored on their system.

Detectives had the affidavit reviewed by two Deputy District Attorney's before presenting it to a circuit court judge. Their assessment was that in the last several months the investigation has answered many of the unknown questions that existed in the days following the incident. As outlined in the affidavit the facts of the case do not support probable cause for the search warrant for text message content.
